

MALT BREAKFAST FOOD CALENDAR FOR NOV. 1901

Is a Boon to Dyspeptics.

The weak, erratic stomach of the dyspeptic demands nourishment that can be retained and that affords strength. Malt Breakfast Food is the only grain food that perfectly fills the bill, because it agrees with the weakest stomach and is easily assimilated and ready to be taken up by the natural process of absorption.

Malt Breakfast Food gruel is acknowledged to be the most refreshing and appetizing dish for the poor suffering dyspeptic. Its use for a few days will tone and strengthen the stomach and digestive organs, after which the patient may commence with the regular Malt Breakfast Food porridge, which will soon banish all trouble and establish a healthy and natural appetite.

The best physicians instead of prescribing medicines, are strongly advocating the use of Malt Breakfast Food for impaired digestion. If your stomach is weak, try Malt Breakfast Food for a week; results will be so pleasing you will never give it up. Grocers everywhere.

A Few Hints About DIAMOND DYES AND Diamond Dye Mat and Rug Patterns.

The noted and popular Diamond Dyes give beauty and new life to all kinds of materials and garments that have become dingy and faded—from the most commonplace articles of wearing apparel to the finest and most delicate lawns, cambrics, muslins, silks or feathers.

If you have a taste for homemade mats and rugs, ask your merchant to show you the Diamond Dye Mat and Rug Patterns now so very popular in Canada. These designs are the prettiest yet shown, and will give you a chance to use up your wool and cotton rags and yarns after dyeing them with Diamond Dyes to match colors on Rug Patterns. If you address at once to The Wells & Richardson Co., Limited, 200 Mountain St., Montreal, P. Q. and they will send you postpaid, sheets of designs to choose from.

PAIN'S CELERY COMPOUND DOES A WONDERFUL WORK. It Saved Mr. Arthur's Life After the Failures of Doctors and Their Medicines

The Only Remedy That Can Cure Serious Blood Troubles, Sorofula, Salt Rheum and Eczema.

The blood plays an important part in our physical economical life. In twenty-seven heart-beats all the blood in the system has been pumped once through the heart and starts again on its round, bearing nourishment and life to all parts of the body. If our blood be impure, disease instead of true life creeps to all parts, leaving the excretory organs so weak that they cannot remove the waste matters and noxious particles in the system that are such fruitful sources of disease.

Paine's Celery Compound is the only reliable and safe medicine for the curing of the most virulent blood diseases; it is the only purifier of the vital life steam. It saved Mr. Arthur, of Chelmsford, Ont., when his life was in peril. He writes as follows:
'With great pleasure I write about your wonderful medicine, Paine's Celery Compound. I was laid up with scars all over my face and neck, the result of blood poisoning; while in that condition, I could not sleep at night, had no appetite, and could not attend to my work. The doctors in my district and their medicines did not benefit me. My aunt advised me to use Paine's Celery Compound. In two weeks I was so much better that I could go out, and in three weeks I was able to work again. I bless the day I commenced with Paine's Celery Compound.'
