HAIR COMING OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and get rid of every particle of dandruff, get a 25c. bottle of Danderine at any drugstore, pour a little in your hand and rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.

CHESS TOURNAMENT

"No better sport can be found I ween Than these games of Chess afford To measure skill with Bishop and Queen And Castle and Knight on the board." The annual chess tournament of the Charlottetown Chess Club began last night at the Dalton offices. The attendance was not quite as large as usual as several of the members were out of town. The players, however, who were present showed a skill in strategy that surpassed their former efforts.

Like the Germans they won over the enemy by a massive and strategical attack on the weakest point in his line. Several surprises were in store and the former champions went down to defeat. The Tantonian horse was smashed by both L. C. Worth and Dr. Ross, while Dr. Lundie walloped W. S. Louson and T. B. Woodman beat Dr. Ross.

You have a bad cold!

Then listen! Cold attacks the lungs and the breathing passages. To cure it you need to get at these organs direct. Ordinary cough mixtures and syrups do not touch the lungs, but go direct to your stomach, which is not ailing. Peps, on the contrary, go direct to the very seat of the trouble.

Peps are tablets containing essences and medicinal ingredients so prepared that when placed upon the tongue they immediately turn into vapor, and are breathed down the inflamed air passages to the lungs, direct.

Peps medicine takes the form of healing vapor, and cures colds, coughs, bronchitis and lung troubles, just as living in Pine woods and breathing Pine-laden air prevents consumption and cures chest weakness. Tightness across the chest, pain between the shoulders, hacking cough, sore throat, asthma and bronchitis are the ailments which, in particular, Peps have been designed to cure. Peps will soon end your bad cold.

Testimonials for Peps have been given by members of the Canadian Parliament, doctors, lawyers, eminent Canadian musicians; all going to prove that Peps have been found a cure for throat and chest trouble, often when other remedies had entirely failed.

FREE TRIAL—Cut out this article, and mail it, with 1c stamp (for return use) to Peps Co., Dept. 151, Toronto, and we will send you a free trial package of Peps. All druggists and stores sell Peps, 50c box or 3 for \$1.25. See the name Peps (four letters only) before buying.
