BLANKET'S

THAT COMBINE Warmth Comfort AND Unexpensiveness

Splendidly complete stocks of blankets this year; the most varied in sizes weights and qualities we have probably ever shown.

Notwithstanding the remarkable advance in the price of all woolen fabrics our prices on blankets are not materially higher, Why?

Because we placed our orders many months ago, bought large quantities, paid spot cash and in selling are satisfied with the smallest possible margin of profit.

The best the land produces awaits you here; comparison will best demonstrate the superiority of the values we offer.

- List of various blanket types and prices, including 'Nic soft wool blankets' and 'A very heavy blanket'.

Flannelette Blankets

Many people replace cotton sheets with flannelette blankets during winter. They are beautifully soft and smooth, easily washed, warm and comfortable.

THE CELEBRATED "Bovd-Coldwell" PURE WOOL BLANKETS

This well known make of blankets is guaranteed absolutely pure wool, not a thread of cotton being used in their construction.
