Elmsdale and Vicinity

Mr. and Mrs. John Bulger of Wellesley, Mass., who have been visiting their relatives in Elmsdale and Lot 7 for the past three weeks returned to their home on Monday.

Miss Margaret Brennan of Boston is spending her holidays with her parents, Mr. and Mrs. William Brennan, Elmsdale.

The many friends of Mrs. William Walsh regret to hear of her illness and all hope for this aged lady's speedy recovery. Her son, Brother Camillus of New York is spending a brief holiday with his mother. Mr. William Walsh of St. Peters recently visited his mother, Mrs. William Walsh.

Mr. Vincent Handrahan, Tignish, recently visited at the home of Mr. Charles Dunn.

Miss Enid McArthur of Boston, Mass., is at present at her home in Alberton, the guest of her mother Mrs. William McArthur. Her many friends are extending her a hearty welcome.

The tea party at the exhibition grounds, Alberton, on the 20th inst., was a splendid success despite the fact that the earlier part of the day was threatening. A large crowd attended and enjoyed a very pleasant afternoon, and all were unanimous in their praise of the bountiful delicacies served by the ladies, pronouncing the fables second to none in the province. A substantial sum was realized.

Miss Noreen O'Brien of Elmsdale spent the weekend in Charlottetown.

The recent showers of rain have greatly retarded the farmers in this vicinity in putting up their season's crop of hay.

Mr. Eugene McCarthy, Brockton, entered the Prince County Hospital on Tuesday for treatment. His host of friends hope for his speedy recovery.

Mr. Bennet Kelly of the Registrar's Office, Summerside, spent a few days visiting friends in Wester Prince.

Mr. J. W. O'Brien was a visitor to Summerside on Tuesday.—E

BONDED CHINESE TRAVEL EASTWARD

WINNIPEG, July 27—Enroute to the eastern seaboard and New York, four special cars of bonded Chinese passed through Winnipeg recently.

One of the group, Chin Ying of Hong Kong, who will study medicine at University of New York, spoke English fluently.

"Conditions in China, especially Canton and Shanghai, are deplorable," he said. "The Japanese raided Canton four times a day during the week I was there and people were slaughtered like flies on the street. It is with much relief we find Canada so peaceful and its people so kind to those of my race."

Many of the Chinese are bound for Trinidad and South America to work as coollies on tropic plantations.

REVIVE MEMORIES RIEL REBELLION

ST. BONIFACE, Man., July 27 — Members of the Union Nationale Matisse celebrating the 51st anniversary of the Union here, revived memories of the Riel Rebellion at the junction of the Red and Assiniboine Rivers in 1879 and paid tribute to Louis Riel and his chief lieutenants.

Prominent among old timers gathered to talk of days gone by was Mrs. Irene Harkness, born 37 years ago on the banks of the Assiniboine.

"It was all prairie when I was young," she said. "Much more beautiful than now with all the dust and shacks."

Mrs. Harkness terms the Riel insurrection trouble a "lot of nonsense."

Unity and simplicity are the true sources of beauty.—Wickelmann.

Don't Be Fooled About Constipation!

Many people, when constipation hits them, just reach for the medicine shelf, dose up with a physic, and try to forget it—*till the trouble comes back.* And come back it usually does—more and more often—till you get at its *cause.*

If you eat what most people do—just bread, meat, potatoes—chances are just this fact causes your trouble: *lack of "bulk."* And "bulk" doesn't mean a lot of food. It's a *kind* of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and aids elimination.

If that's the reason for your trouble, what you need is a good dish of crunchy Kellogg's All-Bran for breakfast. It contains the "bulk" you need plus Nature's great intestinal tonic, vitamin B_1.

Eat it every day, drink plenty of water, and join the "regulars." Made by Kellogg in London, Ont.

