MINARD'S LINIMENT

CURRENT COMMENT

(Continued from Page four) tive offices of the State. While from the King in his Palace to the President in his Mansion down to the smallest representative in Government in every civilized country of the world, the state provides not only apartments but extensive equipment for their representatives, this Province alone, bearing the honored name of Prince Edward, carries away this palm of inhospitality and penuriousness shamefully and shamelessly to the discredit of our country, contemptible in the eyes of our own people, a brand of reproach stamped by the Bell Government upon a loyal people without duplication in any other corner of the British Empire.

Yes, the mouth of His Honor is closed to the real facts, but the people have the right to speak, and if they rise to this occasion as they have in other emergencies, there need be little time lost in putting an end to the disgrace and drawbacks under which we so unfortunately live.

\$2,000,000 GIFT TO EUROPEAN RELIEF

NEW YORK, March 2.—Addition of gifts of \$2,000,000 from the Rockefeller family to the European Relief Council were announced today by Herbert Hoover, chairman of the council, who pointed out that the two gifts—one of \$1,000,000 from the Rockefeller Foundation and another of \$1,000,000 from the Rockefeller Memorial Fund—brought the total of the contributions of the family to more than \$3,000,000.

With this sum the gifts of the family to foreign relief in Europe and China since February 1, closely approach \$4,000,000 and John D. Rockefeller, Jr., gave \$1,000,000 in his own name to the European Relief Council and members of his own family made various smaller gifts, as well as aiding in the campaign.

According to the announcement of the relief council, the last Rockefeller contribution goes specially to the largest unit of the Council, American Relief Administration. This agency was organized by Herbert Hoover, was largely fostered by the Government during and after the war, and has been made the nucleus of the relief work in Central and Southeastern Europe.

A contribution of \$500,000 by the American Red Cross to the China Famine Fund also was announced today by Thomas W. Lamont, chairman of the American Committee.

This appropriation makes a total of \$1,000,000 by the Red Cross, which will be immediately available for relief work among the famine victims of three of the five northern provinces of China.

Twin Sisters Inseparably Joined

NEW YORK, March 3.—Twin sisters, joined together more fast than the famous Siamese pair exhibited some years ago by Barnum, came to town today from Prague, once Bohemia, but now Czechoslovakia. The sisters, who are joined flesh to flesh, from above the hips almost to the knee, are Rosa and Josefa Blazek.

The inseparable twins, who speak English, Bohemian, Russian, Polish, and German have conflicting tastes and also ailments. On the way to the United States Rosa became seasick while Josefa remained well. But Rosa found ice cream soda as concocted in New York rather palatable, whereas her sister didn't.

The sisters are in New York for scientific reasons. Twenty-five physicians are to make a study of the remarkable trick of nature in joining them to each other. They will stay here some months. The "Bohemian Twins" have been famous in Europe for more than a generation. They are well accomplished in music. One peculiarity of their life is that when one moved the other is dragged along, willingly or otherwise. The widow is the more active and the splasher the more yielding.

Says Bolshevism Makes Necessary Expert Riflemen

OTTAWA, March 3.—The annual meeting of the Dominion Rifle Association was held here Tuesday. Major-General E. W. Wilson, C. M. G., Montreal was re-elected president. His excellency the Duke of Devonshire, patron of the association, in addressing the meeting congratulated the association on its success of 1920 as did Hon. Hugh Guthrie, minister of militia, and Major-General Sir Sam Hughes. The meeting was largely attended and representatives were present from all the provinces of Canada. Considerable discussion took place regarding the difficulty of retaining rifle ranges, the tendency, it was said, being for local authorities to dispose of the ground for town lots, etc. It was urged that suitable accommodation in this respect was necessary to retain interest in rifle shooting. It was also urged that increased facilities in the matter of expenses must be provided if more candidates are to be obtained for the annual shooting competitions. One member made the rather startling suggestion, however, that the railway companies might be apportioned to grant such concessions on the growth of "Boleh" lists, Socialists and other lists, the men who could shoot properly might be needed for the protection of their property and as such might be advanced as an argument for assistance in the matter indicated.

General J. H. MacBrien appealed to the members of parliament present to use their influence in getting an act passed so that moneys derived from the sale of lots formerly used as ranges should not go to the receiver-general but should be retained for military purposes.

Other officers elected for the year (include): Patron, his excellency, the Governor-General; honorary president, Hon. Hugh Guthrie, M. P.; honorary vice president, Major-General J. H. MacBrien; vice-presidents, Lieutenant-Colonel H. Flowers, R. C. Halifax; Major-General H. H. McLean, R. L. M. P.; St. John. (N. B.); Lieutenant-Colonel W. P. Provost, D. S. O., Charlottetown.

