He was visited recently by our authorized Red Cross visitor and she reports that he is able to be up and go out so we hope it will not be long before he is quite well. You may be sure he is receiving every care and attention. He will be visited regularly and should he be in need of any comforts other than those supplied by the Hospital we will gladly send them to him from our parcels office.

### IN MEMORIAM

MRS. SUSAN GOODWIN

There passed peacefully away at her home in Newport on August 12th, Mrs. Susan Goodwin at the age of 70 years. Deceased who had been in failing health for the past year was stricken down with that dread disease and all that medical aid and tender nursing could do was of no avail. She bore her illness with Christian fortitude and patience. She was frequently visited by her pastor who administered to her the rites of the Holy Catholic Church of which she was a devout member. Deceased was a kind friend and loving neighbor and will be greatly missed from her home where she made all welcome. She leaves to mourn one daughter Mrs. Thomas Sloane who attended her in her illness. The funeral which took place on the 14th inst was attended by a large concourse of people. The funeral mass was conducted by the pastor Rev. D. J. G. McDonald who officiated at the grave. She was laid to rest beside her husband who predeceased her four years ago. May her soul rest in peace. (Boston papers please copy.)

### Sun Burned Skin

You want a healthy summer tan. But sometimes you get it too quickly and then there is a few days of suffering.

The application of Dr. Chase's Ointment takes out the stinging and burning and leaves the skin delightfully soft and smooth

Because it is equally effective in relieving stings of insects and ivy poisoning as well as chafing and skin irritations it is invaluable in the summer camp.

### TRENCH BOOTS

It looks now like another winter in the trenches and the boys will need good boots, in fact we have already received many inquiries for trench boots and have sent several pairs across. After considerable thought and advice from those "over there" we offer the following kinds, believing each in its class to be the best obtainable and at about one half the price charged in England.

### Palmers Trench Boot

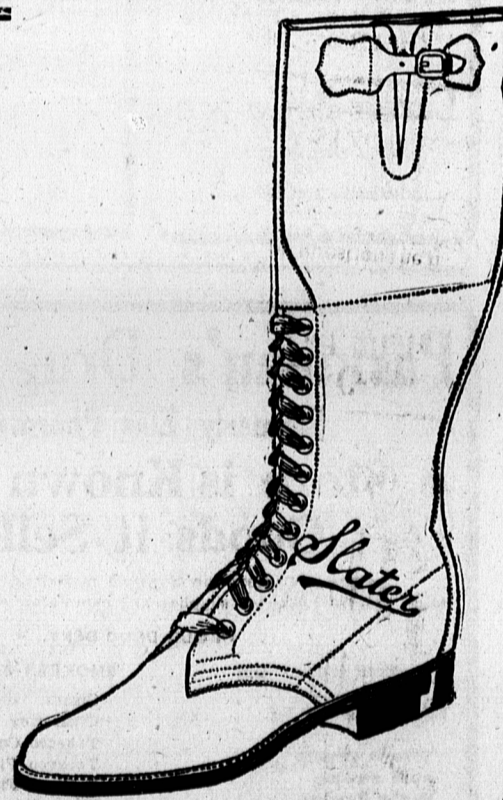

Made of oil-tanned Showhegan leather like a mocassin but with extra heavy soles sewn on by hand, hob-nailed a d steel plates on heels, Price post paid to the front.....\$19.00
