## WESTERN GUARDIAN

**—HOME AND SCHOOL ACTIVITIES—**The regular monthly meeting of the Kensington Home and School Association was held on Thursday, November 17. Mrs. J. R. Holman presided and opened the meeting in the usual way. The committee appointed to look after the reading contest visited the school and explained to six grades, from three to eight, that the Home and School Association are offering a prize in each grade for the best diary of books read in the next three months. The committee appointed to arrange a window display in connection with "Book Week" had a very nice display in a prominent window on Main Street. After the business session concluded the guest speaker, Mr. Davies, gave a most interesting discourse on "Books". It is planned to have some films shown at the next meeting. On Friday afternoon, Nov. 25th the Home and School Association served afternoon tea in the music room of the school when parents and teachers were given an opportunity to meet and discuss school problems. The attractively arranged table was presided over by Mrs. F. R. Nauss and Mrs. Wilfred Taylor while a bevy of young ladies served delicious refreshments. Mrs. Carry Kennedy attended the door and the president, Mrs. J. R. Holman was assisted in receiving by Mrs. Ralph MacMillan. During the afternoon several piano selections were played by Rev. Lewis Murray and Mrs. Judger. Miss Geraldine McLean expressed the appreciation of the teachers for this pleasant diversion at the school program while Mrs. Harold Woodside expressed thanks for the presents.—K.
