Severe Pains In Back and Hips.

Mr. James Clark, Consequon, Prince Edward County, Ont., states:—"Eleven years ago I was taken with pains in my back, settling in my hips and extending up my spine. The pain was very severe, and at times almost unendurable, and many days I was not able to do an hour's work. Though I had consulted many first-class physicians and tried several advertised medicines, I could get no relief. "At this time my father-in-law told me to try Dr. Chase's Kidney-Liver Pills, and said he knew they would cure me. I secured one box and great was my surprise when I began to feel better. I continued their use until I had taken about four boxes, which made me a sound man. I have recommended them to a number of my friends and have never met with one case where they did not meet with good success. My daughter, Mrs. Chas. Phillips, has also been cured of a severe stomach trouble by the use of these pills. One pill a dose. 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto, Ont.

N. B. and P. E. I. Conference.—All ministers who intend attending the Conference at Marysville, will kindly notify A. Rowley, Esq. Chairman of Committee on Homes.—W. G. Hay, Sec.—Wesleyan.

Quite a pleasant gathering of the members and friends of the Summerside Baptist Church met at the home of their pastor, Rev. E. P. Calder, on Thursday evening the 18th inst. to extend to him and his worthy partner a hearty welcome to their church and home. The success of the evening's entertainment is largely due to the young ladies of the church, who were instrumental in providing refreshments and entertainment which made the evening pass enjoyably and pleasantly.

Rev. Father Boudreau, Egmont Bay, celebrated the 25th anniversary of his ordination on Thursday. A large number of people joined in the jubilee celebration and made the affair very enjoyable, the church, church grounds and village being gaily decorated for the occasion. A solemn mass of thanksgiving was celebrated by the jubilarian himself assisted by a number of other priests. Among the many gifts received was a purse containing \$2.00 and numerous pieces of silverware. During the evening fireworks were exhibited and the village presented a fair-like appearance.

SOME Summerside lovers of music are agitating for weekly or semi-weekly band concerts on the public square during the summer months but no definite move has yet been made. If the town council does not feel inclined to expend money for these concerts there is one other way by which sufficient funds could be raised and that by private subscription. This was done a few years ago and little trouble was found in getting citizens to subscribe. We are now being favored with fine evenings and time for some one to take the initiative has arrived. Tourists will soon be flocking to our Province and Summerside should not let them go away with any bad impression of our town.

Great Victory.

BARNABY RIVER, N. B. Mar.—Few cases of illness and recovery have excited the interest in this community, as has the kidney trouble of Mr. Cornelius Crotchie.

Mr. Crotchie's treatment by the doctors at home and in the hospital, and the fact that they absolutely gave him up as a case beyond all hope, is well known. His subsequent restoration by the use of Dodd's Kidney Pills reads like a miracle. "For five years I have suffered off and on with kidney trouble. Last fall I had an attack, for which the doctors had little hope of my recovery. I was obliged to go to the hospital for treatment, but it did me no good, so I came home given up by the doctors. A friend suggested Dodd's Kidney Pills. From the first box I improved. Now I am at my work every day."

CLOTHES THAT FIT.

Shorey Ready Tailored Clothing fits when it is new, and until it is worn out. This is because the lining, the pockets, the parts where the most stain comes, are reinforced in a way that insures perfect wear. "Made to fit" not made to order is a common remark about Shorey Clothing. Why should you go elsewhere and take chances when we can give you certainty. How about the spring clothes?

SOLID COMFORT

When selecting the comforts of life you should take no chances. You don't if you ride a Cushion Frame Bicycle....

The cushion frame idea has brought back to cycling thousands of riders who had formerly given up the pastime owing to fatigue entailed. It must be pretty good to do that. For health and pleasure it is indispensable. Examine this feature at your nearest agent; it costs nothing to do so. Can be had in connection with Cleveland, Brantford, Massey Harris and Welland Vale Bicycles.
