Where IS this war?

Pearl Harbour, 3,400 miles from Japan, knows.

Norwegians and Aleuts in the frozen Arctic know.

In Java and New Guinea and Madagascar, they know.

If you think this war is thousands of miles from here speak to the mothers and wives and children of men whose lives were lost by enemy action in our St. Lawrence or within sight of our Atlantic shore.

Some people DO realize that this is a world war likely to strike anywhere, even here—anytime!

Some men in factories, stores, offices don't intend to be helpless and useless if war should strike here. They are training two evenings a week with the Reserve Army learning what to do to defend their homes and families if attacked—even though that means having to do "double service."

THE GLOBAL NATURE OF THIS WAR IS A DIRECT CHALLENGE TO YOU!

Be prepared to do your share in any eventuality.

Serve with the RESERVE ARMY

Reserve Army Wants 250 Men at Once

Two hundred and fifty young men to middle aged men are required to fill the units of the Reserve Army in Charlottetown. There are only six days to complete the job, but it should be easy for this city and surrounding parts which have a population of upwards of eighteen thousand. There are hundreds, yes perhaps thousands of men who are not connected with any military organization, A. R. P. or fire departments who can spare the time and energy to fit themselves for the defense of their home land. The campaign lasts just six days. In other words it will close on Saturday night, June 6, and let it not be said that we have fallen down. In all our other undertakings of a military, or naval, or air-force nature, our war loans and patriotic endeavors, this city and province has been in the forefront.

Those in charge of this campaign are confident that the same will be true in this case. Those joining up have the choice to train in the following units:

17TH ARMORED REGIMENT.

204TH BATTERY FIELD ARTILLERY.

6TH DISTRICT SIGNALS CORPS.

17TH ARMY SERVICE CORPS.

All these units offer attractive possibilities for training. The course of instruction will develop intelligence, improve military bearing, build up physically, and imbue the trainee with a sense of discipline that will be of benefit all his life. DON'T HESITATE, JOIN UP TODAY. Visit headquarters at the Armouries or uptown headquarters, Kent Street, or see any officer or member of the Reserve Army.

Sea View and Vicinity

The heavy rain which fell Thursday although it held up farming operations did a great amount of good to the land which had become so dry and baked on the surface. The farmers have been busy with their seeding and a number have their cobbler potatoes planted. Others who were ready to plant have been waiting on a supply of fertilizer which apparently is hard to get.

James E. Murphy of the R.C.N.V.R. is spending a pleasant furlough with his wife and family at Park Corner.

Mrs. Minnie Campbell was a recent visitor to Sea View and spent a pleasant visit the guest of Mrs. John E. Campbell.

Mr. and Mrs. Walter Bearisto and daughter Mary, of Charlottetown spent the week-end in Sea View the guests of Mr. and Mrs. Earle McKay.

Many friends in this community were indeed sorry to learn of the passing of Mr. Michael Brennan at his home in Spring Valley, in the prime of his manhood at the age of 49 years. Mr. Brennan had been a sufferer for a number of months and his sufferings were all bourne with great patience and submission to the Divine will. The funeral service was held on Thursday morning and in spite of the heavy rainstorm a large number of friends attended. The service was conducted by Rev. Father Trainor and interment was in the adjoining cemetery of St. Mary's church, Indian River. Sympathy is extended to his sorrowing widow and family as they mourn the loss of a loving husband and father.

The illness of pneumonia of Mr. W. S. Crozier at his home in Darnley is causing his friends much concern.

Several residents of Darnley were visitors to French River on Monday evening to a reception held by the people of French River in honor of Mr. and Mrs. John Bearisto and family who had recently taken up residence there. When all the guests had arrived Mr. Samuel Bernard was appointed chairman and made a few fitting remarks, after which the guests of honor were presented with an address and a purse containing a neat sum of money. Mr. Bearisto though completely surprised, expressed his thanks on behalf of Mrs. Bearisto and himself for their kind thoughtfulness in remembering them at this time, all then joined in singing "For he's a jolly good fellow". The remainder of the evening was pleasantly spent in music and social intercourse, after which a delicious lunch was served by the ladies and a pleasant evening was enjoyed.

Miss Louise McKay Summerside, is spending a pleasant visit at her old home in Darnley.

A pleasant evening was spent in Darnley hall under the auspices of the Darnley W. I. In spite of the unpleasant weather there was a good gathering. Mr. Frank McNutt was appointed chairman and after a few fitting remarks the following program was well rendered: Chorus, O Canada; instrumental music, Darnley orchestra; duet Esther McKay and Carl Crozier with guitar accompaniment; reading, Mrs. Fulton Simmons; duet, Mrs. MacGregor and Mrs. Hickey; reading, Mrs. Harry Crozier; solo, Elmer Hickey; duet, Mrs. MacGregor and Jean McKay; pageant, by several Institute members. An interesting number on the program was the drawing of a beautiful quilt which had been donated by some of the Institute members. It was found when drawing that Mrs. Sandy Champion held the lucky ticket which she received amid great applause. A sale of pies and bazaar goods followed and a handsome sum was realized. All then joined in singing God Save the King. The hearty applause following the numbers on the program spoke of the appreciation of the audience.

