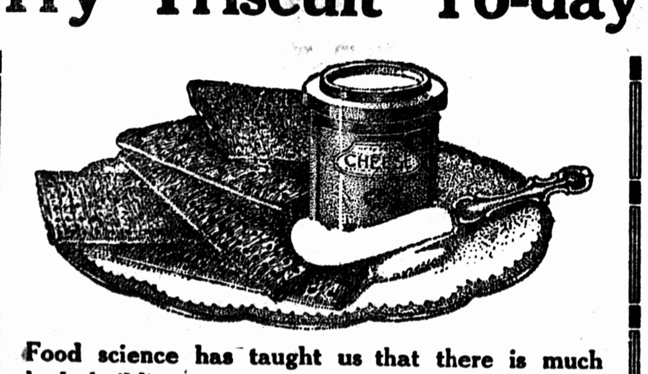
Try Triscuit To-day



Food science has taught us that there is much body-building nutriment in the whole wheat grain which we do not get in white flour. The only question is how to make the whole wheat grain digestible. That problem has been solved in the making of

TRISCUIT
The Shredded Whole Wheat Wafer

It is the whole wheat, steam-cooked, shredded, compressed into a wafer and baked—the maximum of nutriment in smallest bulk. Many people prefer it to ordinary bread toast. MONDAY

LAID TO REST. — The remains of the late Mr. Edward Caswell were laid to rest on Friday afternoon in the People's Cemetery. The funeral took place at 2.45 and was exceptionally largely attended and the floral tributes were many and beautiful. The funeral service at St. Paul's Church was conducted by Rev. T. D. Murphy, assisted by Rev. D. Jones. The following were the pall bearer:Messrs. John Currie, T. L Smith, Supt. McEwen, Neil McNevin, E. Acorn, R. Meekle.

THE DIVERS.—It is not often that the interesting spectacle—divers at their work—is seen about the wharves of Charlottetown; but on Good Friday, in the morning and the afternoon two divers were seen actively engaged in diving near the marine Wharf, endeavoring to reclaim some freight which had been lost through an accident, while the Minto was being discharged at this port last Wednesday. The gang-plank, on which the cargo is taken from the steamer to the wharf slipped and about ten barrels of pork and several cases of condensed milk fell overboard and went to the bottom. The divers were brought here from Pictou by the Labor Union. On Friday they were successful in recovering three barrels of pork. Yesterday they worked for an hour and a half and brought up one of condensed milk.

TUESDAY

A DOUBLE BEREAVEMENT. — Very sad indeed are the circumstances connected with the death of Mrs. Frank Mutch aged 57, of Earnscliffe who died on Wednesday after a short illness of pneumonia. She had been attending a neighbor who was ill with the measles, and contracted a cold which developed into pneumonia On Thursday her 14 year old daughter, Queenie Alexandra, who contracted the measles, passed away. Much sympathy is felt for Mr. Mutch and the other members of his family, which includes five daughters and two sons. The double funeral will take place on the arrival of deceased's daughter, who is expected home from Calgary on Wednesday.

ACCIDENT AVERTED.—What might have been a serious accident was narrowly averted on Saturday morning last, when Mr. Joseph Barrett, sectionman, Glenroy, was going over the line. About an hour before the trains were due he came upon a broken rail about a quarter of a mile east from Scotchfort station. Upon seeing it he hastened back to Mount Stewart, where the other men were working and taking the necessary equipment they went down and secured it just in time to let the train pass the place where it was broken, which was on a dump about twenty feet high and on a very sharp curve, where if a train run off there would certainly have been a serious accident.—S.

But Lydia E. Pinkham's Vegetable Compound Restored Mrs. Bradley's Health—Her Own Statement.

Winnipeg, Canada. — "Eleven years ago I went to the Victoria Hospital, Montreal, suffering with a growth. The doctors said it was a tumor and could not be removed as it would cause instant death. "After I came home I saw your advertisement in the paper, and commenced taking Lydia E. Pinkham's Vegetable Compound. I took it constantly for two years, and still take it at times, and both my husband and myself claim that it was the means of saving my life. I highly recommend it to suffering women."—Mrs. ORILLA BRADLEY, 284 Johnson Ave., Winnipeg, Manitoba, Can.

