

"Ladies' Shirts Waists"

We received by express yesterday one of the daintiest lots of Ladies' New Shirt waists that I has been shown in the city this season.

The designs were made by a Lady tailor in New York. They are made in "Net" and "Lace" also a large line of Lawn waists."

We ask the Ladies' to call in to-day and pass judgment as we know they appeal strongly to Ladies' who are critical as to the latest ideas in "Shirt Waists."

Come one and all. Five cents admission only! The best entertainment in the city! Illustrated songs by two singers! And all for a price within the reach of all!

A SCENE AT THE SEASHORE.

MONTHLY BUSINESS MEETING.

The monthly business meeting of the Board of Directors of the M. C. A. was held last night.

The report of E. D. Stevens, chairman of the finance committee, showed that collections to date were \$200 in advance of the same date last year, and that the present overdraft was \$350 as against \$600 at same date last year.

This condition is on account of a great many of the contributors paying earlier in the financial year, as well as to distribute receipts as evenly as possible during all months of the year.

A number of the directors plan to attend the Institute on work for boys to be held at the Boys' Camp grounds July ninth to fifteenth.

JUNIOR BASEBALL.

As previously stated the final match of the Junior Baseball League was played between the Orioles and Tanners, thus giving even the Cup and Championship. Though the Tanners are claimed by their opponents to be the first class team, it is stated that a large number of them have been out of the junior class for some years. It is the desire of many baseball enthusiasts that these teams meet again with the age limit barred, as the Orioles have several players who on account of the age limit were replaced by younger members of the club.

THIRD YEAR PASS LIST.

The third year pass list in McCall Medicine Faculty includes R. S. Carruthers, B. S. Chapman, P. L. Leaders and J. A. McPhee. In the second year the Provincial Students have also done especially well. F. H. McKay leads his year and also gets the senior anatomy prize. The pass list includes L. S. Houie, J. S. McLeod, L. W. McKinnon and V. W. Webster. McNutt and Heule, each got honors in two subjects and McLeod and Webster in one. In first year E. W. Williams passed in all subjects and takes honors in three subjects.

A LOCAL ROBBERY.

The grocery store of H. Rackham on Prince St. was broken into Monday night, and a considerable amount of merchandise stolen. An entrance was effected through the collar hat box, and it is supposed the thieves left by the same way. Dozens of matches were found strewn all over the shop, and as they were taken from the match box, the uninvited visitors must have known their ground pretty well. All the loose change in the till was taken, as also a large bottle of confectionery. Nothing else as yet has been missed, but doubtless will be in due course of time.

Darting Pains Around Shoulders and Spine

Brocton Merchant in Hospital or Weeks Cured of Rheumatic Pains by "NERVILINE"

"It would be impossible for me to tell how much I suffered with a sort of travelling rheumatism. It wasn't confined to any particular spot, but wandered over all that area from the neck to the small of the back. Sharp shooting twinges and dull, gnawing aches finally stiffened out my muscles and left me so helpless I had to give up work and go into the hospital. I stayed there three weeks and felt better. Still I wasn't cured and as soon as I started back to work again the pain was as bad as ever.

"I fortunately read of the strange powerful effect Nerviline has over such pain and at once I got five bottles. Four times each day Nerviline was rubbed over the seat of the pain and I could feel it sinking deep into the muscles and sinews that were stiffened and sore. In a short time I was limber, active, free from pain and perfectly cured.

"No other liniment could have cured me but "Nerviline," and I strongly urge its use for Rheumatism, Neuralgia, Sciatica, Lumbago, strains and swellings and all other muscular affections." (Signed) A. M. McLellan.

REMEMBER THIS: Nerviline is five times stronger, far more penetrating, possesses more pain-relieving power than any other known remedy. For fifty years its use has been universal. Beware of the substitute—ask for and get NERVILINE only. Large 25c. bottles at all dealers.

Beer & Weeks for furniture, towels, bedspreads etc. 4-22dtf
