There passed away on Saturday evening last a highly respected resident of Kensington in the person of Miss Grace Webster, aged 68. Deceased will be much missed in the community as she was ever ready to lend a helping hand and was a prominent worker in the Methodist church. She had been ill for some months past and leaves to mourn five sisters, Misses Clara and Grace at home, Mrs. Wm. Bowness, Kensington; Mrs. Marchbanks, New Annan, Mrs. Joseph Rogers, Bedeque and two brothers, Joseph at Kensington and John at Norboro besides many relatives and friends to whom the heartfelt sympathy of many goes out in their bereavement. The funeral takes place today to Margate cemetery.

A branch of the Sons of Temperance known as Wide Awake No 260 was instituted at Campbellton Lot 4, on the evening of Feb. 8th by some of the leading members of Cape Wolfe and O'Leary Divisions. Some very able addresses were given by A. J. Matheson and P. Turner, O'Leary; A. Strang, L. Strang and T. Costain of Cape Wolfe; C. McNeil and J. C. McKendrick of Campbellton. A very appropriate recitation was given by Miss Ada Welsh of Cape Wolfe, and some nice selections in music were furnished by the young people of the place. Following is the list of officers appointed.

Those who have seen "The Lone Tree Mine" drama presented by the Miscouche Dramatic Club consider it a high class entertainment and far above the majority of plays from abroad. See it in Market Hall Tuesday evening Feb 20th. Popular prices. Tickets on sale at Gourlie's drug store. 14dwesatu 3i

The public meeting of citizens in the Market Hall last night was largely attended. Ronald Campbell occupied the chair. The Mayor and Councillors gave a review of the year's work showing that the progressive policy had been pursued and that the finances had been carefully looked after. A number of speakers followed and several matters pertaining to the welfare of the town were discussed. At the close it was moved by John M. Clark, M.L.A., seconded by Neil McLeod and carried, that a vote of thanks be tendered the Mayor and Councillors in appreciation of their services during the past year.

A meeting of the Alberton Freezer Company was held in that town on Friday night. Superintendent McFarlaine of New Glasgow being present on the part of the Government. The years business was not altogether satisfactory, owing to costly operation, but the minutes and treasurer's report were passed and the new board elected for 1906. President John Agnew; Esq., M. L. A.; Vice President, Wm. Champion; Secretary, Willard Waugh; Directors, Rev. A. E. Burke, T. B. Woolman, Dr. Ross, Capt. D. Fraser and James Richards; Auditor, Rev. Dr. Burke. It was decided to fill up the ice-house and fill up the freezer with herring in the spring and advertize ice and bait for bankers. Mr. McFarlaine made an appeal for the maintenance of those bait freezers as the day would quickly come when they will be indispensible. If the Cascumpec were supplied with all the requisites of a fishing station, certainly, no place could outstrip it as a fishing port.

ADVERTISING IS BROAD.

Advertising in itself means publility and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journalist.

Is Silver Cleaning a Bugbear

and does your Silver often go uncleaned because you dread the rub, rub, rub of polishing it, the eyes full of flying powder, and at the end, the Silver each time a little duller than when it came home new?

All this work is now ended. SILVEREASE is a new scientific preparation which cleans the Silver without any trouble on your part. It is in the form of a powder to be desolved in a pan of hot water.