SUDDEN DEATH.—A telegram arrived in Charlottetown yesterday announcing the sudden and unexpected death in Rockville Conn., on Saturday April 11th of Herbert Sheldon, eldest son of Mr. and Mrs. Charles Sheldon of Mill View. Deceased was in the 50th year and leaves to mourn besides his aged perents, three sisters and five brothers ,—Mrs. Wm. Ridgway and Mrs. Bessie Vickerson of Dorchester, Mass. and Miss Margaret at home, Ernest, Winnipeg, Charles W., Norman, and Emerson of Mill View and George of Boston, who is on his way home with the remains Funeral notice later.

SERIOUS CONDITION.— Mr. John Hughes. Dromore is at present staying at the Ross Hotel, Mt. Stewart, at present under the care of Dr. Toombs. About two weeks ago Mr. Hughes while at his work, got his foot injured, and after much suffering he consulted the doctor who found it necessary to amputate the great toe. While this wound was healing nicely, the other foot, having to bear the whole weight of the body became seriously strained causing ulceration at the ankle so that Doctors Toombs and Walsh found it necessary to perform the second operation. Much sympathy is felt with Mr. Hughes in his suffering.—L.

ATTEMPTED ROBBERY.— What looks like an attempt at robbery was made on Sunday night or Monday morning on the store of Mr. John McKenna, vendor, Charlottetown. The policemen on their rounds found a window in the door of the shop broken and a spring lock, which was alongside the window, open. It is thought that the robbers had broken the glass by throwing a brick through it. Likely thinking there was only the spring lock on the door they thought it would be an easy matter to get in. But on finding that there was a second and much more difficult lock to open they evidently abandoned their project, as nothing was missed from the store. A shed in the yard of the Bishop's Palace containing the stores of the John Mitcalf Co., was also broken into on the same night.

POLICE COURT.—At the Police Court in Charlottetown yesterday before Acting Stipendiary Magistrate, Mr. C. R. Smallwood, the case of W. J. Brown, for a first infraction of the Prohibition Act came up for hearing. Mr. W. E. Bentley, K. C., who appeared for the Prosecution, explained to the Court that the case had been adjourned many times for over a month past, so that a witness named Rodd might be located and give evidence. Mr. Brown had volunteered to go on the stand when the case first came up and take oath that he did not sell to Rodd or to anyone else, between the dates mentioned in the information. Mr. Bentley at first agreed to allow Mr. Brown to do this but on reconsidering the matter he thought it would be more satisfactory for all concerned if the desired witness had Mr. Brown honorably acquitted. Everything had been done to locate Rodd but without avail, consequently he thought the case ought to be dismissed. His Honor agreed with Mr. Bentley and dismissed the case. The Prohibition case against Katherine Offer was further adjourned for a week. One drunk, Wm. Stewart, was fined $2 or 10 days.

NEW ORGANIST.—Zion Church has been fortunate in securing the services of Mr. Fred E. Colwell, formerly of this province and well known here, as their organist and choir master. Mr. Colwill comes from the Highland Congregational Church of Roxbury, Mass., highly recommended. Mrs. Colwill, who is a leading soprano in one of the Boston churches will be a great strength to the choir.

