"I WAS SICKLY AND COULDN'T EAT"

Then Kellogg's ALL-BRAN brought permanent relief

Constipation takes its toll in health and happiness — but read what Mr. Jessup has to say:

"I was always sickly and could not eat —but last May I was told about Kellogg's ALL-BRAN. Since using Kellogg's ALL-BRAN I have not lost a day's work. In May I weighed 109 pounds. I now weigh 135 pounds, and it's all due to eating Kellogg's ALL-BRAN."

J. E. JESSUP (Address on request)

Don't let constipation sap your health, undermine your strength. It can cause over forty serious ailments! Blotchy skin, sick headaches, nervousness, anemia — are but a few of the symptoms. Beware!

Kellogg's ALL-BRAN is guaranteed to relieve the most chronic constipation if eaten regularly. Because Kellogg's is ALL BRAN —a 100% bran product — 100% effective.

Eat Kellogg's ALL-BRAN with milk, cream and fruit. Use it in cooking too. Made by Kellogg in London, Canada, and sold by all grocers. Served in all restaurants.

If Shingles could speak they would ask for PROTECTO!

Shingles, sidings and other rough wooden surfaces would not be content with shingle stain if they could but ask for this new preservative paint that outshines shingle stain in color beauty and outlasts it in weather resisting quality.

PROTECTO is unquestionably the shingle beautifier of the future. Made of Creosote and Pure Linseed Oil—in rich colorings—it has double the life, double the covering capacity and double the protective value of shingle stain.

Money Prizes for PROTECTO users

Here is a chance for you to win $100.00.

Write us, in a letter of 100 words or less, a description of how you used PROTECTO and the results you've secured with Canada's finest rough surface beautifier. Send your letter, with attached coupon, on or before June 30th, to Contest Department, The Canada Paint Co., Limited, Montreal. The executives of the Company will act as judges of the contest which is open to every PROTECTO user in Canada and Newfoundland, except the Company's employees. Successful Play Staged At Borden

The three act comedy "Always In Trouble, or A Hoo-dooed Coon" was presented by the Borden Dramatic Club, in their hall on the evening of May 13th, to a large and delighted audience, who by their continual laughter and applause, evidenced their sincere appreciation of the actors' efforts.

The story centres around the attempt of Gideon Blair, a wealthy railroad owner, and humanly crabbed old man of ninety, to marry his niece Rosebud, to Rissle the son of an old friend. Rissle who has not yet seen Rosebud, in the complications that follow, mistakes for her, the old maid nurse of Gideon who is extremely anxious for a man, and in his dilemma persuades Tutt, a shady character to replace him in the suit.

Tutt in turn is pursued constantly by Paula a Bolshevik lady and incidentally a former wife, who as part of her adornment carries a live bomb as a gift to her late spouse.

The real Rosebud arrives and on seeing Tutt feigns insanity to discourage his attentions, reveals her identity to Rissle, and the fun begins.

The comedy element is supplied by Misery the hard luck coon and his dealings with Blair, while the attendant scenes of the marriage of Lulu to Patrick the ticket seller, furnishes a deal of mirth.

The various characters were very aptly portrayed, without being in the least overdone and all were deserving of especial mention.

A number of high class specialties were given between the acts, consisting of vocal solos by Mrs. McLean of Borden and Miss Gay of Summerside, step dancing by Mr. John and Kenneth McLean, old-time violin music, Jerome Monaghan of Kinkora, while the finale was a grand Ensemble chorus and Miss Gay in "The Baby Looks Like Me."

The Accompanist of the evening was Mr. James McAleer.

Following is the cast of characters:

Misery Moon, A Hoodooed Coon —Mr. James McAleer.
Gideon Blair, A Millionaire—Mr. Mark Bernard.
Tom Rissle, Slick as a Whistle—Mr. Reg. McAleer.
Hiram Tutt, An Awful Nut—Mr. C. Green.
Patrick Keller, A Ticket Seller—Mr. Everett Slavin.
Samantha Slade, A Poor Old Maid—Miss A. McDonald
Rosebud Reese, His Charming Niece—Mrs. W. McNally.
Paula Mallek, a Bolshevik—Mrs. J. Murray.
Lulu Pearl, a Ragtime Girl—Mrs. W. P. McNeil

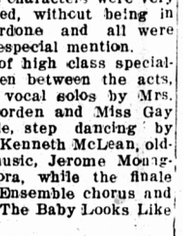
EXTRA CHARACTERS

Old Farmer—W. J. O'Brien.
Country Travellers—Mrs. A. B. Paquet, Mrs. T. P. Sexton.
Children—Miss Louisa McInnis, Miss Teresa Sexton, Miss Loretta Noonan.
Girls—The Misses Agnes and Sybil Paquet.

