ALL NEWS OF LOCAL INTEREST

Reporters and Correspondents Everywhere.

THERE will be a meeting of the Y in their parlour this afternoon at 4 o'clock. Full attendance is requested.

THE annual meeting of the Y. M. C. A. will be held this evening at 8 o'clock. As matters of considerable importance will be discussed a full attendance is urged.

Rev. D. H. Simpson of Billtown N. S., who preached the dedicatory sermon at the opening of the New Baptist church in Cavendish left for his home by the Princess yesterday morning.

P. C. CROSBY of Marshfield, is playing centre scrimmage on McGill's Intermediate team, and Les Sharpe, of last year's P. W. C. team, on the wing. Crosby's play is well spoken of.

W. L. HOLMAN of Summerside, has been elected Vice-President of the senior year in arts at McGill University. E. W. Bowness of Kensington, has been elected on the Board of Officers in the Sophomore Year in Science.

CITY TAXES.—Citizens are reminded that the time has now arrived when all City Taxes should be paid as they are overdue. Executions are being issued daily for Poll Tax, and lists will be prepared shortly for publication for all unpaid Real Estate Tax.

THE only changes in the Abergweits Football team to play this afternoon are in the half-back line. Trainor will play wing half, replacing Ritchie who is out of town, and Jas. Macmillan who was unable to play last week, will be at centre half. The Abergweits defence will be strong.

THE last lecture of Rev. J. H. Hector in the Opera House yesterday afternoon was as interesting as the previous ones, and that is saying much. Rev. Mr. Hector describes the Queen's Jubilee and his experiences in England were clothed with eloquence and humor, moving the audience at one time to laughter and the next moment to tears. The duets by Rev. Hector and Coffin were much appreciated. At the conclusion of the lecture the colored gentlemen left by the afternoon train for Summerside where they spoke last night.

NORTH TRYON.—Our farmers are always busy; since potato digging has passed by the pulling of the carrot, mangel and turnip crop has come on. The yield of the root crop this season appears to be far above the average of other years.—D. J. Thomson has moved into his newly erected residence. The building has been superbly finished inside and out and is another architectural triumph for H. Thomas.—Hugh Creamer paid a flying visit to his home last week. Mr. Creamer is engaged building a new station house at Georgetown.—Our creamery, under the skilful management of F. Laog, is still running daily with a large supply of milk.—Our general carriage builder, Thos. McNeill, has commenced to build a supply of sleighs to fill the demands for the coming winter. The coverlet of white which was spread over "mother earth" on Saturday night indicates that Mr. McNeill has commenced operations none too soon.—S. N. Dawson has received many handsome offers for his well known trotter, Cook of the North, but Mr. Dawson knows a good horse when he sees one, and does not think he will part with this little beauty for the small sum of \$700.

NEURALGIA.

THIS DISTRESSING COMPLAINT IS DUE TO IMPOVERISHED BLOOD.

When the blood becomes thin and watery, as a matter of course you become weak, vitality get down low, and there is but little power in the system to ward off disease and pain.

Neuralgia hunts out a weak spot, and makes a home there, so secure that it is hard to drive it out. But by using the proper remedies it can be driven from the system, never to return. To obtain immediate relief, first apply to the painful parts, a good quantity of Polson's Nerviline, and then bind on a hot flannel cloth. This local treatment will be found very efficacious, but must be followed by a course of Ferruzone treatment. Ferruzone is a blood food, and a blood purifier, and quickly strengthens the system so that further attack may never be feared. It makes the rich red kind of blood; that gives strength and vigor to weak constitutions and puts them in good shape to resist neuralgia attacks. The combined treatment of Nerviline and Ferruzone in Neuralgia, Sciatica and Rheumatism, is marvellously effective, and our sufferer all else has failed. Because of the unique success of these remedies we have no hesitancy in endorsing their use to our readers. All druggists sell them.

AN IDEAL MEDICINE.

A New Discovery Which Cures all Forms of Catarrh.

The tablet is the ideal form in which to administer medicine, but until recently no successful catarrh tablet had ever been attempted. There is now, however, an excellent and palatable remedy in liquid or powder form, known as Stuart's Catarrh Tablets and sold by druggists, composed of the most recent discoveries in medicine for cure of catarrh and results from their use have been highly gratifying.

The old time treatment of catarrh was in the form of inhalers, washes, douches, sprays etc. Later on internal remedies were used with greater success, but being in liquid or powder form were inconvenient to use and like all medicines in liquid or powder form, lose their medicinal properties when opened or exposed to the air. Stuart's Catarrh Tablets, contain highly concentrated antiseptics, Hydrastin, Blood root, and Red gum which kill the catarrh germs in the blood and mucous membrane, and in this respect are strictly scientific and modern, because all authorities are now agreed that catarrh is a constitutional blood disease, and local applications can have only a transitory effect.

The use of inhalers, douches and sprays is a nuisance and inconvenience and can in no wise compare favorably with the same antiseptics given in tablet form internally, where they can reach the stomach and blood and kill catarrh germs right where they are produced.

A prominent lawyer and public speaker of Pittsburg says: I have been troubled with catarrh of the head and throat for twelve years. In this climate it seems impossible to get rid of it. The continually dropping of mucus from the nose into the throat caused irritation and hoarseness, seriously interfering with my public speaking. It took me an hour or more of coughing, gagging, expectorating and sneezing every morning before I could settle down to work and this condition gradually brought on catarrh of stomach, causing loss of appetite, poor digestion and a foul breath, which annoyed me exceedingly. My physician advised me to try Stuart's Catarrh Tablets and I took them for two months and was astonished to find how quickly they cleared my head, throat and stomach and I have no hesitation in recommending them. They are not only pleasant to take, but they seem to get at the very root of the trouble, because since using them I have had no trace of catarrh. Druggists sell Stuart's Catarrh Tablets at 50 cents for full sized package.

They can be carried in the pocket and used any time and as often as desired since they contain no cocaine, mercury or any other injurious drug.
