FORMERLY OWNED BY LIP-TON.—The tug "Cruizer," which arrived here a few days ago from Louisburg in tow of the barge Laugan, is twenty years old. She was first owned by Sir Thomas Lip-ton, the famous tea magnate and yachtsman. At that time she was known as the "Flying Buzzard" and was used by Sir Thomas to accompany his yacht. She was afterwards sold to the C. P. R. and later to Charles Brister & Sons, of Halifax, the present owners. The "Cruizer" is very powerfully built. She is 150 feet long, of 300 tons register and her engines are of 127 horse power. She has made the trip around Cape Horn a number of times and towed the largest barge ever brought into an English port. The Laugan, the barge with coal which she towed, has also something of a history. She is an iron vessel of 1221 tons and is 43 years old, being formerly a full-rigged ship in the emigrant trade. The "Cruizer" and the Laugan are each commanded by a Captain Harris, both being brothers.

CORNWALL SCHOOL CONCERT.—The Cornwall School gave their Annual Concert before an appreciative audience on Saturday 18th inst. The numbers given by outside talent were fully up to the standard, the violin solos by Mr. John Campbell a former pupil being deserving of special mention. He was accompanied on the organ by Mrs. Everett Holmes, Kingston. Mr. Campbell to the regret of the whole community leaves shortly for the United States where the family intend to reside. WHIST PARTY.—On November 22nd the home of Mr. Joseph J. T. Richard, Mt. Carmel, was the scene of an enjoyable whist party. Nine tables were provided for and placed at the disposition of the players. No invitations having been declined all places were filled to the hour of seven. Play continued until 10:30 p. m. when all tickets were brought forth and points added. The results were Mr. Ben Poirier 76 points, 2nd prize won equally by Mr. Andrew Gallant and Mr. Malgloire Gallant awarded to Mr. Andrew Gallant by lot being drawn. TO SUPPLY AN ANCHOR.—The big tug "Cruizer" owned by Chas. Brister & Sons, Halifax, which arrived here last week in tow of the barge Laugan, from Louisburg, C. B., with 1800 tons of coal, sails early this morning for Summerside. She goes there for the purpose of supplying an anchor for the barge "King Malcolm," also owned by Charles Brister & Sons. It appears that the "King Malcolm" which is being towed from Charlottetown to Louisburg by the tug "Mulgrava" parted her chains while moored off Summerside yesterday morning and drifted into the flats. She was pulled off by her tug and word was sent to Charlottetown notifying the Captain of the Company's tug here of the loss of the anchor. It was decided to take an anchor from the Laugan. After delivering it the "Cruizer" will return to Charlottetown.

Summerside, P. E. I., Nov. 14th, 1916
Dear Brother Members:—
Once more the joyous Xmas season approaches, but like that of previous years brings many changes. From our A. O. H. Circle are missing the faces of several of our devoted members, but none have gone for a more worthy cause than yourselves and although we cherish fond memories for all of our brave island boys, yet there are special thoughts for those whom we have had in our midst, especially in society matters. The Ladies of the Auxiliary of the A. O. H. are sending a box of "Goodies", and although it may not be of immense size, still you can rest assured that large hearts are beating. Although it may only be a vision of former Xmas, may it bring back pleasant memories as it carries the very best wishes for island homes and friends.
On behalf of the L. A. A. O. H.,
Signed, Bertha Higgins, Ella Green, Nora McIntyre, Annie Cameron.