COCOANUT OIL MAKES A SPLENDID SHAMPOO

Do not use prepared shampoos or anything else that contains too much free alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing is to use is Mulsified cocoanut oil shampoo, for it is pure and entirely greaseless. It is inexpensive and beats anything else all to pieces. You can get Mulsified at any drug store, and a few ounces will last the whole family for months.



LEATRICE JOY
The Film Favorite
How She Keeps Her Hair Beautiful

Two or three teaspoonfuls of Mulsified is all that is required. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh loking, bright, fluffy, wavy, and easy to manage. Besides, it loosens and takes out every particle of dust dirt and dandruff. Be sure your druggist gives you Mulsified. Beware of imitations. Look for the name Watkins on the package.

Dominion Balloons Wear Like They Ride

You cannot expect Low-Pressure riding comfort with high-pressure inflation of Balloon Tires.

High-pressure inflation defeats the very object of Balloon Tires. Yet many Balloon Tires have to be extra inflated in order to save the tires from undue road wear.

Dominion Royal Cord Balloon Tires, with specially designed Low-Pressure Treads, give you *all* the riding comfort of Low-Pressure inflation *without undue wear on the tires.*

The Low-Pressure Treads of Dominion Royal Cord Balloons take all the road friction on six rows of pure rubber blocks. They carry the weight of the car on the treads without forcing the side walls to drag on the road surface. This gives greater traction — freedom from skidding.

The Latex Web Cord Construction of Dominion Royal Cord Balloons is an extra value without extra cost.

Latex-Treated Web Cords

Patented and used exclusively in Dominion Royal Cord Tires. Each cord is saturated with pure Latex (milk of rubber) and the cords are held together flat and evenly in a web of Latex without cross-tie threads. Friction and internal heat, the greatest enemies of tires, are eliminated. Latex-Treated Web Cords add to the life and mileage of Royal Cord Tires and this extra advantage costs the user nothing.

Mt. Stewart Items

Miss Alice Jardine, has arrived from Boston, to spend some time with her parents, Mr. and Mrs. Albert Jardine. Head of Hillsboro. The "Bean City," is all right but Miss Jardine prefers "Spud Island" to spend a vacation in.

Mr. Robert Pigott, Savage Harbor, received quite a nasty shaking up on Wednesday last. Mr. Pigott and son, Mr. Frank Pigott were at the Mt. Stewart R. R. station after some fertilizer, when the train which happened along just then, frightened the horse he was holding knocking him down Falling on the cinders he received some nasty cuts and bruises about his face as well as the other injuries received from his fall. As Mr. Pigott is one of our highly respected old landmarks we regret very much that this should have happened. Dr. Martin is the attending physican.

The work of standardizing the eastern ends of the R. R. has begun, men are being hired daily and are at present working in the station yard about the switches, sidings, etc.

A large amount of potatoes have been hauled in to R. C. Clark, who was buying them. The price paid, we understand was one dollar per bushel which is quite a drop from some of the former prices paid.

Dr. A. B. Martin, has bought a new Ford runabout so wishing to have it delivered as soon as possible he had Mr. Roy Jay (local agent) go to Charlottetown after it. Mr. Jay on reaching Charlottetown decided to drive it home instead of shipping it. The first few miles everything went fine, but nearing the top of Wright's hill Mr. Jay met with a bank of snow and mud which stopped him, so he got out and went to a neighboring house and borrowed tire chains (he had none with him) putting the chains on he got out of that, and got along fine, though the mud was to the axles in places, until he got to Gibson's hill about six miles from Charlottetown. On this hill the snow is four and five feet deep in places, so deep that those travelling have to go through Mr Gibson's field. Nothing daunted by his past experience Mr. Jay kept right on, ploughing through the snow which was over the running boards. Keeping right on through mud, slush, snow or whatever came along he reached home and delivered the car in A1 condition. This is the first car to come the St. Peter's road from Charlottetown this spring, and it was "some stunt" for a "flivver".

The Mt. Stewart blacksmiths are kept busy these days attending the needs of the farmers, some having ploughs shares and coulters sharpened (or laid,) others with parts of their implements to be fixed and the numerous little jobs necessary in the spring. F
