

Mrs. H. VON RODEN of LYNDON, KY.

Recommends Lydia E. Pinkham's Vegetable Compound for Backache, Nervousness, Headaches.

Lyndon, Ky.—"I have been taking Lydia E. Pinkham's Vegetable Compound for backache, neuralgia pains, backache, nervousness and a general run down condition of the system, and am entirely relieved of these troubles. I recommend your remedies to my friends and give you permission to publish what I write."

When a woman like Mrs. Von Roden is generous enough to write such a letter as the above for publication, she should at least be given credit for a sincere desire to help other suffering women, for we assure you there is no other reason why she should court such publicity.

Canadian Woman's Experience: Windsor, Ont.—"The birth of my first child left me a wreck with terrible weak-

spells, but I am glad to tell you that I do not have those weak spells and I feel like a new woman since taking Lydia E. Pinkham's Vegetable Compound. I am now well and strong and can do my own housework. I do not take medicine of any kind. It was Lydia E. Pinkham's Vegetable Compound that restored me to health."

Mrs. ROBERT FAIRBAIN, 72 Parent Avenue, Windsor, Ontario.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Shortly before the departure of the Charlottetown train, a large number of the citizens, headed by the Summerside band in full, under Bandmaster Thomas Gallant, marched to the station, where several fitting songs were played, after which Mr. Higgins was bounced and again bounced, the band then played "God be with you till we meet again" and as the train pulled out three hearty cheers were given for the safe return of Private Higgins.—H.

—SHEEP INDUSTRY.—Prof Reid of the Department of Agriculture gave an able lecture in Abrams Village on Sheep Industry. The attendance was very fair and the lecture was an interesting one. The lecturer dwelt at some length on the various causes that had brought about the abandonment of the Sheep Industry on the Island. He explained clearly how most of these objections to sheep raising had now been removed and what good prospects there are now for sheep industry. The market this year was very promising, as there was a large demand in other countries for wool. He showed plainly how the supply would not meet demands by quoting the number of sheep in Canada as compared with the demand in France alone. He then went on to explain the method of growing wool and its advantage to the farmers. The wool when graded is paid according to its merits and hence better price on the whole is paid. The care of sheep was then taken up. The quantity fed to sheep, their surroundings, etc., these were all ably dealt with by the Professor. The speaker emphasized on the importance of good selections in breeding. The care of the lamb, and mother, and the food suitable to them was clearly shown. The lecture on the whole was very valuable and useful information was imparted to all. To all questions put to him the speaker answered very explicitly, showing his mastery knowledge of the subject.—M.

"CASCARETS" BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

BEST FOR LIVER AND BOWELS, BAD BREATH, BAD COLDS, SOUR STOMACH.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache. Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels. A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

ADDRESS AND PRESENTATION

The following letter was received by Serg. Cole of the No. 2 "Overseas" Siege Artillery. Accompanying the letter was a very substantial money present.

New London, P. E. I. Oct. 22, 1915.

Dear Allan:—Your friends in New London have not forgotten the sacrifice you are making on behalf of King and Country. It was our hope that you would visit us again before leaving for the front, but since you were unable to do so we wish by this letter to assure you of our deepest interest in your welfare. We remember that you were the first of our home boys to volunteer for Overseas Service. Our congratulatory Roll of Honour numbers eight, three having enlisted in the week.

We feel that you represent us in this war, that you are fighting our battles. We pray that God will keep you safe and sound, that He will give you strength and stay in the hour of battle, that you may be always courageous and strong and that you will come back to us to receive the welcome and the honour this is your due.

We trust that you will receive the accompanying gift as a token of our appreciation of your courage and the spirit that prompted you to become a "Soldier of the King."

Your sincere friends, A. J. MacLeod, D. Sutherland, N. Nicholson, P. MacEwen, J. MacEwen, Ed. MacEwen, Mrs. Wm. MacEwen.

Cabinet Disapproves Greek King's Visit To Saloniki

ROME, Oct. 26.—The forthcoming visit of the King of Greece to Saloniki, where he will probably assume command of the army, is strongly disapproved by his Cabinet. This has led to a report that a ministerial crisis is imminent, for efforts are now being made to persuade the King to abandon the visit. The Queen is likewise using her influence toward this direction on the ground that the King's life might be endangered at Saloniki. Constantine, however, is asserting his own will. He decides

his place is at the head of the army to defend Greece's territorial integrity, should this prove necessary.

Battles are Won Before a Shot is Fired!

YOUR battle—for good clothes at an honest price—was fought and won by the English & Scotch Woollen Co. before the doors of our first store were open. We planned our campaign with the same care and foresight that wins victory for the Commander of a great Army—and WE HAVE WON.

The net result of our campaign is that you can now buy a Suit or Overcoat—made to your measure—for \$15, that, a few years ago, would have cost you \$45—and that to-day cannot be bought elsewhere—ready-made or made to order—for less than \$25 to \$35.

KEEP THIS IN MIND—All our fabrics are BRITISH WOOLLENS brought direct from the Mills and turned into garments by our Tailoring Service. Your battle is won by our "Mill-to-Man" plan.
