lished that article without submitting it to Mr. Saunders, it is evident he had deliberately made up his mind to hold the Premier up to ridicule and thus destroy him. On the other hand, if the Premier wrote the article himself or agreed to its publication, he is hopeless, is not responsible for what he says and does, and should never be allowed away from home without a guardian.
I am, Sir, etc.,
J. J. HUGHES

(Senator Hughes is incorrect in assuming that "both political parties were in favor of merging all our claims with the claims of Nova Scotia and New Brunswick, and favored pressing them in common and asking for a common settlement." Neither in the press nor elsewhere has the Conservative party advocated the merging of all our claims with those of our sister Provinces. The attitude of the Hon. J. D. Stewart, both as Premier and leader of the Opposition, has been that this Province has important specific claims in addition to the common claims of the three Maritime Provinces. It would be useless, however, to press these claims separately until a final adjustment between all the Provinces and the Dominion of Canada can be arranged. This Mr. Stewart made very clear during the last session of the Legislature, citing as his authority the Duncan Report, which recommends that "the terms of readjustment are obviously a matter for detailed determination and assessment, so that the actual amount—as well as the reasons and purposes attaching to it, can be recognized by the rest of Canada as fair and equitable."—Ed. G.)

RE-OPENING OF ST. PAUL'S CHURCH, SUMMERSIDE

St. Paul's Church, Summerside, has been in the hands of the decorator, Mr. Jerry Doucette, for some time now, who has been painting and varnishing the beautiful interior of this fine old church. The work is almost completed and the church will be re-opened for public worship on Sunday, for which there will be special services. St. Paul's Church was commenced by the late Rev. Father McKenna, when Summerside was just a swamp called Green's Shore, and was completed by the late Rev. Dr. Patrick Doyle. It was first dedicated by His Lordship the late Ven. Bishop MacIntyre of Charlottetown, on September 12th, 1876.

WESTERN GUARDIAN

—PRINCE COUNTY REPRESENTED—
Princed County was well represented at the recent exhibition of fine arts, in Owen's Museum of Arts, at Mount Allison College, Sackville, N. B. Among the drawings exhibited was a very fine one, the work of Miss Dorothy Monckley, daughter of Mr. and Mrs. E. H. Monckley, of Summerside. In the west gallery, which is devoted to the work of the graduates, is a mahogany chest in a most elaborate design of Roman scrolls, the work of Miss Blanche Chamption, of Alberton. In the basketry shown is a lovely tiffin stand, done by Miss Olive Tuplin, daughter of Mr. and Mrs. James Tuplin, of Alberton, who also contributed a beautifully carved desk. Miss Harriet Bradshaw, daughter of Mr. and Mrs. M. L. Bradshaw, of Summerside, exhibited an exceedingly handsome lamp in the basketry department. It is very pleasing to see so many Prince County young ladies taking a prominent place amongst the students of the higher arts.

DEATH OF MRS. JOHN ELLIS

The death occurred at her home in Ellerslie on Tuesday morning of Mrs. John Ellis, widow of the late John Ellis of Ellerslie, at about sixty-two years of age. The deceased had suffered a stroke a little over a year, but had been in moderate health until two weeks ago, when she had a bad heart attack which caused her death. The late Mrs. Ellis was born in Ellerslie and was the daughter of the late Mr. and Mrs. Richard Gorrl. She lived in that district practically all her life, and was very highly esteemed by a wide circle of friends. She was a devoted member of the Episcopal Church at Ellerslie and was well known for her kindly actions and zeal for the church. Her husband predeceased her just three years ago, having died on May 22nd, 1926. There are left to mourn the loss of a devoted mother, two sons and four daughters, namely:—Mrs. Colin MacGregor, of East Bideford; Mrs. Willard Hutchinson, of Ellerslie; Mrs. Fred Harris, of Sherbrooke; Mr. William Ellis, of Summerside, and Miss Alice and John at home, to whom the deep sympathy of the community is extended.

Mr. J. Walter Jones has returned from Upper Canada, where he attended a number of sales of Holstein cattle.

