Bulwarks of Prosperity

Scarcely less important than the dependable news service they provide every day is the contribution the Canadian daily newspapers make, as an industry, to the economic welfare and prosperity of the nation.

Canada provide employment to tens of thousands of Canadian citizens in all parts of the Dominion, from logging camps and paper mills to the printing presses of your local daily newspaper.

Today, it is estimated that more than a half million Canadians are dependent for their livelihood upon the newspaper industry.

Consequently, in addition to providing an essential service to more than two million families every day, the Canadian daily newspapers make an important contribution to the economic and industrial welfare of the nation.
