

Carpenters' Kidneys.

Carpentering is not an easy trade. The constant reaching up and down, the lifting and stooping over are all severe strains on the kidneys. No wonder, then, a carpenter exclaimed, recently, that every time he drove a nail it seemed as though he was piercing his own back. He uses **DOAN'S Kidney Pills** now on the first sign of Backache and is able to follow his trade with comfort and profit.

"I have had kidney and urinary troubles for more than three years with severe pain in the small of my back and sides. I could not sleep without difficulty, and I had severe neuralgic pain in both temples. Seeing the advertisement of Doan's Kidney Pills, I got a box, they gave me much relief, removing the pain from the back and sides, and banishing the neuralgic pains from my head. The urinary difficulty is now entirely gone, I feel fresh and vigorous in the mornings, and am much stronger in every way since taking these pills." **CLARENCE S. SKEDS, Carpenter and Builder, Trenton, Ont.**

Mrs. Comfort Happy.

Once she was sick but now she is well, and consequently well pleased.

The joy of being well! How few of us fully appreciate the greatness of the blessing of good health till we have lost it then we look longingly backward to the good days when we knew not what illness meant.

The stomach is perhaps responsible for more of these sad awakenings than any other one organ of the body. Generally it is our stomach and digestive organs that suffer most from our careless living. We eat and drink without care, never thinking indeed that we have a stomach, till at last this poor weary organ rebels, and we are notified by distress and pain that we must be careful.

Very few of us know even then just what we should do. Some resort to laxatives and noxious bitter and offensive doses that upset rather than correct the digestive apparatus. The only fact that should never be lost sight of is that the trouble is Stomach Tiredness. If we can give it rest and a consequent opportunity for recuperation in a natural way, we will have done all that a human agency can do to remove the cause of our illness and thus to regain our good health.

Mrs. Martha Comfort, of Mount Pleasant village, Quebec, suffered long and severely with Dyspepsia often enduring the most intense pain. She heard of Dodd's Dyspepsia Tablets and used three boxes before she was completely restored to good health. Her joy at the effectual and prompt way in which this prompted her knows no bounds, and has prompted her to make a public statement of the facts of the case.

Mrs. Comfort's story may be a guide to some other suffering one. What cured her is surely worth trying, and as the theory on which Dodd's Dyspepsia Tablets is compounded is that the stomach needs rest, they seem to begin at the root of the trouble in a simple natural way.

It's Easy To Cure A Cold!

The method consists in using rational cure and applying it before the cold gets too far advanced. Even when a cold is at its worst a rational cure will do its work. But not so quickly as if used in an early stage. Of all cures

'PARK'S PERFECT EMULSION

is a most rational. All Emulsions are good, but Park's Perfect is the best; for it contains Guaiacol. Ask your druggist if Guaiacol isn't a good addition to an Emulsion. He will say "Yes!" Price 50c. a Bottle, of all Druggists.
