Millions of Dollars Made in Foxes Last Year, Have You Invested Yet?

Do Not Procrastinate

Just consider the chance you missed last year at not investing your money in the fox business. About the time you were considering investing--your neighbor put his money in and this year will receive probably from 75 to 100 p. c. on his venture. This is only a low estimate of profits, as in many cases the dividend paid goes as high as 300 p. c. What is your intention this year? Surely you are not going to let the chance pass again for investing your savings in a lucrative business. Fill out the application form today and send it to the Secretary with 20 p. c. of your share. Now is the opportune time to come in while the shares are selling at par. Good propositions do not stay on the market for any length of time. Call, write or Phone the Secretary or any of the directors for Prospectus or any other information required. Act today.

Ranch and Management

The ranch will be located near Charlottetown. The directors in charge of this part of the work are now planning a ranch that, for location, convenience and equipment will be equal to the best in Canada today. Our ranch manager has had three years' practical experience in caring for foxes on a Prince Edward Island ranch. He is a reliable man in every sense of the word, a member of the company and a holder of a large block of stock. His assistant has had considerable experience in fox ranching also. The services of a night watchman and veterinary surgeon will also be secured.
