HEALTHFUL COMFORT for YOUR HOME

THE ENTERPRISE CABINET HEATER is a distinctly new type of heating device based on the time-proven principle of warm air heating. It provides the circulation of warm, humidized air throughout the house—contributing to the health of those who enjoy its warmth and comfort. This type of heater possesses the heating advantages of the warm air furnace—the compactness and economy of the small size heater—the beauty and appropriateness of a fine piece of furniture.

Three years ago the Enterprise Cabinet Heater was introduced. Its success was immediate and lasting. In a very short time, hundreds of homes were equipped with Enterprise Cabinet Heaters. Today, we offer the Enterprise Cabinet Heater in its most modern form. Many improvements have been made—harsh lines are gone—design and construction perfected. This modern cabinet heater is no longer a stove in appearance, but a welcome addition to the beauty and comfort of any home.

The Enterprise Cabinet Heater operates on the same principle as the warm air furnace. Cold air is taken in at the bottom of the heater—warmed—humidized—and forced out through grilles at the top to circulate in every room of the house. The Enterprise Cabinet Heater is economical to operate—burning less fuel than most ordinary stoves and providing much more heat.

There are several types and styles of Enterprise Cabinet Heaters for wood or coal burning—all attractively finished in grained mahogany enamel, oxidized copper or the standard black and nickel finish. Why not make an investment in real home comfort? Safeguard the health and well-being of your family. Increase the value of your house by installing an efficient heating plant.

Mail coupon today! It brings you complete information about the many desirable features on the new Enterprise Cabinet Heaters. *This does not obligate you in any way.*

DANCE IN ST. TERESA'S School Monday, Oct. 20th. 7680-10-18-11

"THE BEST PRODUCTION I have ever seen," was the verdict of a gentleman on purchasing a copy of "The Golden Future of Prince Edward Island." 10-18-11

PROFITABLE SALE—The Charlottetown Auxiliary of the Protestant Orphanage held a very successful rummage sale in the Nash Show Rooms on Thursday, October 18th. The sum of about \$275 was realized.

"THE GOLDEN FUTURE" IS IN GREAT DEMAND. A merchant bought one copy yesterday and immediately sent for an additional 100. Another merchant visited the office saw a copy, and took 50 with him. 10-18-11

There were good audiences at all three meetings and the Charlotte-town speakers who presented the Hospital's case came back with the feeling that Caledonia, Belle River and Murray Harbor North would acquire themselves creditably in the fund raising movement.

The orators and entertainers were as follows: Caledonia, Dr. C. C. Archibald and the Rev. Mr. Brown; those giving a musical program were Miss Pearl Johnson, reading, Mrs. Lee Warren, solo, Miss Jean Fraser, pianist, At Belle River, the speakers were Mr. W. K. Rogers, Chairman Memorial Committee, and Dr. J. W. McKenzie; entertainers were Miss Lillian McKenzie, pianist, Mrs. Roy Cudmore, solo, Miss Mary Sinclair, reading, Mr. G. Fitzgerald, saxophone, and Miss Berna Heustis, solo. In Cambridge speakers setting forth the Hospital's appeal were Mr. W. F. Tidmarsh, executive chairman, and Dr. H. D. Johnson; entertainers were Miss Marion McLennan, reading, Miss Cora McEachern, solo and Miss Florence Platts, pianist.

Announcements of further meetings will be found in the local columns of

IN MEMORIAM

Quite a gloom was cast over the village of St. Peter's on Sept. 19th when it was learned that Mrs. Angus McAulay one of its oldest residents had passed away in the early hours of the morning fully fortified by the Conoling Sacraments of Holy Church. Although her death was not unexpected yet when one who had lived there almost all her life (93 years) the evening of that tie with "The Happy Past" must cause profound sorrow.

She was in her usual good health to within two months of her death with faculties unimpaired she would converse as intelligently as one much younger, and in the summer season she enjoyed her place on the front porch which was quite near the main highway, here she would recognize any of her acquaintances who chanced to go by and thus she and they passed many pleasant hours.

She was tenderly cared for by her daughter-in-law Mrs. John A. McAulay and her own daughter Florrie who leaving a lucrative position in Boston hastened home to be with her mother during her last illness.

She was predeceased by her husband and two sons Mrs. Finlay (Florrie) being the only member of the family remaining to cherish the memory of a kind and loving mother. Her funeral which was largely attended was held on Sunday afternoon Sept. 21 and the presence of so many including friends from distant parts of the Province, testified to the esteem in which the deceased was held. The services at the Church and grave were conducted by her pastor Rev. A. McAulay. The pall bearers were: Joseph McMillan, Joseph Morrison, H. D. McKenzie, J. J. McKinnon, Bon. O'Hanley and Frank Curran.

The following sent Mass Cards:
 Rev. E. L. Cormally, Mr. and Mrs. Dan O'Hanley, F. D. McKenzie Mrs. Mr. and Mrs. F. D. McKenzie Mrs.

HEAD HURT?

WORK won't wait for a headache to wear off. Don't look for sympathy at such times, but get some Aspirin. It never fails.

Don't be a chronic sufferer from headaches, or any other pain. See a doctor and get at the cause. Meantime, don't play martyr. There's always quick comfort in Aspirin. It never does any harm. Isn't it foolish to suffer any needless pain? It may be only a simple headache, or it may be neuralgia or neuritis, Rheumatism, Lumbago. Aspirin is still the sensible thing to take. There is hardly any ache or pain these tablets can't relieve; they are a great comfort to women who suffer periodically; they are

always to be relied on for breaking up colds.

Buy the box that says Aspirin and has Genuine printed in red. Genuine Aspirin tablets do not depress the heart. All druggists.
