YOU USE ONE PAPER ONLY?

Then Direct Your Efforts to the Readers of The Guardian.

Advertisers who have a "one paper proposition" find it to their advantage to use the ONE paper that has the largest home circulation amongst the buying, thinking and influential classes.

You don't have to consider the entire press of the country or of the city when you advertise. Concentrate upon the readers of one paper and make up your mind to make customers of them by advertising in the columns of just this one newspaper.—JOS. A. RICHARDS Agency, New York.

If you want to practically cover Charlottetown, Queen's County and Prince Edward Island with BUT ONE newspaper you will make no mistake by using the Daily and Tri-Weekly editions of

The Charlottetown Guardian. FOR NEARLY EVERY BODY READS IT.

ONLY A Common Cold

BUT IT BECOMES A SERIOUS MATTER IF NEGLECTED. PNEUMONIA, BRONCHITIS, ASTHMA, CATARRH OR CONSUMPTION IS THE RESULT.

Get rid of it at once by taking Dr. Wood's Norway Pine Syrup

Obstinate coughs yield to its grateful soothing action, and in the recurring, persistent cough, often present in Consumptive cases, it gives prompt and sure relief. In Asthma and Bronchitis it is a successful remedy, rendering breathing easy and natural, enabling the sufferer to enjoy refreshing sleep, and often effecting a permanent cure.

We do not claim that it will cure Consumption in the advanced stages, but if taken in time it will prevent it reaching that stage, and will give the greatest relief to the poor sufferer from this terrible malady.

Be assured when purchasing to use that you get the genuine Dr. Wood's Norway Pine Syrup. Put up in a yellow wrapper, three pine trees the trade mark.

Mr. Wm. O. Jenkins, Spring Lake, Alta., writes: "I had a very bad cold settled on my lungs. I bought two bottles of Dr. Wood's Norway Pine Syrup but it only required one to cure me. I have never met with any other medicine as good." Price 25 cts., at all dealers.

ADVERTISING IS BROAD. Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended in this end be adjudged extravagant.—American Medical Journal 1st.
