

AWFUL NERVOUSNESS AND PARALYSIS CURED BY "FRUIT-A-TIVES"

The Miracle Worker, That Cures When Doctors Fail - Now Used In Thousands Of Homes In Every Section Of Our Great Country.

Two Men, From Widely Different Parts Of Canada, Tell How They Found Health And Happiness By Taking These Wonderful Fruit Juice Tablets.

"I have been in Walkerton in business for a good many years and many of my townsmen know that my health, for long periods, was precarious. My trouble was extreme nervousness, brought on by indigestion or dyspepsia, from which I suffered in its most severe form. It was so bad that I could not sleep before about four in the morning. I noticed in the Toronto "World" one of your published testimonials of how someone had used "Fruit-a-tives" for similar trouble, and asked Mr. Hunter, my druggist, his opinion on the matter and he advised their use. I immediately procured several boxes and I am pleased to say that I now enjoy splendid health and could not possibly feel better. I can eat with every degree of satisfaction, and sleep without an effort, which pleasure I was denied before I was fortunate enough to use "Fruit-a-tives". I strongly advise anyone suffering from like complaints to commence using "Fruit-a-tives" immediately. Don't stop at a few doses - but continue using "Fruit-a-tives" until a cure is accomplished."

MR. ALEX. MCCARTER

WALKERTON, QNT., MAY 9th. 1911

"I am unable to say enough in favor of "Fruit-a-tives", as it saved my life and restored me to health when I had given up all hope and when the doctors had failed to do anything more for me. I had a stroke of Paralysis in March, 1910, and this left me unable to walk or help myself, and the constipation of the bowels was terrible. Nothing did me any good and I was wretched in every way. Finally, I took "Fruit-a-tives" for the constipation, and it not only cured me of that trouble but gradually this fruit medicine toned up the nerves and actually cured the paralysis. Under the use of "Fruit-a-tives", I grew stronger and stronger until all the palsy and weakness left me.

MR. ALVA PHILLIPS

BRISTOL, N.B., July 25th. 1911

These two cases show the wonderful powers of "Fruit-a-tives" in restoring a shattered nervous system to health and vigor - in entirely curing obstinate Constipation - and in completely relieving Indigestion and Dyspepsia. What other medicine in the whole world has ever done so much? "Fruit-a-tives" cures. It is the only medicine in the world actually made from fruit with the addition of valuable tonics. It is pleasant to take and will always give the most gratifying results when taken regularly. 50c. a box, 6 for \$2.50, trial size, 25c. blood crieth." Beware of any teaching by reason of the merging of responsibilities in any pact, association, combine, trust, union, which looks in the direction of minimizing one's personal responsibility to God or to his fellow. The justice of God holds down that relation to Himself and to others hard and fast.

LESSON V. FEBRUARY 2.

THE FLOOD.

Gen. 9: 22; 7: 11-24.

GOLDEN TEXT.

"The wages of sin is death; but the free gift of God is eternal life in Christ Jesus our Lord." Rom. 6: 23.

POINTED SUGGESTIONS.

By Rev. D. W. Snider. "There seems to be no substantial reason for doubting that in the flood of Noah we have an actual historical occurrence, of which traditions appear to have survived in most regions of the world."

"The flood was a historical fact, and the preservation of Noah and his family is one of the best and most widely attested of human traditions." - Prof. James Orr, D. D.

"We believe that our first parents, being tempted, chose evil and so fell away from God and came under the power of sin, the penalty of which is eternal death." - Article V. of the Sin of Man, in the proposed Basis of Union.

But man's sin is God's sorrow. What a picture the context gives of the grief of God! "It repenteth the Lord, that He had made man upon the earth, and it grieved Him at His heart."

Do men ever get as far away from God nowadays as those who lived before the flood? Are there - those who live contrary to moral rectitude, and to the divine will and to the image of God in which they were created? Are there those who live (do we) contrary to justice, mercy and truth with every inclination, affection, passion, appetite, every temper, design, thought, twisted, distorted, corrupted by the fabrications of an evil imagination?

There is - no such sticky filthiness upon the soul, clogging all its motions towards purity, righteousness and God than what the evil pictures of the imagination can paint and print upon the memory. This writer feels that dangerous ground is being trodden by those who, in the interest of purity and reform itself, do little more than merely recite the devilish formula which sin takes to murder itself.

But the teaching that a godly remnant - the just man and perfect - was spared is as glorious as the teaching of the destruction of the wicked is emphatic. There is as much of the grace of God as of the wrath of God to be learned from the story of the flood and as much of the glory to come as of the wrath to come.

Think of the long period of faithful and reiterated warning of the people had from God through Noah, whom Peter tells us, was a preacher of righteousness. He preached by word and deed, warning every man by the space of one hundred and twenty years.

It is evident through the whole narrative, with all its implications, how earnest the purpose of God is that holiness should prevail. Nothing is plainer than that, and the working out of that purpose is not to fail. It is to be wrought out both by destruction and by deliverance. Read the Golden Text.

Those in the ark were saved by water as truly as those outside its shelter perished by water. See what Paul says in 2 Cor. 2: 14-16 about the saving gospel which he preached, and upon which P. W. Robertson makes the comment: "An awful truth! The gospel preached in fidelity ruins human souls."

Be it known, therefore, that Noah's advantage over his fellows was simply one of attitude, one of disposition towards the truth. By faith Noah, being warned of God concerning things not seen as yet, moved with godly fear, prepared an ark, etc. Heb. 11: 7.

It is the saddest of sad things that, as the builders of the ark perished through unbelief, there are so many whose skill is serviceable to the affairs of God's Kingdom on earth when all the time are outside of it and shall perish because of their unbelief.

\$5,000,000.00 FOR PEERLESS WAY POULTRYMEN Into the pockets of the users of The Peerless Way, last year went five million dollars made from the poultry these people raised. Yet chickens are scarce in Canada and eggs are the scarcest of all food commodities. That is positively the fact. To-day there are not enough Canadian CHICKENS and EGGS to go around. Thousands of chickens and hundreds of thousands of dozens of eggs are being shipped into Canada from the United States and other countries to help meet the demand. Yet there is a shortage! Eggs are commanding a tremendous price - chickens are worth dollars. Now is the time to take advantage of this situation and make money out of it yourself. You can raise and sell 600 chickens this year, and you will find a quick and sure market for every one of them. You can get the top notch price for all the hundreds of dozens of eggs that your poultry lay. Let us tell you how! Poultry raising is the best business for any farmer, any farmer's wife or farmer's child. The poultry crop is the one crop that never fails. It pays better for the time and money invested; the profit is sure; it isn't overcrowded and never will be. Our book "When Poultry Pays," will show you. Let us send it to you.
