—GUARDIAN REPRESENTATIVE.—The Guardian's Western representative has an office on Water Street, Summerside, next to Laurence Gallant's Tailor Shop (and directly opposite the Gallant Crockett block)—his phone number is 233. He is an experienced newspaperman, capable of giving advertising counsel and service, etc., and will be pleased to receive news subscriptions or advertising.

—MALPEQUE SERVICES.—Services in the Malpeque Presbyterian church for Sunday next will be held at 11 a.m. and 7.30 p.m. The pastor will preach, taking as his subjects, "Not ashamed of the Gospel," and "The All Sufficient Salvation." Mrs. James Campbell, B.A., will be in charge of the music and will give a fifteen-minute recital before the opening of the evening service. All are welcomed to these services.

—WEDDING BELLS AT FREETOWN.—St. James' Church, Freetown, was the scene of a very pretty event on the morning of May 13th, when H. Basil Sherry, of Fernwood, led to the altar Rosella Curley, youngest daughter of Mr. and Mrs. James Curley of Freetown. The marriage ceremony was performed by Rev. Father Frank McDonald in the presence of a large number of friends. At 8 o'clock the bridal party entered the church which was tastefully decorated for the occasion, to the strains of the Wedding March beautifully rendered by Miss Alice Cash and during the nuptial Mass appropriate hymns were sung by the Misses Lizzie and Alice Cash. The bride was becomingly attired in navy blue suit trimmed with opposum fur, with hat to match, and carried a white Prayer Book. She was attended by her cousin, Miss Margaret Curley, while Mr. John Trainor, of Albany, attended the bridegroom. After the wedding ceremony the bridal party motored to Charlottetown where they were entertained to dinner by Mr. F. G. Kelly, uncle of the groom. At four o'clock they left the city on return to the home of the bride's father, where a sumptuous wedding supper awaited them and where a goodly number of their friends assembled to greet them. After supper music and dancing was indulged in and all enjoyed themselves to the full until the wee sma' hours when all departed to their homes wishing Mr. and Mrs. Sherry many happy days. The enjoyment of all present was heightened by the arrival of a company of well conducted charivariers, who created much amusement by their fantastic dress and actions. The happy couple were the recipients of many valuable presents. They will reside in Fernwood where the groom is a prosperous young farmer.

cessfully conducted under the management of Mr. and Mrs. Robert Robertson, is now run on a much smaller scale under the management of Mr. McGregor, a local farmer of the province. The Robertsons have gone to the United States. The store at Bear River, which was for many years operated under the management of William J. McDonald, who has also gone to the United States, is now running under the management of Mr. Wm. McNeil, the well known hen man and poultry specialist.

lections, Alma Sheasgreen; 'cello selections, Mrs. Gene Reinhardt. Carl Niderost was accompanist. "Education is the cry of our age" the speaker commenced. "Our periodicals and magazines are filled with it; it occupies the constant attention of our legislators; it holds a prominent place in our political platforms; it is the rallying cry in our conventions—municipal, provincial and federal; it is the key by which we hope to solve all the perplexing problems of our new system of civilization; it is the panacea, the remedy of all moral evil, social and individual.

Rev. Father Bradley Is Honored

Rev. George F. Bradley S.J., rector of Campion College, Regina, who is noted from coast to coast as an educationalist and lecturer, addressed the Knights of Columbus and the Kiwanis Club when he visited Saskatoon on May 15th.

No Risks Taken, No Guesses Trusted in the Milling of "REGAL" FLOUR

NO EXPENSE is spared that "REGAL" Flour may be just the finest in the world. As the wheat is ground, specimens of the flour are taken for trial, and none that is not up to the high standard set for "REGAL" is allowed to pass. One of the most revealing tests is the actual baking in the Mill laboratory. By this practical trial, the miller identifies the flour that will make perfect bread.