MRS. WILLIAM COOKE

There passed peacefully away on Sunday morning, February 27th at the home of her daughter, Mrs. Jas. Hughes, Covehead, Hanna Vessey, widow of the late Wm. Cooke and only daughter of the late Wm. Vessey, York, Mrs. Cooke was born in August, 1835 and spent the greater part of her life in York—but about two months ago went to live with her daughter. During her illness of one week she received the best of care and tender nursing, which proved of no avail. She was a well known and highly respected member of her community in which she had a kind friend and neighbor. The funeral took place on Tuesday and in spite of bad roads was largely attended. Service at the home and grave were conducted by Rev. Mr. Littlejohns. An only brother Robert Vessey died about two years ago. The following children are left to mourn: Mrs. Jas. Hughes, Mrs. E. H. Duchesne, Mrs. Dan MacMillan and Mrs. Wm. Sellers; also three sons Artemas, Pisquid; Gordon, Charlottetown, and Pope and the homestead. The pall bearers were: Mr. B. R. Brown, George Bealton, Heber Lewis, Albert Proud, Frank Howard and Charles Hughes.

MR. MOSES MARTIN

The death occurred at Rustico on February 26th, of one of its best and most trusted residents, that of Mr. Moses Martin. The deceased was sick for a short time and strengthened by the Sacraments and the hope of an Eternal Reward, his end was peaceful. What makes this death more sad is the fact that Mrs. Martin has been an invalid for many months. He leaves to mourn besides his wife, two sons, Jonas at home and Henry in Chatham, N. B., also two daughters, Josephine and Mary at home. Deceased had a son who was killed in the late war.

MRS. MURDOCK MCINTOSH

A great shock fell upon the community of Springton on Friday, February 26, when Mrs. Murdock McIntosh was suddenly stricken with apoplexy and passed away without regaining consciousness. Mrs. McIntosh had been about her usual household duties that day and had been in good health so that the blow came with a tragic suddenness to the bereaved family.

At the early age of twenty-one the youngest son of Mr. and Mrs. John Phillips, (White Sands) John Phillips, Jr., was removed by death on Saturday 26th of Feb. A few days previous to this date there were symptoms of appendicitis which seemed to be by no means dangerous. Medical aid was at hand from the first. The case developed rapidly and made an operation urgent. No time could be lost and in the course of a few hours three doctors came to the house and operated, but it was too late. Death ensued some hours afterwards.

The deceased was a special favorite with his parents. Besides these he leaves to mourn his early death, three brothers and five sisters. The funeral was held on Monday when a large number of sympathizing friends gathered at the home. Service was conducted

The deceased was a devoted Christian woman, a veritable mother in Israel, beloved of all for her kindly ministrations in times of sickness and distress. Her death was deeply regretted by the whole community in which everyone was her friend and none her enemy. She died as she had lived leaning on the promises of God.

There are left to mourn besides a sorrowing husband, seven of a family, three boys and four girls, namely: Charles in Alberta, Margaret, Effie, and Clara (Mrs. Burnett) in U. S. A., Angus, Eben and Winnie at home. The funeral was delayed in order that two of the family might reach home to look for the last time upon the face of a loving mother. Now passed into eternal peace. The funeral service was conducted by the Rev. John Stirling who preached from 1st. Corinthians, 16-17. Thanks be to God who giveth us the victory through our Lord Jesus Christ. Mr. Stirling preached a message full of comfort and inspiration.

Notwithstanding the bad condition of the roads the funeral was largely attended, many coming a long distance to pay their last tribute to one so dear to all. The pall bearers were: Messrs Donald Lamont, (Capt.) Cyrus Martin, Gordon McLeod, Kenneth McLeod, Alexander Cairns, Nell Cameron. Besides the family mentioned above the late Mrs. McIntosh leaves five brothers and three sisters, three of whom reside in Charlottetown, namely, Murdock and Charles Ross, and Mrs. E. Wheatley. To the bereaved family and relatives we extend our sincere sympathy.

SOVIET CHIEFS FLEE TO CRIMEA

HELSINGFORS, Mar 2.—Vasily Ostrov, a suburb of Petrograd is in the hands of the insurgents and cut off from other parts of the city according to reports from the Russo-Finnish frontier. Fighting continues in the district between sailors and workmen on the one hand and officers on the other.

Rumors are current that Lenin and Trotsky, the Bolshevik premier and his war minister respectively, have fled to Crimea.

Free The Prisoners

On February 25 at the Nichols Vauxhall, about forty communists were killed and 50 arrested. Bands of strikers stormed the Division prison and freed a number of sailors. They held demonstrations in the streets, carrying banners with such inscriptions as "Down with Soviets" and "Communists." At the outbreak of the disturbances the Red soldiers divided their arms among the rebels but took no further part in the proceedings.
