—TOWN COUNCIL.—At the special meeting of Summerside Town Council Tuesday night it was decided to present a petition to the property owners on Water St., for their signed approval of the project to pave Water St. It has practically been decided that a new concrete street will be laid on Water Street this year and that the work would not be given to tender but by days work. It was decided at the meeting to take steps to secure the services of a competent engineer and also a foreman and to secure the necessary materials. A new bill relating to dogs was put through putting the tax on male dogs at \$3 and females at \$10. The bill also included a clause that from April 1st to November 1st in any year no dog shall leave the domicile of his owner unaccompanied by said owner. A dog pound is to be established for housing any dogs found on the streets of Summerside and a penalty is to be imposed. The council adjourned until next regular meeting.

—WEDDING BELLS.—A marriage of more than ordinary interest took place at the home of the bride's aunt, Mr and Mrs. Hector Morrison, Kensington, on March 24th, when Mrs. Elizabeth McLennan, formerly of Fredericton, N. B., became the bride of Mr. Frederick McKenzie, a prosperous young farmer of Sea View. The bride looked very winsome, gowned in brown chamelene and was attended by Miss Janet McLennan, dressed in brown silk georgette, trimmed with embroidery and wearing a string of pearls. The groom was supported by Mr. Lewis Morrison, cousin of the bride. The marriage ceremony was performed by the Rev. Dr. M. E. Genge, pastor of the Presbyterian Church of Kensington. After the guests had partaken of a delightful supper prepared in Mrs. Morrison's best style the happy couple drove to their home in Sea View where a few of their friends met them to shower them with best wishes. Mr. and Mrs. McKenzie are very popular among their friends and many will extend felicitations and good wishes for the future wedded life. (Summerside papers please copy.)

PIMPLES WERE VERY PAINFUL

On Forehead, Cheeks and Chin. Cuticura Heals.

"My face began breaking out with pimples first on my forehead, then cheeks and chin, and it was an awful looking sight. The pimples were hard and red and after a time came to a head and scalded over. They were very painful at times and the trouble lasted about three months. "I tried different remedies without any benefit. I began using Cuticura Soap and Ointment and it was completely healed after using three cakes of Cuticura Soap and one box of Cuticura Ointment."