On Monday evening members of Middleton Women's Institute gathered at the home to wish Miss MacCardle, who was the very efficient teacher in that district for four years, much happiness in her new life. The spacious rooms were filled to capacity with the Institute members and their friends. After the visitors had exchanged greetings with the bride-to-be and her family, Mrs. Wilfred Craig was called upon and read a short address to the guest of honour, Mrs. Sutherland Wright presenting her with a lovely silver casserole with a pyrex lining. Miss MacCardle very graciously replied to the address, and thanked the members for their lovely and very useful gift and extended a hearty welcome to them all to her future home in Summerside. Ice cream and cake was served at the conclusion of the evening. On Tuesday evening Miss MacCardle was again honoured, this time by neighbours and friends in the district. Many lovely gifts with accompanying good wishes were bestowed upon the happy young lady, who graciously acknowledged them. After refreshments had been served a social time with music was enjoyed. S.

Sonja Henie In Happy Landing At Capitol Theatre

The patrons of the Capitol Theatre are very lucky this week in having such a production as "Happy Landing" for the mid week attraction.

This 20th Century Fox production features Sonja Henie in this breath taking picture of the Norseland. This is Sonja Henie's third screen hit and this charming young actress is more radiant than ever.

Surpassing the breathless sensations of "Thin Ice" with scintillating songs, songs and more songs, by Pickrass and Yellen, the wonder girl, breathlessly in love, veritably brings happy tidings, thrilling as even she never thrilled before.

Cesar Romero, cast as an egocentric orchestra leader who, with his companion, Don Ameche, flies across the Atlantic, starts this musical of superlative splendor on a fast moving pace. An ocean fog puts the fliers off their course and they land in Norway where Jean Herholdt's five daughters (one of them Sonja) are happily engaged in a "Brides' Fair" festival.

The local custom that a young man who dances twice with a girl is proposing to her gets Romero involved in a love affair which is all hero-worship on the part of a lovelorn Sonja, and all basking in the ever-satisfying warmth of egotism by Romero.

Don Ameche, sincere in his interest, tries to keep things on an even keel, but there is the matter of another girl of Romero's back in the States.

The two fliers swing from Norway to Paris, Miami and New York in the course of the story. How Romero finally is engaged by Ethel Merman—and how the "One In A Million" sweethearts, Sonja and Don, are reunited—is a silvery, sumptuous, superlative musical from Hit-Creator Darryl F. Zanuck.

The two love stories are capably handled by Director Roy Del Ruth from the orginal screen play by Milton Sperling and Boris Ingster.

The songs will on every one's lips before many days have passed.

And the thrilling scenic backgrounds to the production numbers will amaze the movie audiences with their shimmering splendor.

Vitas Hang 11-8 Defeat On Pioneers

The Vitamannas finally broke Pioneers winning streak by taking a well deserved 11-8 victory last evening. The winners piled up an early lead in the first four innings and staved off a later rally by the Pioneers in the ninth. The errors were about evenly distributed in a well played game but the Pioneers committed their's at bad times allowing the Vitas their two big rallies.

To start the second, Dodds made a bobble on McInnis' easy fly and this with a hit batsman, base on balls and three singles gave the Vitas five runs. Four costly errors in the fourth gave the visitors four more counters, all of which were unearned and this was sufficient to tuck the game away.

The Pioneers collected five hits in the ninth, including a homer by Millman and a triple by Lidstone to score five runs, but Daley struck out Dodds for the third out, leaving Lidstone on third and ending the rally. Gay and Daley each went the full nine innings and just about divided honors in a well pitched game. Steele's snaring of Boates' hard drive to right in the seventh was one of the features of the game, and Lidstone made a lovely snare of LeBlanc's wallop to centre in the sixth. Millman batted four for five including a homer to right to cop batting honors. The Vitas' infield played lovely ball having only two errors.

The next game will be on Friday evening.

NEW LONDON W. I.

The regular monthly meeting of the New London Women's Institute was held at the home of Mrs. Ira MacKay on July 14th, with an attendance of twenty one members and five visitors. The president presided and opened the meeting with the Institute Ode and Creed, followed by the roll call.

The minutes of the previous meeting were read, approved and signed. The sick committee reported having made two calls and taken fruit. It was suggested we have an ice cream social to raise some money, so the necessary plans were made.

