

Better Blood

In consumption and diseases that waste the strength, the blood gets to be very thin, lacking proper nourishment. The secretory organs of the body are starved so that the natural fluids (such as gastric juice) are inefficient to digest the food, and nourish the body.

Park's Perfect Emulsion

enriches the blood supply in the most natural way possible. It is a pleasant, highly nutritious, emulsified food—a combination of pure cod liver oil with Gasciol and the Hypophosphites of Lime and Soda. Any Stomach will retain it and rapidly improve. It assists digestion, tones up the bowels, stimulates assimilation and enriches the blood supply. Consumptive, nursing mothers in valde, and sickly children grow fat on Park's Perfect Emulsion right from the start. There is nothing more beneficial. Ask your physician about it. He knows of its great value in wasting diseases.

Judge McLeod is the proud possessor of an elegant gold cane which was presented to him a few days ago and which bears the significant engraving, "To Judge McLeod from D. B. McLennan and E. Hackett, 1900." It will be remembered that Judge McLeod presided over a case of the recounting of the ballots polled for Messrs. McLennan and Hackett in West Prince at the last Dominion election and the gift coming from these gentlemen shows the spirit of good feeling which is highly appreciated by the Judge.

THE regular meeting of Court Chautauque, No 202, L. O. F., was held Friday evening in Masonic Hall, their new hall not being quite ready for occupation. The officers for the present year, whose names have already appeared in this column, were installed by P. H. C. R. John M. Clarke. The Court had the pleasure of a visit from several members of Court Beausejour, No 187, of Clifton, whom they entertained to a supper at the Russ Hotel, after the meeting. A very pleasant evening was spent by the members of both courts in speeches and song and partaking of the Russ' inviting delicacies.

WHEN IT HURTS TO COUGH

The cough that hurts, the cough that gets tight in the chest, is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption. Such coughs yield only to the wonderful efficiency of Dr. Chase's Syrup of Licseed and Turpentine which loosens the tightness and cures cough and cold together. 25 cents a bottle. Family size 60 cents, sold everywhere.

NOT IN ACCORD WITH THE SPIRIT.

It cures all diseases caused by thin blood and exhausted nerves and makes pale, weak nervous men, women and child ren strong and healthy. 50 cents a box.