WEDDING ANNIVERSARY.—On Thursday, Nov. 16th, the home of Mr. and Mrs. Jerome Richard, Mt. Carmel, was the scene of a happy gathering at the occasion of the forty first anniversary of their wedding. The genial host and hostess having organized a whist party, a large number of friends, relatives and neighbors participated. Eight tables were set all of which were occupied. The aged couple were the recipients of many gifts presented by friends and relatives. Mr. and Mrs. Richard were further gratified by the fact that Mr. Joseph P. Arsenault their groomsman and bridesmaid of forty-one years ago were present, a feature which seldom prevails at a gathering of this kind. At 10:30 playing was discontinued and the prizes awarded as follows: 1st prize for the gentlemen awarded to Mr. Joseph A. Richard, 1st prize for the ladies awarded to Mrs. Annie Richard, and consolation prize to Mrs. Charles Arsenault. After the prizes had been awarded a very delicious supper was served to the guests immediately before which Mr. Joseph J. T. Richard, brother of the host addressed a few brief and interesting remarks appropriate to the occasion referring to the long years of happiness experienced by the happy couple and ended by wishing Mr. and Mrs. Richard many more winters during which happiness might lend a hand. The guests departed at the conclusion of the melodious strains of the National Hymn, "God Save the King."

There passed peacefully to rest at Albany, Lot 27 on Oct. 30th, 1916, Sophia, widow of the late Gilbert Ball in the 80th year of her age leaving a family of six sons and four daughters to mourn the loss of a kind and devoted mother, the funeral took place on Thursday the 2nd of November and was largely attended. The services at the house and grave being conducted by her nephew and pastor the Rev. James McDougall, the remains were laid to rest in the Kirk Cemetery at Cape Traverse, besides her late husband who predeceased her some eight years ago, the sympathy of all goes out to the bereaved family.

The death occurred at Morell Rear on Tuesday morning last of Mrs. Benj. Nicholas of that place. She was ill for some years when she came here from Restigouche. She grew worse and was confined to her bed ever since until the end came. Some years ago she used to conduct a boarding house for the summer tourists just opposite the Morell River. She was a woman of good character and enjoyed a large acquaintance around the Morell district. It is understood that her property and what money she had in the bank goes to Mrs. Simon Francis who cared for her during the three years of her illness.

After a long and painful illness which was borne with patience which can only be shown by the one who is strong in the faith of Jesus Christ, the spirit of Mrs. John Gillespie of Clyde River, returned to God who gave it, on November the 15th, 1916. She had reached the advance age of 85 years. Many years ago she professed her faith in the Saviour of mankind and never swerved in her allegiance to the King of Kings and in her last sickness waited patiently for the summons to bid adieu to all earthly things and pass into the mansions of the Redeemed to be forever with the Lord. Her maiden name was Matilda Young. She leaves to mourn their loss an aged husband and the following children, James, in Sask., John R. in N. B., Thomas in Califor-

nia, Richard in the Yukon, Frank in Alaska, George and William at home and Mrs. MacKinnon, Clyde River. The funeral which was very largely attended bore endurance of the respect in which she was held by the community in which she had resided for so many years. The funeral services were conducted by the Rev. D. MacLean and the body was laid to rest in the Presbyterian Cemetery at Clyde River. "Blessed are the dead who die in the Lord from henceforth; yea saith the Spirit that they may rest from their labors and their works do follow them."

Tuberculosis Rapidly Increasing Among Children of Belgium and Northern France.

More Food Urgently Needed to Keep up Their Strength

An interview with Mr. W. L. Honnold, American Director of the Belgian Relief Commission, brings to light a new danger threatening the population of the territory occupied by Germany. Mr. Honnold reports that about 5,000,000 wholly or partially destitute people, who have been dependent on the Commission, generally show diminished vitality. The effects are most apparent among the older children, particularly those in the adolescent stage. Among these there is an alarming increase of tuberculosis, due to the lower power of resistance consequent on an inadequate diet.

To overcome this serious danger, the Commission appeals for extra contributions so that a special meal can be served every day in the schools. Efforts are also being made to provide as far as possible for children outside the schools.

This can only be done—Belgium's children can only be saved—if every one of us who can possibly do so will give something toward the Fund. Whatever you can afford, send your subscription weekly, monthly or in one lump sum to Local or Provincial Committees, or
