Slight Drop In Landings Of Fish In Canada

OTTAWA, June 20 — (CP) — Landings of seafood during the first five months of 1947 amounted to 301,300,000 compared with 308,200,000 in the same period of 1946, the Bureau of Statistics reported today.

The catch of the major Atlantic species — cod, haddock and other groundfish — was "sharply lower" as a result of a strike which kept the deep-sea fishing fleet in port throughout the first three months of the year.

Landed value for the first five months of 1947 was \$11,791,000 against \$14,868,000 for the same period of 1946, the decrease being due to reduced landings of cod and lobster and to the lower prices for these same species. In 1935-39, the average returns up to the end of May amounted to only \$4,061,000.

The total value of fish products exports from Canada during the first four months of the year amounted to \$26,779,941, compared with \$23,981,945 in the same period of 1946. Exports of cod and other groundfish fillets to the U.S. declined as a result of the reduction in available supplies. Imports of fish and fish products into Canada have never been large. The index of wholesale prices of fishery products declined progressively since the peak was reached in January of this year. Prices of fish products rose more sharply during the war period than did prices of meats and other foods. Prices received by fishermen show some declines in May, 1947, as compared with May, 1946, reflecting the greater availability of fish

and other protein foods, the decline in abnormal wartime demand and the high level of inventories of frozen fish in Canada.

Progress Report On N. B. Potato Crop

SAINT JOHN, N. B., June 20 — (CP) — New Brunswick's potato crop, described by a provincial agriculture department official as "the biggest cash crop" was reported to be "pretty well in the ground" in the larger commercial areas of the province today but considerably retarded in other potato-growing areas, particularly Westmoreland County.

J. K. King, deputy minister of Agriculture, said the upriver areas of Northern York, Carleton and Victoria Counties were "probably 50 to 80 per cent planted." Madawaska planting was described as "not so good" but ahead of the eastern counties. Planting estimates in the eastern counties ranged in the vicinity of 20 to 30 per cent.

Explaining that planting conditions varied greatly within even small areas, Mr. King said that in the east, "the farmers have hardly been able to touch their land. He said the harvest this autumn will depend on what is yet to

come, the amount of sunshine, the ground conditions and the lateness of the fall."

"Crops are impossible at this date to have a full grain crop."

C. C. McDougall, official at Sussex, Kings County, stated that Kings would not be so hard hit as some other areas because it was largely a dairy county. He said the hay crop "will be good" and pointed out that dairy and hog farmers would not suffer greatly, except that grain feeds were "away down."

Mr. McDougall predicted a good strawberry crop, barring unforeseen incidents such as ruined the crop within a few days of picking last year.

SPRINGFIELD W. I.

The Springfield W. I. met in the school room on June 3rd, for their regular monthly meeting. The Vice President opened the meeting in the usual manner, roll call being answered with "What I Would Like to Learn in Handicraft. A letter from the Yorkshire Textile Mills re the making of blankets was read.

The window box committee reported that the boxes were ready for painting, and a bill of \$7.10 for materials was presented and ordered paid. The Red Cross secretary reported 4 pair panties and 2 sweaters handed in. Next meeting is to be held at the home of Mrs. Hughes, who also has charge of the program. Roll call is to be answered by each one telling what plants they are giving for the school grounds. Lunch committee Mrs. Dunning, Mrs. Lambe, and Mrs. Hyatt Haslam.

Five dollars was voted for the Relief to Greece Fund. Mrs. Ernest Haslam and Mrs. Reginald Haslam were appointed delegates to the Convention in Charlottetown. A letter from the Homer Warren Co. was left to be discussed at next meeting. A bill of \$2.75 for a pencil sharpener for the school was presented and ordered paid. The Treasurer reported cash on hand to be \$80.29.

Mrs. Hyatt Haslam read a paper on Rural Co-operation. The contest was won by Mrs. Arthur Haslam and Mrs. Joseph Matheson. Miss Eva Sabine gave a talk on "Birds

of the Sparrow Family." The exchange of flower slips took place and the meeting adjourned.

DARNLEY W. I.

The regular monthly meeting of Darnley Women's Institute met Wednesday evening, June 4 at the home of Mrs. Clarence Hickey. Meeting opened by singing ode and repeating creed in unison. Roll call responded to by seven members exchanging seeds, bulbs or plants. The members were glad to welcome two new members; also five visitors. Minutes of last regular meeting read, approved and signed. It was moved and seconded that Secretary engage

Bruce Ramsay to build bookcase. Reports of various committees. Treasurer reported all bills paid up, and a balance on hand. Correspondence was read and discussed. It was moved and seconded we donate \$2.00 to Greek Appeal. A letter from supervisor advising change in date of annual convention. The following delegates were appointed to attend convention: Miss Merle Crozier, Mrs. Ray Crozier (Mrs. Clarence Hickey to substitute for Mrs. Ray Crozier). It was decided to treat school children with ice cream on closing day. The report from executive meeting in Hamilton the previous week resulted in plans for convention and committees being appointed to carry them through. Collection \$60. Membership fees \$60. Proceeds from sale of every day cards \$8.50, \$1.50 donated by members. Total receipts for meeting \$9.00. Meeting closed in the usual manner. A dainty lunch was served by hostess assisted by Mrs. W. Pickering and Mrs. Elizabeth Brennan. Next meeting to be held in Darnley Hall. Roll Call, Garden or Poultry hint.
