A CONCERT.—A patriotic concert was held in Vernon Bridge Hall, Wednesday evening last and an excellent program was rendered before a large and appreciative audience. Great credit is due to all the local talent who participated in making this the most successful entertainment of the season. Hearty applause greated each number, but special mention is due to Mr. H. Irving Beers, who, while being on a short visit home, kindly gave readings from Kipling and Robert W. Service. The rendition of these were splendid, showing the art of a gifted elocutionist coupled with long and careful training. This most efficient help by Mr. Beers is greatly appreciated by all. The hall was artistically decorated with British flags which greatly enhanced the patriotic fervor of the occasion. The following is the program:—Chorus by Ladies voices—Red, White and Blue. THINK HARD.

It Pays to Think About Food.

The unthinking life some people lead often causes trouble and sickness, illustrated in the experience of this lady.

"About four years ago I suffered dreadfully from indigestion, always having eaten whatever I liked, not thinking of the digestible qualities. This indigestion caused palpitation of the heart so badly I could scarcely walk up a flight of stairs without stopping to regain breath and strength.

I became alarmed and tried dieting, wore my clothes very loose, and used other remedies, but found no relief.

"Hearing of the virtue of Grape-Nuts and Postum, I commenced using them in place of my usual breakfast of coffee, cakes or hot biscuit, and in one week's time I was relieved of sour stomach and other ills attending indigestion. In a month's time my heart was performing its functions naturally and I could climb stairs and hills and walk long distances.

"I gained ten pounds in a short time, and my skin became clear and I completely regained my health and strength. I continue to use Grape-Nuts and Postum for I feel that I owe my good health entirely to their use.

"I like the delicious flavor of Grape-Nuts and by making Postum according to directions, it tastes similar to mild high grade coffee." Name given by Canadian Postum Co., Windsor, Ont.

The most perfect food in the world. Trial of Grape-Nuts and cream 10 days proves. "There's a Reason."

Look in pkgs. for the little book, "The Road to Wellville."

THE EXPRESS.—The express train from Summerside arrived in Charlottetown last night at 10.25 o'clock.

CLASSIC DANCING.—A feature at Henry Lawrence Southwick's recital next Thursday evening will be classic dancing in costume by some of Miss Gorman's pupils. 6060.

MACADAMISED ROAD. — The stretch of road on Richmond Street, from Heartz Memorial Hall to Hillsborough Street has been macadamised, and is an excellent example of road-making.

POST OFFICE PAINTED.—The interior of the Charlottetown Post Office has been repainted and revarnished and all the letter boxes burnished. The offices up-stairs have also undergone an entire change, the painters having been for some time applying themselves to the task of brightening the rooms. The work was very creditably done by Messrs. P. H. Trainor & Son, who recently painted the residence of Dr. W. J. P. MacMillan.

MORE LIGHTS.—In pursuance of a resolution which was passed at the meeting of the City Council on Monday evening, arrangements are being made for the placing of a number of new incandescent lights in the city. There will be one each on King and Dorchester Streets between Weymouth and Hillsborough; one at or near the corner of Hillsborough and Richmond Streets; one on Passmore Street between Elm Avenue and Queen Street; and one at or near the corner of Brighton Avenue and Greenfield Avenue.

ATTEMPT AT ROBBERY.—What looks like an attempt at robbery occurred in Charlottetown on Wednesday night, when the store of Johnston & Johnston, druggists, was entered by someone, it is supposed through a window in the dispensing room on Prince Street. When the store was opened yesterday morning it was found that the cash register had been tampered with. It looked as if a tool of some sort had been used in an effort to force the drawers open, but this proved unsuccessful. Nothing was found missing in the store.

VICTORIA—Mr. H. V. Vaughan, repersenting Emerson, Fisher & Co., St. John, was in Victoria, Friday. Mr. McAskill, Halifax, agent for Morse's Tea, was in Victoria, Friday last. Mr. W. M. Walsh, representing the Canadian Oil Co., Halifax, was in Victoria, Saturday. Mr. Charles F. Miller, Victoria, was in Charlottetown on business on Saturday. Mr. and Mrs. E. H. Wright, Victoria, were visiting in Summerside, Friday and Saturday. Miss Dorothy Clark and Messrs. Harry Lea and Lorne Lea, students at Prince of Wales College, spent their Thanksgiving holidays at their homes in Victoria. The many friends of Mr. Jack Lea, Victoria, are pleased to see him able to be out after his recent severe illness.—V.

FARMERS' INSTITUTES.—At a meeting of the Central Farmers' Institute Directorate, it was decided to hold the annual meeting on Tuesday and Wednesday, December 1st and 2nd. All Institutes are expected to appoint their delegates and to send copies of any resolutions they may wish to submit to the Secretary at the Department of Agriculture as soon as possible. A resolution committee will be appointed to whom all resolutions must be submitted before being brought up at the meeting. Only delegates that have been duly appointed will be alowed to vote. It is very desirous that every Institute in the province should be represented by their full number. A good many questions are now before the public affecting agriculture. These should be discussed at these meetings.