Miss Catherine MacKenzie, Charlottetown, who has been attending Mount Allison Ladies College, Sackville, has arrived home.

Some of the lobster packers on the North Side suffered considerable loss last week, as a result of the terrific gale of Thursday night and Friday morning. Two or three boats belonging to Johnson's factory, Hay River, were badly smashed up. In an endeavor to save those boats five men attempted to go out in a dory. The dory foundered and the occupants were precipitated in the surf. They all made shore however, but with great difficulty. From McIntyre's factory, East Point, it is reported that two boats were badly broken up, and that one went adrift, which has not yet been recovered. Quite a number of traps were washed ashore.

Quite a heavy fall of snow covered the eastern part of the Island last Monday morning. It is unusual to see so much new snow so late in the season. In the olden days it was called "The poor man's manure," and was welcomed as a harbinger of a good crop. It was also religiously gathered up by our grandmothers, put aside in the melted state as "May water," and was reputed to have miraculous curing properties. It was prescribed for sore eyes, rickety joints, in-growing toe nails, lumbago, king's evil and a thousand other diseases that attack man's anatomy. We do not know whether agriculture or medicine it has any virtue or not, but we do know that, if you take six ounces of "May water," dissolve one heaping teaspoonful of sugar in it, then heat to 212 degrees Fahrenheit, add two ounces of "forty over"—legally prescribed at the vendor's of course—you have a tasty, delicious and refreshing beverage—ask Tom. Mrs. Richards was in her usual health and was staying with Mrs. Casey for a few days. She retired on Monday evening as usual, and at 5 o'clock next morning was conversing with her daughter, but at 7 o'clock she was found to have passed away. It is supposed that she had been seized with a paralytic stroke. The deceased was a native of Fifteen Point, having resided there until eight years ago, when she came to live with her daughter, Mrs. John C. Gallant. Her husband predeceased her by eighteen years. She was very kind and charitable to all with whom she came in contact, and a devoted member of the Roman Catholic Church at Mont Carmel. There are left to mourn their sudden loss five sons and two daughters, namely:—Mrs. John C. Gallant and Mrs. William Casey, both of Summerside; Paul of Salem, Mass.; Benjamin, of Gardener, Maine; Silvere, of Waltham, Mass.; John and Frank in Detroit, Mich., to all of whom deep sympathy is extended. The remains were taken to Mont Carmel, where the funeral is taking place this afternoon to Mont Carmel Church and Cemetery, Rev. Theodore Gallant officiating.

FOUND DEAD IN BED

The death took place on Tuesday morning at the home of her daughter, Mrs. Casey, in Summerside, of Mrs. Antoine Richards, in her eightieth year.

Eastern News

Mr. Edgar Francis of South Lake, has lately moved to Souris, where he has taken a position with Matthew McLean and Co.
Mr. John McLellan, formerly of Red Point, returned recently to his home in Souris. He spent the winter months most pleasantly in Boston, visiting members of his family.

It is with sincere regret that we are called upon to chronicle the death of Mr. Aeneas McAulay of St. Catharines, which took place on the sixteenth of May. Although ailing for some time the end came quite suddenly and unexpectedly. The late Mr. McAulay was still in the prime of life. He was a man of fine physique. He was always gentle, upright and honorable. That he had many friends was evident by the large number of people, who assembled to pay him their last tribute of respect. His remains rest in St. Mary's cemetery where interment took place on Saturday afternoon.

Mr. Aeneas Bailey of Elmira, who has passed through a long and serious illness, is, we are pleased to learn, on the road to recovery. Mr. Bailey is a master violinist. His friends, and they are legion, will soon again listen with delight to the merry tune of the "Stack O' Barley" or the stirring melody of "Lord MacDonald's Reel."

The Cox Hotel is undergoing some alterations. The enterprising proprietor of this popular house never leaves anything undone, that he thinks would add to the comfort and convenience of the guests. This hotel is known far and wide. Tourists come here from as far south as Florida, and they come back year after year. They enjoy the exhilarating air, the gorgeous sunshine, and unequalled bathing of Souris-by-the-Sea. Already it is booked to full capacity for the coming season.
