This week he visited Mount Wellington, Mill View, North Pinnac, Capoten, Belle River, Flat River, South Pinnac, Mount Herbert and Buxton. In a number of these schools considerable progress has been made since the last visit. Ventilation and cleanliness of the school room are receiving more attention than heretofore. The percentage of attendance considering the unfavorable weather, is unusually satisfactory. The trustees in most cases have been prompt and diligent in the discharge of their duties. There are, however, a few indifferent ones who are satisfied to let the school look after itself, much to the discomfort of teachers and scholars. No cases of contagious...

A BIG FOX PROPOSITION - The advertisement of the Sovereign Silver or Black Fox Company, Limited, the latest large fox company launched in the province, appears in this issue and will at once appeal to those who are investors as a most promising fox venture. Both the promoters and the foxes are "to the manor born." Dr. Dalton, chairman of the Board of Directors being a son of Hon. Charles Dalton, one of the Island fox men; Mr. Callaghan, President and Manager, a prominent and successful fox breeder and favorably known in business, political and social circles. The large capitalization of the company, the favorable location of the ranch, the high character of the men who are promoting the company and last, but not least, the splendid breeding of the foxes, which are of the best fox families in the world, give assurance of an abundant measure of the success that has made Prince Edward Island fox ranching the phenomenal industry that it is at present. The Guardian commends this company and its prospects to its readers.

PRINCE EDWARD THEATRE - The Prince Edward Theatre was crowded last evening, the irresistible attraction being an immense comedy in two acts, "Beauty Undressed," one of the funniest and most humorous pictures ever produced. The play was exciting - there can be no other description - in its humor, and a restraint on the risible inclination of even the sedatest old woman was nothing short of an impossibility. It was acted in perfect manner by all-star artists, amongst them being those popular characters Sydney Drew, Clara Kimball Young, Ethel Lloyd and James Young. The ludicrous plight of two hapless adventures who suffered the indignity and loss of their hair, teeth and sundry other mortal attributes (all false) was provokingly funny, and the house was in a continuous roar of laughter. It was a high, successful play, and the management undoubtedly did a wise thing in securing the film, "Her Husband's Experiment," a showing how a few words on the head a gentleman's ambitions intentions towards "testing his wife," was also very good. In pleasant and welcome contrast to these pictures was "Jerusalem and the Holy Land," a beautiful study of Palestine, including street life in Jerusalem, the Church of the Holy Sepulchre, the Garden of Gethsemane, the Mosque of the Faithful, Bethlehem, the River of Jordan, the Dead Sea, Jericho and the Sea of Galilee. This was a pretty, picturesque film, which could not but appeal strongly to any student of biblical history - indeed, any sober-minded person. "The Stolen Heart" was an excellent Selig drama, the story of which centres around the endeavor to discover the heroine's identity. The songs, as usual, were very much appreciated. A new departure inaugurated by Mr. Shotton at the Prince Edward has proved very popular. This consists of the reproduction on the screen of photographs of local scenes and events of the same day. On Thursday the series of views included the finish of one of the ice races and groups of well known citizens amongst the spectators. These views are taken by Mr. Shotton personally and developed by the Cook studio. Another popular series which appeals to all patriotic Canadians are photographs of leading Imperial heroes, statesmen and others. This last met with an enthusiastic reception last night, and will be repeated tonight.

MEETING - A full meeting of the committee men and workers for Alex House will be held in the committee rooms at 8 o'clock.