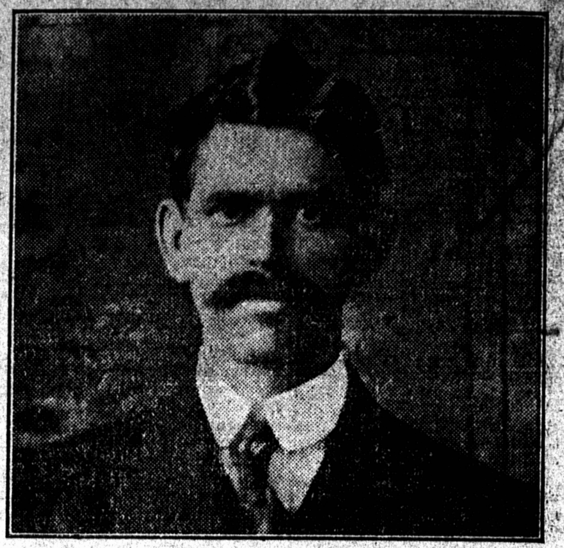
SUPERANUATED.—Messrs. John Henderson, T. L. Aitkin and John Ross, carpenters of the P. E. I. R., have retired on the Provident Fund. It is understood that Messrs. J. A. Griffith, car Inspector, and M. T. Riggs, Pipe Fitter, are to be superannuated on April 30th. All these men have had a long and faithful service. Messrs. Riggs, Aitkin and Ross, were in the employ of the Railway for over thirty years and will receive Long Service medals.

RECEIVES CALL. — Rev. H. T. Cousins, Ph. D., pastor at Newcastle Northumberland county, has received a very hearty call to the Anacosti Baptist church in the city of Washington (D. C.) He has decided to accept this call. His people at Newcastle feel badly over his going from them. Dr. and Mrs. Cousins, who have many friends in P. E. Island, have met with marked success on this field. Perhaps no pastorate in New Brunswick has advanced so rapidly in all that goes to mark church success as has this field. The church securing these devoted servants of God as pastor and pastor's wife can be congratulated.

THE LATE J. G. MUTCH.— The death of Mr. James Gordon Mutch, of Southport, which occurred at the P. E. I. Hospital on the 10th inst., at the comparatively early age of 29 years, has cast a deep gloom over the community where he lived. Mr. Mutch, a successful young farmer, had been ill but three weeks. He leaves to mourn his father, one brother Leslie at home and two sisters, Mrs. William McDonald of Glenfinnan and Mrs. Frank M. Stewart, of this city, and his widow (formerly Miss Prowse of Brackley Point Road) and a number of other relatives who have the deep sympathy of all in their bereavement. The funeral, which took place on Sunday from his father's residence to the Mt. Herbert cemetery, was one of the most largely attended seen in that district, where he was held in popular esteem. The services were conducted by Revs. E. S. Weeks, W. P. McVie and D. McLean.

SCREAMED WITH PAIN

Nearly Died With Kidney Trouble Until "Fruit-a-tives" Gave Welcome Relief and Completely Cured The Disease.



CHARLES CALVEART, Esq.

St. Thomas, Ont., April 1st., 1913

"In 1911, I was laid up with Kidney Trouble and not able to get out of my chair. The pain was excruciating and my screams could be heard in the street. I tried many different remedies without any results and I was steadily growing weaker. One day, a friend from Ottawa came in to see me and when he found me in such poor health, said he would send me a sample of "Fruit-a-tives," which he did and I commenced taking them. They did me good from the start and in a very short time I was up and around. "Fruit-a-tives" completely cured me and I have enjoyed the best of health ever since.

I would not have any other remedy for Kidney Trouble and would strongly advise anyone suffering from this trouble to cure themselves with "Fruit-a-tives." CHARLES CALVEART

It is simply wonderful, the relief that "Fruit-a-tives" gives in Kidney and Bladder Troubles. In the great majority of cases of "acid urine," pain in the back, "kidney cramps" and Rheumatism, the kidneys are not actually diseased. They are merely overworked. That is, they are doing more than their share of the work of ridding the system of waste matter. In most cases of Kidney and Bladder Trouble, there is also Constipation and faulty Skin Action. "Fruit-a-tives" relieves the Kidney Trouble by correcting the action of the Bowels and Skin. This marvellous fruit medicine acts directly on the liver kidneys and skin, and is the only medicine in the world that does act on all three of these great eliminating organs. "Fruit-a-tives" will always cure Kidney Trouble when caused by poor skin action, constipation and acid indigestion. 50c. a box, 6 for $2.50, trial size 25c., at all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.
