Alberton

Miss Leitha Crue of Summerside recently enjoyed a brief holiday with her friend, Miss Bertha Bonness, Montrose.

Mr. Bill Broderick has returned to resume his duties in Summerside, after a week's stay at his former home here.

Outstanding among the recent entertainments was the "Dance" in the Alberton Parish Hall on Friday evening, when Don Messer and his orchestra played. The hall was filled to capacity and the out-of-town guests were numerous.

The Alberton Parish "Dramatic Club" presented their three act comedy entitled, "The Absent-Minded Bridegroom" in Emerald Hall on Monday night. They plan staging the play here in aid of the library, some evening the latter part of May.—A.

At a recent meeting of the local Film Council it was decided to take advantage of the offer of the National Film Board to place a projector in the community. There were several interested persons in attendance and various suggestions have agreed to do their best to fulfil the requirements of the offer. Previous the above meeting the following pictures were shown to a large and appreciative audience in the Women's Institute Hall at 8:30 p. m. "Newfoundland, Sentinel of the Atlantic," "The Royal Tour of South Africa," "Tale in a Tea-cup" and "Fine Feathers."

After the showing of the pictures, Mr. Sullivan spoke briefly on the Bliss Crown. The Women's Institute has agreed to sponsor same in Alberton and will work in co-operation with the competent secretary, Mr. Winston Currie. It is hoped, that many people will take advantage of this non-profit service, about which the citizens will receive full information in the near future.

ers: Lionel DesRoches, Louis McMillan, John Thibodeau, Daniel Gallant, Grade II; Armand Gaudet and Maurice Gaudet, Grade IV; Bernard Laughlin, and Edward LeClair, Grade V. Offerings for the flowers were taken up by Mr. Raymond LeClair, Grade VIII and Edward Gaudet, Grade IX. Our Lady's banner was carried in procession by Desmond McNeill, Grade XI with four tiny tots carrying the ribbons: Emmet Williams, Dennis Gaudet, Edwin DesRoches, Francis Laughlin. The climax of the ceremony was the crowning of Our Blessed Lady by Mr. Francis A. DesRoches, Grade XI, just as innocent, youthful voices of boys and girls, rendered the beautiful hymn "O Mary we crown thee with blossoms today." The Pastor, Rev. J. D. Kelly then addressed the children very appropriately, very kindly, very beautifully, urging them to know an exemplary life not only in theory but also in daily practice, for only then would Our Lady be proud of them as her children. The Convent choir of which Mr. Elmer and Reggie DesRoches, both of Grade VIII, were soloists, rendered the beautiful hymns during Benediction of the Blessed Sacrament which closed the memorable ceremony.

the time the place the girl and the Chesterfield!

It's difficult to find a more pleasant combination than this, with dim lights, soft music and a general aura of quiet prevailing to make the picture complete. Smallman's Furniture Department has Chesterfield suites to fill this and every other purpose.

We also have a striking new Simmons davenport suite, with honey maple frame, which can promptly be turned into a bed with only a flick of the wrist. Just the thing for unexpected overnight guests! Two chairs come with this set.

Bedroom Air Chairs are our special for this week, with chintz covering in either pink or yellow backgrounds. As we have only two of these chairs left we are offering them at \$12.95 in place of regular price of \$17.50.

Now that we can more or less expect warm weather everyone will be thinking of the pleasant days soon to be spent at summer cottages. Perhaps your cottage needs extra furniture this year. At Smallman's Furniture Dept. you will find chrome chairs with leather covered seats and backs which would be just the thing for durability and neat appearance either in the cottage or on the lawn.

To make your vacation more enjoyable, we suggest that you take along a portable radio or an RCA Victor phonograph with records to enjoy. This is a special boon on a rainy day when you have to stay indoors, and with a radio on the premises Dad will be more content because he won't miss the "News." At the end of a perfect day the younger fry will be able to stage their own dances on the shore by the light of the moon.