A report was given of the annual Woman's Institute convention which was held in Charlottetown, and a vote of thanks was very kindly tendered the delegates. One new member was welcomed. The next meeting is to be held in the afternoon at the shore if fine and if not fine it will be in the evening at the home of Mrs. Murray MacKay, roll call to be answered with a joke. The collection amounted to one dollar and ninety six cents. The social hour consisted of a contest, and a pleasant intercourse. Refreshments were served and the meeting adjourned.

BUILDS BUSINESS ON SHOE STRING

WINNIPEG, July 27—Five years ago unemployed Hans Broe invested his last $60 in a boat garage on the banks of the Red River in the heart of the city. Today he employs six men and his investment has grown to 600 feet of docks, almost 100 boats and two machine shops.

Born 46 years ago on a remote Danish island in the North Sea, Broe first came to Winnipeg in 1919. In 1933, jobless and almost penniless, he conceived the idea of a boat livery to beach resorts. "The river water is as clean as lake water, perhaps cleaner," he thought. Since then his business has grown steady. On his own property he has filled in river bank slides which required 3,000 yards of earth.

"It hasn't been easy, but it has been good," said Broe, "I sleep on the job, and don't get as much out of it as the men do." He visions of the day when slow-plying houseboats and pleasure-craft will sail the river and its banks will be banded with driveways and dotted with swimming pools, boat houses, and havens of recreation for tired city folk.

SKUNK INVASION

LUMSDEN, Sask., —(CP— The other day a visitor at M. Syroizka's home here 30 miles northwest of Regina noticed a young skunk under the veranda. It was destroyed. A little later Mrs. Syroizka found three little skunks in the garden. A neighbor shot them. That afternoon Mrs. Syroizka discovered two more curled up in her slippers.

Yacht Races Are Viewed By Large Crowd

Yesterday saw some good racing on the harbor at Summerside when four yachts belonging to the Summerside Yacht Club and the Zepher from Borden took part in a friendly race, on a five mile course. Five yachts took part: Mayflower, Robert Fraser; Goldfinch, Captain Stright; Woodpecker, Ray Tanton; Mimmimigash, Max Gallant; and the Zepher, Roy Sherry. Commodore Campbell handled the starting signals. There was a very good breeze which made the racing interesting for the large crowd watching from the Railway Wharf.

The course taken was number seven anti clockwise on outside triangle. The first leg was w.n.w. course out to the first marker southwest of rifle range. The second leg carried the course to a marker west of Holman's Island s.s.e., third leg from Holman's Island to Government marker off Railway Wharf e.n.e.

The Goldfinch did not start in the first race as her skipper was placing the buoys for the race. Four yachts crossed the starting point in the first race, the Zepher leading the fleet around the course to within a few yards of the finishing line when the Mayflower worked out in front, finishing seconds ahead. Zepher 2nd; Woodpecker 3rd; Mimmimigash 4th.

The second race started off well, the Zepher working out a good lead until almost at the finishing line when her skipper went into a luffing match with the Government buoy stalling his craft, while the Goldfinch, which was some distance behind crawled steadily closer to his stern. Sherry, however, got his ship underway just in time to cross the line seconds ahead. Goldfinch 2nd; Mayflower 3rd; Woodpecker 4th; Mimmimigash 5th.

In the third race the boats started off in a bunch, the Goldfinch outsailing the others on the first leg, losing some in the second with the Zepher gaining. A short time after rounding the second marker on the third leg which was a beat to windward, the Goldfinch had the misfortune to carry away her mast which had just been repaired after an accident in the Charlottetown regatta. Bobbie Fraser with the Mayflower fell out of the race to go to her assistance, Zepher finishing first; Mimmimigash 2nd; and Woodpecker 3rd. S

NO BANDIT CAR OWNER SAYS

VANCOUVER —(CP) —George E. Chester was almost arrested for "stealing" his own car. A friend who had borrowed the car reported it stolen when he returned to find it gone from a parking place. Police spotted the auto and gave chase but were nearly run down by Chester who had taken the automobile. The mixup was explained by Chester who said he thought the officers were bandits.
