

You walk with her, you rock her, you give her sugar, you try all kinds of things!

But she coughs all through the long night, just the same!

No need spending another night this way. Just a dose or two of Ayer's Cherry Pectoral will soothe the throat, quiet the cough, insure a good night's rest.

Ask your doctor about the wisdom of your keeping this remedy in the house, ready for these night coughs of the children. Doctors have the formula. They know all about this medicine.

THE GUARDIAN LOCAL NEWS

Reporters and Correspondents Everywhere.

The new Agricultural College at Truro will be formally opened on Feb 14th.

ADVERTISERS are again reminded that all "changes" should be in this office not later than one p. m. to insure insertion, for following issue.

AMONG recent deaths in Boston is Mrs. Eleanor Jane McDonald aged 57 years, wife of John R. McDonald, formerly of Prince Edward Island.

News had been received from New York that Editor Bertram of the North Sydney Herald has just undergone an operation for serious face trouble. The famous Dr. Stewart, an expert in face troubles, a Nova Scotian, too, was the operating physician.

TEACHERS of the Eastern Inspectate have pupils who desire to open up correspondence with school children of England, should send the names and ages of such pupils to Inspector McCormac, once, as he has just received a large number of letters from London scholars to be answered by pupils in the public schools.

THE staff of the Royal Bank of Canada, in addition to the directors and shareholders, have reason to be happy over the continued success of the bank. The directors have set aside a portion of the profits for the last year, which has been divided among the staff throughout the service, each member of which received a substantial bonus in addition to the regular salary increase.

A GRAND school concert and pie-social was held in Kingsboro Hall on Wednesday evening Jan. 18. Although the night was cold, the people came from far and near, and all were delighted with the excellent program. Some special features of the program well worthy of mention were drills and choruses by six school children, also a reading by little Miss Gertrude Stewart. Two other readings splendidly rendered, were given by Miss Elvah Young and Miss Bessie Scott. Excellent instrumental music was furnished by Messrs McVane and Bailey, and Mrs. Seth McLean, in her usual good style, gave an excellent soprano solo which was heartily enjoyed. A very pretty trio was sung by the Misses Stewart, Scott and Robertson. Dialogues and dramas were given by the "Kingsboro Dramatic Club." Arthur Robertson as Pat excelled himself, while Messrs McLean and Robertson as his two masters could not be surpassed. The pies, which realized a good price, were auctioned by T S Robertson and Stanley McVane. Much credit is due to Miss Elvah Young, teacher, and Miss Bessie Scott, who took such pains in drilling the school children. The singing of the National Anthem brought one of the best concerts ever held in Kingsboro Hall to a close.—Com.

EASTERN NOT S.—Severe winter weather still continues. The waters round here are filled with large quantities of floating ice, I think the home trade product, and not the usual heavy uneven rafted ice that usually comes from the northern parts of the Gulf at the beginning of winter. This body of ice largely influences our weather and our snow-fall. Not long ago the moon in its different phases was censured or credited with the severity or the mildness, the rainfall or the drought of the seasons, but that idea is now put on the same list with the "imaginary diseases, horn distemper, tail distemper, and hooks that afflicted the farmers' cattle, especially in scarce seasons.—David and Mrs. Bruce drove to Valleyfield on the 15th to attend the funeral of Mrs. Bruce's mother on the 16th and back on the 17th, all well, after a drive of 45 miles each way this cold weather.—A successful concert was held in Kingsboro Hall on the night of the 18th netting the sum of \$26.00. The attendance would be larger, and the proceeds greater, but for the intense coldness.—Theodore Stewart is engaged in smelt fishing at North River since the close of the butchering season. He may attend the military school at Quebec for a three months term this winter yet.—His many friends, at home and abroad, will regret to learn that William Young is not enjoying his usual vigorous health at present.—Mrs. Alex W. Bruce died on the morning of the 20th, leaving five daughters and two sons, one son in Manitoba and one daughter in the United States. He is unwell himself.

Keep the body well built up and there is no fear of taking every bad cold that comes along. British Beef Iron and Wine will do the work. It enriches the blood, improves digestion, restores the nervous system, and keeps the system in a good state of health. Full pint bottles only 75 cents. A. W. Reddin, Pharm. B. Central Drugstore.

THE biggest hockey game of the season will be played Friday night. Abegweits vs. Victorias.

THE great hockey game of the season promises to be that of Friday evening when the Abegweits and Victorias meet for the second time this winter. The game will probably be the deciding one of the league.

At Portland, Maine Sat. Jan. 7th, 1905, the marriage of Charles Coughlin, son of Patrick Coughlin of P. E. I. and Miss Mary Fitzgerald, daughter of James Fitzgerald of the same place, took place at the Washington Ave. M. E. Parsonage, Rev. J. H. E. Rickard officiating. The single ring service was used and the couple were attended only by the immediate friends of the contracting parties. Mr. and Mrs. Coughlin will reside at 25 Vaughan St. Portland, Maine.

It was a remarkable gathering that assembled at Hamilton, Ont. on Tuesday, Jan. 10th in the fine new buildings of the Frost Wire Fence Co., one of the city's latest and most progressive industries that has been removed to that town from Welland, Ont. For three days the members of the company and their many agents and representatives from all part of the country were in close touch with one another; getting and giving pointers; studying the details of the business and adapting them to the demands of the trade; inspecting the splendid new works and enjoying social functions that were frequent enough to afford relaxation from the strain of business and merry enough to give all who attended them something to carry in their minds for many a day to come. The company believes in taking care of its employees, and as an evidence of the good feeling existing between them it may be stated that with two or three exceptions the entire force came with the firm from Welland, where it was formerly located, to Hamilton. To retain the good men who enter the service, which aids materially in keeping up the high standard of the goods, is one of the aims of the company. The company has been in business in Canada about eight years, having its headquarters in Welland. These have now been moved to Hamilton, and the works there are nearly four times as large as the old buildings were. The convention proper closed with a complimentary dinner in the Royal Hotel which was in many ways a unique affair. Many prominent men of Hamilton were present and Mr. Frost, the Secretary of the Company was presented with a beautiful Morris chair by the local representatives of the firm. The outing was brought to an end by an excursion to Niagara Falls and a trip over the gorge route which was greatly enjoyed by all who participated.

 To Get Bracing Health—F. el Good—Sleep Well—Enjoy Life, Use
FERROZONE
 A TRUE NERVE TONIC.

When you read the following experience of Mrs. N. E. Peabody, of Trenton, you will realize what enormous benefit sick people get from Ferrozone.

Every woman will recognize in Mrs. Peabody's case symptoms from which she has suffered herself.

AMONG HER TROUBLES WERE:
 Headaches, Weariness,
 Nervousness, Weakness,
 Palpitation, Loss of Fish,
 Dizzy Spells, Poor Appetite.

HER STATEMENT
 "I was stricken with nervous disease of the head and stomach. Violent headaches made life a torture. I was so nervous and weak I could scarcely walk. Work was impossible. I couldn't eat or digest anything. When completely wrecked, Ferrozone restored me. To-day I am vigorous and strong and well."

Thousands of men and women are unable to do work requiring power of body and mind. Let them take Ferrozone. It restores energy of youth, gives back vital stamina, creates reserve force. No medicine on earth contains such concentrated nourishment. Price 50c. per box, or six boxes for \$2.50, at all dealers in medicine, or Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.
