Conservative Address

(MacCaul)

(Continued from Page 5)

Yet Our Premier says this is not a busy time of year. He also states that the evenings are long, well when we have long evenings we have short days and without Electricity on the farm I wonder how much longer it will take to get the farm chores done in the dark.

West Point Ferry

I just want to mention this project, and to state that I feel this is a very necessary and important undertaking for the economic development of West Prince and it will be my greatest endeavour to have this inaugurated with Government aid. Not now, not on the eve of the next Election, but in 1948, when this should be done as well as the road paved to the ferry, and good gravel roads leading to the pavement.

Old Age Pensions

Inaugurated by the Progressive Conservative Party, and since mismanaged by the Liberal Administration, we propose and are prepared to ask for and fight for the right of every person over Sixty-Five years of age to receive the Old Age Pension without any lien on their property or any means test of any kind.

Our Roads

A great deal is being said about all the work on our roads. I wonder if people realize the cost placed on the roads. I know a lot of time is being put in and a lot of gravel hauled, but what portion goes on the roads.

C. C. F.

We now have a third party seeking your support in the Second District of Prince. I have every respect for and admiration of these Candidates, and I believe they are sincere in their undertaking.

GUARD AGAINST EYESTRAIN

Doctors declare that eyestrain may account for poor grades of some schoolchildren, and urge co-operation between teachers, parents and the family physician to ensure children are given a fair chance.

CUT DOWN ON TAKING LAXATIVES THIS WAY

See How Regular You Can Be Every Morning

Try taking Carter's Pills this way: Start with 3 and set a definite time every morning. When you get regular every morning, cut down to 2. After a few days, try 1.

Conservative Address

(MacLeod)

(Continued from Page 5)

Then the feed subsidies were cut down. The farmers soared well over a dollar a bag.

Farmers' Interests Betrayed

Ladies and gentlemen, this is a betrayal of our farmers by the Federal Government. We were begged and exhorted to increase our production and when we did so we were suddenly confronted with such excessive feed costs that all profits have gone by the board.

Dr. Lattimer's Survey

At considerable expense the Provincial Government employed Dr. Lattimer to make an economic survey of our Province. In his published report he exposed us all the people who received smaller remuneration for our labours than those of any other Province in Canada.

Rural Beautification

A programme of rural beautification was put on last year in our Province and resulted in quite a few schools and home properties being made more attractive and good but I would like to say that the condition of our schools and farm homes reflect the effects of about twenty years of Liberal rule.

Hardest Hit

Did you ever stop to think that the three provinces hardest hit by the Liberal policy are New Brunswick, Nova Scotia and Prince Edward Island, the only three Liberal Provinces in Canada?

Girl Guide News

It is always very gratifying when realization exceeds expectation in any undertaking and that was what happened in the case of the rally for 2nd Class Guides held in Charlottetown this past week-end.

OUR CHIEF RANGER'S WEDDING

Thousands of words have been written and called about the Royal Wedding, but when a family member is entitled to expect a special and perhaps more intimate account of it from those of the family who were privileged to be there, so the account has been written by one member of the Guide family for others in the family, to describe the wedding of one of its most loyal and enthusiastic members in the past.

A programme of rural beautification was put on last year in our Province and resulted in quite a few schools and home properties being made more attractive and good but I would like to say that the condition of our schools and farm homes reflect the effects of about twenty years of Liberal rule.
