Fall Is The Ideal Paint Season

Paint applied in the fall season lasts the longest, because the surface on which it is used is thoroughly dried out by the summer's hot sun, and the wood is in excellent condition. Paint applied in fall forms a very enamel-like tough surface that withstands the weatherman and looks like new for years to come.

Sherwin-Williams Ready Mixed House Paints Will Please You

This is the paint with a reputation. Sherwin-Williams Prepared paints have stood the hardest test for many years, and have yet to be found lacking in any of the essentials that go to make a first class article. A paint to be of superior value must have all ingredients of a very pure nature. Sherwin-Williams Paint is the outcome of more than a quarter of a century of close observation and hard study. Nothing but the purest of material used and no one but skilled workmen in the making. Sherwin-Williams Paint will cover 425 sq. feet of surface. Price per gallon \$2.50.

The parlor was tastefully decorated for the occasion. The bride was becomingly attired in a travelling suit of black hat and carried a beautiful bouquet of roses and maiden hair fern. A PRESENTATION.—At the "Davies" Tuesday evening Mr. E. Bruce Huggan was presented on the eve of his marriage, with a Morris chair, by his Majesty King George, draped with a Canadian flag, occupied the centre back ground of the stage. Each school girl taking part in the programme carried a miniature flag. The following is the musical programme hurriedly prepared with Miss McTague as accompanist:—Opening Remarks by the Chairman, Chorus, "O Canada", by sixteen school girls. Recitation, "Our Battle Hymn," Aileen Waish. Vocal Solo, "It's a Long Long Way to Tipperary," C. A. McDonald. Recitation, "The British Flag," Annie Grant. Vocal Solo, "The Homeland," Chas. McDonald. Reading, "The Patriot's Vision," Geo. Green. Chorus, "The Maple Leaf Forever," The School Girls. "God Save the King." Every number was heartily applauded by the audience and several received enthusiastic encores. At the conclusion of the programme over 300 took supper in the room below the hall. The snug sum of \$93.00 was realized made up as follows. Door receipts \$98.55, Ice-cream \$19.00 and sale of pies and cake \$5.45 all to be devoted to Red Cross Work.—L.

AN ACCIDENT.—An unfortunate and somewhat serious accident occurred at the Marine wharf yesterday morning when Mr. McKenzie, attached to one of the Government gasoline boats, got his head badly cut. While stepping from the boat on to the wharf he slipped and fell into the river, striking his head with considerable force against the steamer Brant, which was lying alongside the wharf at the time. Mr. McKenzie, chief officer of the steamer, who witnessed the incident, lost no time in getting the hapless man on to the wharf again. Mr. McKenzie, in an unconscious state, was taken to the P.E.I. Hospital and examined. He was found to be suffering from injuries to the head. On inquiry at the institution late yesterday it was ascertained that Mr. McKenzie's condition was considerably improved and that he might soon be well again. He was unconscious for a while, suffering from the effects of the water which he had swallowed.

THE PRINCE EDWARD.—On the whole, the programme of the Prince Edward Theatre last night, which was, needless to say, witnessed by crowded houses, was one of the best put on in Charlottetown for some time. The three-part photo-play was "Bransford in Arcadia," or "The Little Eohippus," in which a cowboy of bad repute, who is falsely accused of murdering a man, evading the law and regardless of social position, wins his benefactor and love. It is a drama laid in the West, with a nice love plot and literally full of thrilling situations. The two-part drama, "A Voice in the Wilderness," showed a disreputable man, a wife and husband of different temperaments and tastes and concluded when both parties, through circumstances shown in the course of the story, become separated and go back to live the life they desired. The acting in this production is of unusual excellence. "The Gateway of Regret" was a third drama in one act, in which a young woman of shameful parentage forgets the past and, being on the verge of death, lives for the sake of her fiancé. "A Dramatic Mistake" was just as advertised: "A laugh from start to finish."

WEDDING BELLS.—St. Patrick's Church was the scene of a quiet but pretty wedding on Tuesday, Sept. 22, at 7.30 a. m., when Miss Minnie E. Kelly, formerly of Charlottetown, P. E. I., and Mr. George L. Melnis, of St. Peter's Bay, P. E. I., were united in the holy bonds of matrimony in the presence of a large number of friends. Rev. Father Power performed the ceremony. The bride, who entered the church on the arm of Dr. T. A. Wilson, looked very charming in a cloth costume of old blue with touches of fur. She wore a white moire and black velvet hat trimmed with ostrich plumes, and carried a bouquet of cream roses. The bridesmaid, Miss May Fredrickson, was most becomingly gowned in old rose meteor silk. Her hat was of black velvet with white trimming, and she carried pink carnations. Mr. William J. McLaughan acted as best man. Miss Maud Fredrickson presided at the organ, and during the service violin solos were rendered by Mr. Cyril Fredrickson. The honeymoon being spent in Sound cities, and on their return the happy couple will reside at Shaughnessy Heights.—The Vancouver World Sept. 22th.—The happy bride is a daughter of Mr. Michael Kelly, of this city.

PROFITABLE CONCERT.—A most successful Red Cross Concert and Supper was held at Mt. Stewart by the Ladies Auxiliary of the Red Cross Society on Monday evening, Oct. 5th, when the time for opening had arrived the hall was well filled and in the rear many were obliged to stand. The hall was tastefully decorated with flags and a beautiful picture of His Majesty King George, draped with a Canadian flag, occupied the centre back ground of the stage. Each school girl taking part in the programme carried a miniature flag. The following is the musical programme hurriedly prepared with Miss McTague as accompanist:—Opening Remarks by the Chairman, Chorus, "O Canada", by sixteen school girls. THE LATE DAVID HOLMES.—On Sunday, Sept. 27th, at Regina, Sask., occurred the death of Mr. David Holmes, son of the late Mr. George Holmes, of Victoria, Prince Edward Island. The sad event was sudden and very unexpected. Ten days before, Mr. Holmes, in tending a planing machine, had the tips of three fingers cut severely, owing to the slipping of a board. The injury was promptly dressed and seemed to be progressing favourably. On Friday, the 25th, certain set in and, despite the best possible treatment in the Grey Nuns' Hospital, death ensued two days later. The funeral, on Thursday, Oct. 1st, was largely attended by his fellow-employees of the Regina Cartage Co., many Island friends and others, interment taking place in the Regina cemetery. The service was conducted by the Rev. R. J. McDonald, of Carmichael Presbyterian Church, which Mr. Holmes had attended. Beautiful wreaths from the Prince Edward Island Club and the Carmichael Young People's Club testified to the esteem in which he was held by his associates. The pallbearers were Messrs Colin Green, formerly of Chifton, P.E.I.; C. Tremain, Geo. Allan, A. Barnes, N. Barnes and W. Vanhuyen, all friends of the deceased. Mr. Holmes was a young man of fine physical appearance, well liked by those who knew him. Much sympathy is felt by his Regina friends for his widowed mother and sister.
