

Welcome for Second and Eighth Batteries

To the Citizens of Charlottetown:

You are invited to participate with us in giving our returning Soldier Units a Royal Welcome Home, which is their due and all Returning Soldiers coming back. We want every flag in the City to be spread to the breeze.

On the day of their arrival every yard of bunting should be displayed and all public buildings and every private house and store illuminated at night. Should our brave boys arrive at a suitable hour, we propose having a grand parade and the day observed as a Holiday. Due notice will be given when the returned Units will arrive. Get Ready.

Every Patriotic citizen is expected to meet them with flags and banners. All churches are requested to join by ringing out Autocraze and ringing in Democracy. Make the old Town echo with joy. Factories, Locomotives and Steamers blow your whistles. Boy Scouts and everybody fill the air with joy and music. Everybody cheer and shout for joy. The G. W. V. A. and all Patriotic Societies and other Organizations with all the Bands are cordially invited to cooperate.

(SIGNED) G. D. WRIGHT
Mayor.

THE PROMOTER'S WIFE

BY JANE PHELPS

MRS. POWERS HAS DROPPED NEIL AND BARBARA FROM HER LIST

CHAPTER LXXXI.

What do you mean, that Mrs. Powers asked her husband to look Neil's business up?"

"Yes." Then "That is, his business record."

"Why should she interest herself?" "Because she liked you, and was hesitating about asking you and Forbes to one of her select affairs. It sounds awfully harsh, but she told him after he had made his report that she should drop you from her list."

"I almost groaned aloud. This was the woman whom I had hoped to have help me in my social aspirations; the woman whom I had planned to invite to my home in the hope she would give my parties eclat."

"Thank God! had a friend like Mr. Frederick. Mortifying as it was to have him know it was better than the embarrassment which would have been mine had I tried to put my plans into effect. Lorraine Morton had been careful not to hurt me too much. Perhaps Mrs. Powers had talked of us. Mr. Powers had warned her father, perhaps his wife had warned Lorraine."

"Please don't look like that," Mr. Frederick said after a moment. "I had to tell you—that was why I went to Powers after you told me of your intention to try to get into society. I wanted to save you. I have seen, even where I live, how it has hurt women when they tried to get into certain sets and failed. Why do you care about it?"

"If all you indicate is true I shall have no beautiful home, no friends," "Nonsense! Don't talk like that. You allow yourself to feel that way. You true friends are still the same when you are in trouble that they are when you do not need them. As

for your home, it is early to think of losing that—it may come. I don't know of course to what extent Forbes is involved; or will be before he either calls a halt himself, or is compelled to. I hope he will do it himself. He is very stubborn, very impatient of not only proof but of advice. I can appreciate how hard it is for him to give up such a source of wealth; but unless he goes straight he will have to. He can be a promoter and go straight. I have known many who did—but they never were very rich men. At times they would make considerable, at others scarcely a living. 540 per cent men are not honest men in any business. What a dry person you must think me. What a lecturer I would have made." He smiled whimsically at me, then: "Come, take a ride then meet me and your husband at Mordant's at lunch. I have an appointment with him. Perhaps it would be as well to say nothing of what we have discussed to him. A will say I dropped in and invited you to join us."

"Thank you. I will be glad to come," I said absent mindedly. I scarcely heard his good bye, or felt his hand clasp, so intent was I upon my thoughts. Not agreeable ones, as you can well imagine. I dressed, simply, but carefully. I wore no jewels, not even a brooch. I would not give people occasion to talk of my extravagance. Just as I was about to start Lorraine came in.

"Drive down with me, then Thomas will take you home," I urged. "That will be nice. So that Mr. Frederick is here again. I liked him immensely that night I met him at your dinner party. He rang true. Something good may do not do now-a-days." She bit her lip, and immediately commenced to chat of some thing else. It wasn't like Lorraine to make such a tactless remark.

JOIN THE HOST OF RED-BLOODED MEN AND WOMEN

Get More Pleasure Out of Life and be of More Use in the World by Toning Up Your System With Dr. Williams' Pink Pills.

There are many people who lack the red blood to give color to their lips, warmth to their hands and brightness to their eyes. These people tire easily and cannot compete in school, in store, or shop or factory with the more energetic red-blooded people. Their blood being thin they are nervous and do not sleep well. Arising in the morning after an unrefreshing sleep, they begin the day badly and miss much of the pleasure of living.

To become active and energetic these people need a blood-building tonic. A tonic that gives new strength that restores the nerves, increases the appetite and aids digestion, will put color in the cheeks and lips and give vigor to the steps. That means new joy in living, increased usefulness and longer life.

Wherever you find a person who has taken Dr. Williams' Pink Pills faithfully, you find an enthusiastic friend of the tonic that has made life mean more in many ways. These blood-making pills have been used for many years throughout Canada, and in almost every community, however small, can be found those who owe health and happiness to this famous household remedy.

Always feeling poorly. Finally I was advised to try Dr. Williams' Pink Pills, and as I soon found they were helping me I continued their use until I was fully cured, and am now able to properly digest any food I take. As a tonic and blood-builder I know of no medicine to equal Dr. Williams' Pink Pills, and I recommend them to all in need of a medicinal.

