Had a Nasty Bronchial Cough AS AN AFTER EFFECT OF PNEUMONIA—NOTHING PROVED EFFECTIVE UNTIL WE USED DR. CHASE'S SYRUP OF LINSEED AND TURPENTINE

Many another can say, as does Mrs. Harker in the following letter, that Dr. Chase's Syrup of Linseed and Turpentine has proven a friend to her in time of cold with the little ones.

"I have used Dr. Chase's Kidney-Liver Pills with splendid results, and have great faith in all of Dr. Chase's medicines."

It may not have occurred to you that both bronchitis and asthma are diseases of the nerves of the bronchial tubes and lungs...

It is by its remarkable faculty for soothing the nerves and sheathing the delicate membranous linings with a protective coating that Dr. Chase's Syrup of Linseed and Turpentine has proven so thoroughly effective as a cure for bronchitis and asthma...

Without Pain, Cutting or Surgery, Instant Relief.

Seven people out of ten are said to have Piles. Not one man in a million need have them and we are proving it every day at our own expense.

We don't do this as a matter of amusement or philanthropy, but because it is to our interest to do so.

And the remedy at the drug store is exactly the same as the sample we send out. As, for instance, here is a man who got such immediate relief from the sample that he at once bought a box.

Thanking you for the sample and the cure, I will recommend you to everybody. Yours respectfully, Julius Meyer, dealer in feathers, fashions and hosiery, Bedford, Ind.

Pyramid Pile Cure is for sale at every druggist's at 50 cents a box or, if you would like to try a sample first, you will receive one by return mail by sending your name and address to The Pyramid Drug Company, 59 Pyramid Building, Marshall, Mich.
