

Family Record.

One of the most beautiful pictures in color. Upon a background of PINK GOLD rests the FAMILY RECORD in the shape of a handsome volume with GOLD CLASPS upon a cushion of crimson velvet, with a beautiful GOLD TASSAL. On the pages, under different headings, are spaces in which to write the name and date of birth. On either side is a beautiful scroll on which to record marriages and deaths. On the top of the picture are the words "FAMILY RECORD" in the richest lettering known to printer's art. Under this are spaces for father's and mother's pictures. In the lower part of the picture is a beautiful home scene. The DEAR OLD GRANDPARENTS, THE HANDSOME STALWART HUSBAND and HAPPY YOUNG WIFE, the LOVING DAUGHTER and BABY-BROT—the IDOLIZED GRANDCHILDREN, are all gathered around the table while grandfather reads a portrait of god's HOLY WORD. A truly beautiful scene. Underneath are the words, "GOD BLESS OUR FAMILY." Around this picture are eight spaces for photographs of other members of the family, each space enclosing a gem flower piece. Elsewhere on the picture are scattered creeping vines, buds and blossoms. Each picture is a whole relief by the gorgeous background of Solid Gold which produces a picture of dazzling beauty.

CANCER,

THE MOST MALIGNANT DISEASE TO CURE.

The action of B. B. B. on Cancer is first felt by reducing the pain, afterwards the healing commences restoring a healthy condition to the flesh surrounding the parts affected.

TREATMENT:—Bathe freely with B. B. B., and take internally according to directions. Three bottles will prove its efficacy for relieving or curing any kind of cancer.

MR. GEO. MEGGISON, of QUINN, ONT., writes under date of Dec. 17th, 1900, of the wonderful benefit he has received from the use of B. B. B. for cancer on the throat, from which he has been suffering for seventeen years:

"Seventeen years ago a cancer formed on my throat just beside the wind-pipe. I doctored with several physicians, but they failed to give me a particle of relief. Some of them advised an operation, others cautioned against it as the cancer was in such a delicate place.

But to make a long story short, for seven years I suffered untold agony, until at last the cancer broke and discharged a thick bloody matter, after this it would heal up and a scab would form, but would eventually drop off and leave the opening larger than before. I suffered this terrible agony until a short time ago, when I happened to read of Burdock Blood Bitters being good for cancer, and I decided to procure a bottle, but hardly had faith in anything and did not dare to think of it giving me any relief.

However, I started applying it to the sore with a piece of cotton. I also took the B. B. B. internally according to directions. I had not used the treatment long before I could notice a great change for the better, and believe by continuing its use I will ere long be permanently cured. I cannot too highly recommend B. B. B. to any person who is troubled with cancer.