Among the thousands of women who bear testimony to the value of Dr. Williams' Pink Pills is Mrs. W. Ferguson, Plattsville, Ont., who says:—"After the birth of my second baby I was left very weak, and was steadily growing thinner and more bloodless. As time went on I became so run down that my friends thought I was in a decline. I tried different medicines, but none helped me until I was advised to take Dr. Williams' Pink Pills. I began taking them and was not long in finding that they were helping me, and by the time I had taken a half dozen boxes I felt like a new person. I had increased in weight, my color returned and I was again enjoying my old-time health. You may be sure when opportunity offers I will gladly recommend Dr. Williams' Pink Pills."

One who owes present health to Dr. Williams' Pink Pills is Miss Bibiane Chaisson, South Beach, Que., who says:—"I am a teacher by profession, and probably due to the close confinement and arduous nature of my duties, I became much run down and suffered from extreme nervousness. The least noise would startle me, and my heart would beat violently. Indeed my condition was an unhappy one. I had often heard of Dr. Williams' Pink Pills as a cure for nervous troubles and decided to give them a fair trial. I am happy to say that this medicine completely restored my health, and I can confidently recommend it to all suffering from nervous troubles."

Mrs. M. Kelly, Windsor, Ont., says:—"I suffered from indigestion for several years, and although I was constantly taking doctor's prescriptions, they did not cure me, and the result was that I was greatly run down and

WEAK AND ANAEMIC
The correction of anaemic conditions by Dr. Williams' Pink Pills is as certain as anything in medical sciences. Miss Jessie McLean, Trenton, N. S., says:—"I was weak as it was possible for any one to be, and yet be able to go about. My blood seemed to have turned almost to water. I was pale, the least exertion would leave me breathless, and when I went up stairs I would have to stop and rest on the way. I often had severe headaches, and at times my heart would palpitate alarmingly. A good friend urged me to try Dr. Williams' Pink Pills and I have reason to be grateful that I took the advice. Soon after beginning the use of the pills I began to get stronger, and by the time I had taken seven boxes I felt that I was again enjoying good health. I think Dr. Williams' Pink Pills are a blessing to weak girls and I shall always warmly recommend them."

AFTER INFLUENZA
Mrs. Thos. Covert, R. R. No. 2, Bancroft, Ont., says:—"Following an attack of grippe I was left very weak and miserable. My appetite was poor, I suffered from headaches, my skin was sallow, and two boils broke out. I began taking Dr. Williams' Pink Pills, and had only used a few boxes when I felt as well as ever. They drove all the impurities from my blood, gave me a good appetite, and I have since enjoyed the best of health. I can recommend the pills to anyone suffering from impure blood or skin disease."

By building up the blood Dr. Williams' Pink Pills cure all that group of troubles due to weak, watery blood. Among these may be mentioned anaemia, rheumatism, indigestion, neuralgia, pimples and eruptions, and that always tired feeling that comes from weak blood, even where there may be no more pronounced symptoms of ill-health. Take Dr. Williams' Pink Pills as a tonic if you are not in the best physical condition and cultivate resistance that will keep you well and strong. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

RHEUMATISM CURED
Among the rheumatic sufferers who have been cured by the use of this medicine is Mrs. Wm. Johnston, Chatham, Ont., who says:—"Some years ago, while living in Mount Forest, I was stricken with inflammatory rheumatism from which I suffered terrible agony. Neither the doctor who attended me, nor the remedies I tried, gave more than a little relief for a time, and as a consequence, I grew very weak and was on the verge of nervous prostration. At this stage an uncle advised me to try Dr. Williams' Pink Pills, as they had cured him of a severe attack of rheumatism. I took his advice and faithfully used the pills for several months, when I found myself fully restored to health, with every vestige of the rheumatism and every symptom of the nerve trouble gone. I have had no return of either trouble since, and feel very grateful for what Dr. Williams' Pink Pills did for me."

WHAT IS YOUR BOY WORTH TO THE COMMUNITY?

HUNDREDS of growing boys form part of our community. And these hundreds of boys constitute the community's greatest potential asset. While we plan for CONSERVATION of our values and powers, shall we, in measuring values, overlook our BOYS? Shall the boys of Charlottetown become a Community Asset or a Community Liability?

THE Y. M. C. A.

Of our community is working every day to help home, church and school to train boys to the FOUR SQUARE STANDARD. The Y. M. C. A. is working to help boys mentally, morally, physically. 148 boys have been attending classes at the Y. M. C. A. during this past winter. From 70 to 100 students have been attending mission-study classes, and other religious meetings.

BOYS

You're in on this too! The "Earn and Give" organization is solely for the purpose of making an outstanding, distinct individual.

Boys' Contribution

Find your Local Director and keep him busy. If you find none, persuade some man to act. Show the community that the BOYS can hustle as well as the men. Don't let the Local Director find you—YOU find him! SEE THE POINT?

THE GYMNASIUM

has been busy day and evening. The Bowling Alleys and Baths have been thoroughly renovated. The Y. M. C. A. is providing an atmosphere in which the boy can develop mental strength—moral strength—physical strength.

Is there any investment you can make that is comparable to that of helping boys to the right sort of manhood. WHAT IS YOUR BOY WORTH? He's worth all that we can do to help the Y. M. C. A. help him. He's worth the most generous subscription you can make to the RED TRIANGLE FUND.

Help the "Y. M. C. A."