Mrs. Harry Brander, Charlottetown, was a recent visitor to Burlington and spent a pleasant visit with friends.

Ellsworth Bernard of the P.E.I. Highlanders spent a few days furlough recently with friends in Baltic and Kensington.

A large number of friends from Malpeque and Baltic gathered at Malpeque hall on Friday evening to tender a farewell reception to Pte. Sterling Clark who was spending a short furlough at his home in Baltic. When all had arrived Mr. William Burns was appointed chairman and in a few well chosen remarks explained the nature of the gathering, after which a nicely worded address was read by Mr. Keir Crafer and the presentation of a beautiful signet ring was made by Mr. Maynard Bryenton on behalf of all present. Mr. Clark expressed his thanks in an appreciative manner and all joined in singing "For he's a jolly good fellow." The remainder of the evening was spent in dancing music being furnished by Messrs. Alonzo Holmes, Billie Woodside, Allan Hickey and Eddie Matthews.—V.

100 AND FEARLESS

CHEAM, England - (CP) - Mrs Ellen Hodgins of this Surrey village died at the age of 100. During the period of heavy German air raids she would never go into a shelter and used to say "let them bang away".

Says "Good-bye" To Prices Board

Hon. G. H. Barbour, Prices and Supply Representative of the Wartime Prices and Trade Board since October last, officially said "good-bye" to the Regional Board Office last evening and will now devote his full time to his recently acquired portfolio of Minister of Public Works and Highways in this Province.

On the occasion of his departure he was waited on by the staff of the local office and presented with a brief case as a token of the esteem in which he was held by those who worked with him for the past seven months. Reference to the cordial relations which existed between Mr. Barbour and his staff and best wishes for his future success were contained in short addresses by those present.

As yet Mr. Barbour's successor has not been named but Mr. T. G. Ives is acting as Prices and Supply Representative.

SHERBROOKE W. I.

On Thursday afternoon Mrs. Brewer Linkletter entertained the Sherbrooke Women's Institute.

Meeting opened with the Ode and Creed in unison. The minutes and financial statement of the previous meeting were read and approved. Proceeds from sale of lunches at concert amounted to $15.00. A donation of 3 quilts from Mrs. Leonard Pickering was acknowledged and a letter of appreciation is to be forwarded expressing the thanks of the institute for her generous contribution.

Plans were made for the quilting of 3 more quilts before next meeting, 1 quilt was handed in.

A committee volunteered to finish the afghan knit by the school children during the winter.

The school committee reported that all requirements for the month had been supplied. The sick committee reported 2 calls made.

The President in a few well chosen remarks paid fitting tribute to a member, Mrs. Norman Johnstone who had been called from this life so suddenly.

Roll Call was answered by a Mother's Day Verse. 15 members present. Roll Call for next meeting is "Do's and Don'ts" for institute members.

During the social half-hour refreshments were served by the hostesses assisted by Mrs. Frank Townsend.

Next meeting is to be held at the home of Mrs. George Harris.

LONG RIVER W. I.

On Tuesday evening May 18, Mrs. Hedley Paynter was hostess to members of Long River W. I. Owing to the absence of the president and vice-president, Mrs. Heath Campbell was appointed to act as president. Meeting opened by singing Ode and repeating Creed in unison. Twelve members and three visitors responded to roll call, minutes of last meeting also of special meeting were read and approved. Reports of different committees was then given and new committees were appointed as follows:— Sick—Mrs. W. I. Profitt, Mrs. Nelson MacLeod, Miss Elva MacKay. School—Mrs. Ernest Dunning and Mrs. Alton Bell. Programme — Mrs. James Bernard and Mrs. Hedley Paynter. Correspondence was read by Secretary and several copies of Institute Cook Book was asked for. Mrs. Bruce Bell, very kindly invited the members to her home for next meeting. Roll call to be answered by a "War-time Receipt." Program consisted of two contests. Meeting closed by singing "The King", after which lunch was served and a social period enjoyed. Red Cross Report:— 3 large quilts, 8 pairs grey socks, 3 pairs seamen's gloves, 2 helmets, 1 pair boys golf hose, 3 pairs seamen's long socks, 4 child's dresses, 3 pairs panties.

What could you do if we were attacked?

If an enemy raiding force landed near your home you'd want to fight back . . . but, how would you go about it?

Could you lay a gun on a landing barge or on an aircraft?

Would you be able to operate or quickly repair a machine gun?

What would you do if your child were sprayed with deadly lewisite gas that blisters and burns?

Without the necessary knowledge and proper training you'd be a great hindrance to those who knew what to do and how to do it.

Candidly, now, don't you think you should devote a few hours a week training to effectively defend your home and family in an emergency? Most certainly!