POWNAL CIRCUIT.— The Patriotic Concert at Pownal Saturday night was a decided success.— The Moving Pictures, Illustrated songs and vaudeville presented by Dr. P. L. Hermann and his party of professional entertainers, was very much enjoyed by all, as it was the best the people ever have seen there. The door receipts would probably have been twice as much, had it not been for the dark night and indications of rain. In spite of this however one of the Pownal citizens collected $18.15 at the door. The amount was given to Mrs. Geo. Carver to swell the funds of Red Cross Society of which she is president at Pownal. All those interested in the welfare of the Red Cross Society should appreciate the services of Dr. P. L. Hermann and party very much being rendered gratis.

RELIEF SHIPMENT.—This morning a shipment of clothing and food goes to Halifax by the S. S. Northumberland for despatch to the Belgians. This is the second lot of goods to be sent from this province, the first load having been shipped on October 12. All Wednesday and yesterday team after team was driven down to the Steam Navigation Company's wharf conveying the cases which will go this morning, among the goods being 140 cases of cheese, 32 cases consisting of flour, biscuits, canned edibles, condensed milk, soap, corn starch, codfish, tea, etc. This shipment is by no means the last that will go from the Island, for there is still a great quantity of clothing at the drill shed to be packed, and contributions are coming in day by day.

RED CROSS SHIPMENT.— There will go forward to-day the first shipment of goods to the Red Cross Society, Montreal, to be forwarded by them. It consists of 9 large cases and 2 barrels of goods, which is a generous contribution and must have entailed a lot of work upon the ladies of P. E. Island. The list is as follows:— 392 shirts; 1043 pillow cases; 203 towels; 784 handkerchiefs; 290 pajamas; 151 abdominal belts; 43 bed jackets; 21 dressing gowns; a large quantity old linen; 98 hot water bottle covers; 349 night shirts; 253 heavy wool shirts; 14 suits underwear; 5 wool blankets; 42 nightingales; 16 cotton flannel sheets; 1732 bandages; 210 yds. bandages; 400 socks, men's wool; 24 wristlets; 2 Balaklava caps. While the Ladies' Auxiliary of the Red Cross in Charlottetown has done nobly in giving three afternoons in the week in making some of the articles of the above list, of course it includes and is largely made up of generous contributions from nearly every section of the province. Receiving and re-packing has entailed a large amount of work on the few engaged, and if any omissions have been made in acknowledging the shipments, will the senders please drop a line to Dr. Jenkins?

WOMEN'S INSTITUTES.—On Oct. 1st, the Sterling Women's Institute spent a thoroughly enjoyable afternoon at "The Willows," Hope River, the home of Mr. and Mrs. J. Simpson Bell. The President, Mrs. Walter Simpson, presided, and the meeting, which was a large one, there being over thirty present, opened with a chorus. After the reading and adoption of the minutes, several business matters were attended to. The drinking water fountains were ordered to be placed, one in Stanley School and the other in Hope River School. Window shades were also ordered to be purchased for Stanley School and put up during Fall vacation. It was also decided to get up a collection of clothing for the Belgian sufferers, and forward the same to Charlottetown on October 8th. The subject for the meeting was then taken up. A splendid paper was then read by Mrs. Pickering on "The Home on the Farm," one by Mrs. A. McKay, on "The Mother in the Home" and one by Mrs. T. Bolger on "Home Influences" which was listened to with a great deal of interest and discussed by several of the members. Dainty refreshments were served by Mrs. Bell and a pleasant hour was spent in social conversation. Before singing the closing chorus a vote of thinks was tendered Mr. and Mrs. Bell for their kindness. The next meeting will be held at the home of Mr. and Mrs. Wallace McKay, Stanley Bridge, on Thursday evening, Oct. 29th, at seven o'clock.

Crippled With Rheumatism

AND SKEPTICAL AFTER TRYING MANY MEDICINES—DR. CHASE'S KIDNEY-LIVER PILLS CURED HIM.

When the kidneys fail to purify the blood the poisons left in the system cause pain and suffering, such as back-ache, lumbago and rheumatism. Read how this skeptic was cured by Dr. Chase's Kidney-Liver Pills.

Mr. F. W. Brown, Kingsbury, Que., writes:—"I have been completely cured of backache and lame back by using Dr. Chase's Kidney-Liver Pills I also recommended the pills to a man who was a cripple from rheumatism. He was skeptical, as he said that he had tried nearly everything on earth. Finally he consented to try them, and to his surprise was greatly benefited in the first week, and the pains left his legs until he was so supple he could walk without pain or difficulty. Dr. Chase's Kidney Liver Pills have worked wonders in this place, and we think there is no medicine like them."

Dr. Chase's Kidney-Liver Pills one pill a dose, 25 cents a box, 5 for $1.00; all dealers, or Edmanson, Bates & Co., Limited, Toronto.
