# More and Better Bargains at Brown's Clearance Sale

HERE ARE EVEN MORE ASTOUNDING BARGAINS IN THIS GREAT CLEARANCE SALE.

Added to the values that are making this sale the biggest of its kind in the history of Island business, is this mammoth bargain offer: Every 15th suit for men given Free, every 11th hat for men given Free, every 11th pair of pants, every 11th suit for boys and every 8th cravenette coat selected--WILL BE GIVEN AWAY ABSOLUTELY FREE.

One of the best features of this sensational free offer is the fact that the salesmen are in entire ignorance as to who the lucky person will be. The man who sells you your suit, coat, hat or trousers has no more idea who the "horse-shoe" chap is, than you do. Strict count is kept in the office, though, and the lucky man is sure to be promptly rewarded.

I have expected to leave for the West soon—to hasten my movements I have received another urgent message from my brother—the letter arrived last Friday, and says in part—  
 "Try to get here, not later than December 1st.  
 There will be an interesting and profitable proposition ready for you by that time. If a bigger cut in goods would help you, do it, for this matter can't wait. We want to see you by Dec. 1st, at the latest."  
 Your brother  
 W.

I expected to be able to leave here sooner than this—must be away by—December 1st at the latest.

Added to the extreme urgency that prompted this sale, is the force contained in the "hurry up" letter just received from my brother in the west—a part of it is reprinted alongside—read it for yourself.
