# A Stubborn Cough Loosens Right Up

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing and moistening influence, coughs, phlegm, looseness, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pine's (40 cents worth), into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get 16 ounces—a family supply of much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pine's is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for ½ ounce of Pine's with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pine's Co., Toronto, Ont.

# Prince Edward Island Hospital Annual Collection

In accordance with the promise made a year ago, no appeal of any kind in behalf of the Prince Edward Island Hospital has been made or has been authorized during the year by the Trustees. The time has now arrived, however, when we must have the liberal financial support of the people of Queens and Kings counties, if we are to continue to maintain and increase the efficiency of the hospital, without increasing largely the rates of paying patients, and reducing our free accommodation for those who are unable to pay. A number of copies of our last annual report have been sent to the Secretary of the Board of Trustees in every school district, and we would like to have this report carefully read by everyone.

## Outstanding Features of the Work.

1. The number of people served by the Hospital, by far the largest in our history, shows the imperative need of more accommodation and equipment.
2. The increased cost of everything used in the Hospital.—Coal increased \$1,892.70; groceries, \$1,482.42; medicine, \$804.14; meat and fish, \$321.78, or an increase of \$4,500, on four items alone.
3. Salaries reduced \$476.76.
4. The very liberal support given the Hospital by the majority of the people which alone made it possible for us to "carry on."

The few figures given herewith will show you that the difference between receipts and expenditures will be greater this year than last and that your strong support is necessary. Further, new equipment is constantly required if we are to keep the Hospital in the first class and a credit to the province. A contagious disease ward is something we should provide at once and we can do so only if we get your generous support.

In accordance with the Trustees' Report of last year, we are now asking the people of Queens and Kings counties to give us the assistance needed. Outside of Charlottetown the collections are being made through the School Trustees, who have been asked to appoint collectors to call on the people of their district beginning November first. In Charlottetown, the collections will be made by envelopes which will be left at every house on Friday and Saturday, October 31st and November 1st, and will be taken up on the following Monday.

The Trustees wish to urge as follows:—

**To the School Trustees**—Please see you get good collectors and start them out promptly.

**To the Citizens of Charlottetown**—Have your envelopes ready for the collectors on Monday, morning, November 3rd.

**And to Everybody**—Give according to your ability. The cause is a good one. All monies received will go to make someone a little more comfortable, and give them a better chance for life. That someone might be you.

**W. K. ROGERS,**  
Chairman Board of Trustees.

BEDQUE CONGREGATION.—On November 2nd, Rev. J. M. Murchison will conduct service at North Bedouque at 11 a. m., at South Bedouque at 3 p. m., and at Freetown at 7 p. m. The service at Freetown is the annual Thankoffering of the W. M. S.

CAVENDISH CONGREGATION.—On Sunday November 2nd there will not be any service in the different churches in the Cavendish congregation. The clergyman who was to have supplied has been prevented from coming on account of having to attend the funeral of a friend.

HALLOWE'EN.—Last night was Halloween. It was observed by the holding of quite a number of house parties where taffy-pulls, apple duffing and the usual games were held. The Prince of Wales College Boys created considerable racket around the witching hour of midnight by serenading the professors and sent off some sky-rockets to add color to the celebration.

INSIDE many improvements have been effected, a striking change being the newly installed lighting system consisting of ten lamps of 100 candlepower each, making a thousand candlepower light for the main store alone, exclusive of office and dispensing room and making it undoubtedly the most brilliantly lighted store in the city. Among the interior changes are the heavier boarding of the main store, the removal of the soda-water fixtures and the substitution of a chocolate section. This section is a most attractive one with its artistic display of chocolates together with a new set of chocolate scales, a guarantee of honest weight as well as of best quality. The store is certainly a most attractive one and Mr. Colwell, the general proprietor, is to be congratulated on his determination to have an attractive store as well as attractive goods.

## Attractive Drugstore

Recent finishing touches and improvements have transformed the Johnson & Johnson Drugstore, Corner of Prince and Kent Streets, into a veritable beauty spot. Over the Prince and Kent Street sides of the building a gold lettered sign first attracts attention. The sign is the handwork of Mr. H. H. Crossman, painter and artist and it is certainly a credit to him as well as to the store.
