Phillies President Barred From Baseball For Life By Commissioner Landis

By Charles Dunkley
Associated Press Sport Writer
CHICAGO, Nov. 23 (AP)—In the most drastic action of his 22 year old regime, Kenesaw Mountain Landis, commissioner of baseball, today barred William D. Cox, president of the Philadelphia Phillies, from baseball for life for gambling on games in which his club was involved.

Landis ruled Cox was "permanently ineligible" to hold any baseball office hereafter, either in the major or minor leagues. His decision was reached after a three months investigation that included several interviews with Cox by Landis.

After the ouster had been announced, directors of the Phillies, meeting in Philadelphia, elected a 27 year old former Duke football player, Robert R. M. Carpenter of Wilmington, Del., president, succeeding Cox. Carpenter's father, an executive of the E. I. DuPont de Nemours and Company, purchased all of Cox's stock, the exact amount of which was not revealed.

Landis in a two page typewritten statement reported:—

1. Cox had resumed as president and director of the National League Phillies last Thursday.

2. Investigation of reports that Cox was betting on games last season was begun in August.

3. A week ago he notified Cox that a hearing on the charges would be held in New York Dec. 4.

4. As the result of admissions by Cox and because Cox refused to attend the Dec. 4 hearing in an effort to clear himself, Landis was obliged to notify Cox that:—

"Your betting on baseball games of the Philadelphia Club, as of which you are in charge of operations you had a 'duty to perform' requires me... to declare you to be permanently ineligible to hold any office or employment with the Philadelphia Club or any other club or league party to the major league agreement or minor-league agreement."

Cox, wealthy 34 year old New York lumberman and sportsman, executive of the financially troubled Phillies as president and syndicate head less than a year ago and his "line in the game was marked by a series of tempestuous events, culminating in the sudden firing of Stanley (Bucky) Harris as manager of the club in the middle of last season.

Bruins Recovered From 10-4 Shellacking Defeat Toronto Maple Leafs 8-5

BOSTON, Nov. 23—(AP)—Rebounding from Sunday's 10-4 drubbing in Montreal, the most humiliating setback in their 20 National Hockey League seasons the Boston Bruins out-skated the Toronto Maple Leafs for an 8-5 victory tonight before a 10,000 crowd at the Boston Garden.

The veteran Buzz Boll making his first start of the campaign, started the Bruins off on the right foot early in the opening period when he scored without assistance.

Such seasoned Boston operators as Busher Jackson, Bill Cowley and Herb Cain were so inspired by the Bruin's feat that each of them drove two pucks through goalie Benny Grant and the other Boston tally was provided by Don Gallinger.

Tracy plays a newspaperman who, investigating the strange death of a prominent American leader, comes to fall in love with his widow, played by Miss Hepburn, then, as circumstances point to suspect her of complicity in the death of her husband. Torn between love and duty, Tracy figures in a series of intensely dramatic incidents with Miss Hepburn, including a dramatic climax in a burning arsenal during which the truth clears the heroine and clears up the mystery.

Laid mostly in and about a great country estate and a nearby small American town, the production is elaborately staged, and interestingly photographed by William Daniels. A vivid musical score by Bronislaw Kaper points up the dramatic highlights and tense scenes between Tracy and Miss Hepburn.

Army Clashes With Navy Team Next Saturday

WEST POINT, N.Y., Nov. 23—(AP)—There is nothing of the defeatist attitude around the army military academy on the Hudson as the day for the annual reckoning with the Navy football team nears. Come next Saturday in cozy Michie Stadium the cadets expect to give the invading Midgies a busy afternoon, with an Army victory at least an even gamble.

Even Lt.-Col. Earl (Red) Blaik, not given to over-enthusiastic statements, ventures bravely:—"Nobody else seems to think so, but I think that on a dry field we have an even chance."

Must Obtain N. B. A. Approval For Title Fight

PATERSON, N. J., Nov. 23—(C.P.)—The National Boxing Association announced today a move to "shotgun" championship return houses, the financially troubled and based on championship merit.

N. B. A. President Abe J. Green said the organization would deny championship recognition to any contender unless the proposed match first had been admitted to the N. B. A. for approval.

The ruling was adopted, Greene said, "to avoid the go-saw game such as is now operating between Bob Montgomery and Beau Jack, in which first one, then the other, gets a return bout."

"If a man loses a title, and there is public demand or a sportsman-like reason for a return bout, naturally N. B. A. would approve," Greene said, "but the very managers and fighters who try for a championship opportunity resort to all kinds of ruses and subterfuge to avoid giving other contenders the same chance."

Livestock Sales In Montreal

The following information was secured yesterday by the federal livestock officials here with regard to the Montreal market.

1970 cattle including 100 held over from last week. No sales. 1478 calves including 370 held over from last week. Trading dull, a few grass calves sold from 6 to 7 cents a lb. 2815 hogs including 1275 held over. Prices steady at \$17.15 dressed weight. 3832 sheep and lambs. Early sales steady with last week at \$1.14 for medium ewes and wethers. Sheep steady 3 to 7.

As a result of the new bacon agreement with Great Britain hog prices on this market are now 50 per cent higher than the price quoted two weeks ago. Due to the heavy run of live-stock, particularly hogs, at all packing plants, farmers are being requested to hold back all heavy sows and lower grades of cattle and calves until the present rush eases.

C. W. A. C. Private Faces Charge

NEW YORK, Nov. 23—(CP)—Betty Trimble, 19-year-old private in the Canadian Army Corps, was given suspended sentence by Judge George Donnellan when she appeared in court today in a charge of larceny.

Maj. Reginald H. Marlow, attached to the Canadian Consul-General's office in New York, told the judge that Trimble was suspended back to her barracks in Toronto to face a hearing on a charge of being absent without leave.

Pte. Trimble had pleaded guilty Nov. 8 to the petty larceny charge. She had been indicted for second-degree grand larceny after her arrest Oct. 22, following a chase near the Women's Military Services Club in mid-town New York. She was accused of stealing articles belonging to service women at the club.

Boy Pleads Guilty, Will Be Sentenced

POUGHKEEPSIE, N.Y., Nov. 23 (AP)—Thirteen-year-old Edwin Codarre, one of the youngest New York State residents ever to stand trial for his life, escaped the electric chair today for the rape-slaying of a 10-year-old girl, but left court certain of years of confinement.

The New York City boy will be sentenced Dec. 6 on his plea of guilty to a charge of second degree murder, made as the defence was about to open in his first degree murder trial for the killing of Elizabeth Voigt, near her home in east Fishkill last Aug. 15.

Dutchess County Judge J. Gordon Flannery accepted the plea to the reduced charge, he indicated, because of the defendant's youth.
