ECZEMA FROM BIRTH

Our little daughter had Eczema from birth. The parts afflicted would become terribly inflamed, and water would ooze out like great beads of perspiration, finally this would dry up and the skin would crack and peel off. She suffered terribly. Had to put soft mittens on her hands to keep her from scratching. Two of our leading physicians did not help her. After bathing her with CUTICURA SOAP, I applied CUTICURA (ointment) freely, and gave her CUTICURA RESOLVENT regularly. She improved at once and is now never troubled. The statements I have made are absolutely true and not exaggerated in any way.

I CANNOT SLEEP!

Is the Complaint of the Unhappy Victim of Starved Nerves.

Dodd's Dyspepsia Tablets Bring Sweet Sound Sleep by Ensuring Perfect Digestion, Which Means Plenty of Rich Blood to Feed and Soothe the Nerves.

"I can't sleep!" How often we hear this expression! And, if you will notice, you'll see that every person who uses it is pale-faced, haggard, with blood-shot eyes, trembling hands and a generally "used-up" look.

His nerves are unstrung. Why? Because his stomach is out of order. The nerves must have rich, nourishing blood to feed on, or else they become weak, and incapable of doing their proper work.

If the stomach is out of order, it cannot, and does not digest the food properly. That is, it cannot, and does not, change, the food into rich nourishing blood.

So the nerves are starved. Then the condition known as nervous prostration follows.

And when the nerves are starved, they inflict the most unbearable torture on their victim. Thousands of young men and women are swept into untimely graves, as a result of nerve starvation, or in other words indigestion.

Dodd's Dyspepsia Tablets exert a powerful but gentle influence on the stomach. They bring it back from weakness to strength; from uselessness to usefulness. They put it in shape to do its work—to digest the food, and that means to change the food into rich, red blood.

When the food is changed rapidly and regularly, into rich blood, every part of the body benefits from it. The nerves grow stronger, sleep returns to the longing eyes, rest brings strength and vigor, and good health. There are no more long, sleepless, wretched nights; no more nervous headaches. You are made strong in every way.

Dodd's Dyspepsia Tablets will work this change. If you don't believe it, try them. They'll prove it to you.

MR. MONTAGUE, DUNN

Has an Interesting Case of Eczema. Case's Ointment cured it.

HE SAYS:—I was troubled with itching piles for five years, and was ulcerated. They were very troublesome, so much so that I could not sit down. I almost every remedy heard of, but was recommended to use Dr. Chase's Ointment. I purchased a box, and the first application got such relief that I was satisfied a cure would be effected. I used in all two boxes, and was completely cured.

Every remedy given by the best cost years of study and research, with an eye single to its adaptation to the ailments for which it was intended. Dr. Chase detected cure-alls, and has been proven ten thousand times that not one of his formulas is a bad after-effect. Dr. Chase's Ointment is based on lanoline, and the best physicians prescribe it.

MR. M. T. Wigle, of Kingsville, Ontario.

Cured of Itching Piles of 20 Years Standing.

Physicians Fail to Give a Cure. Chase's Ointment gave Immediate Relief.

M. T. Wigle, better known as "Uncle Sam" in the vicinity as "Uncle Sam" was troubled for over 20 years with itching piles. At times he was so much troubled that he could not sit down. His condition became so intense that he would bleed. He had been treated by many physicians, but found no relief. Reading in a paper the cure of a friend who had been cured in a like manner, and who had a box of Dr. Chase's Ointment, he got such relief that he had a comfortable night's sleep for the first years. The one box made a cure, and he says he would not have paid out for \$50 a box if it could not have cured him. Mr. Wigle is a wealthy man, well known in the community, and he resides in Kingsville, Ontario. He was afflicted, and he has been troubled since.

What Users of Diamond Dyes Say.

Opinions Worth Considering by those Who Have Never Done Home Dyeing.

Mrs. N. Wood, Campbellford, Ont., says: "Having a carpet to make and a great deal of coloring to do, I thought I would give the Diamond Dyes a trial. I used them and they produced most beautiful colors, and I was pleased with the effects in the carpet. I am a farmer's wife, and after this will use only the Diamond Dyes."

Mrs. M. R. Bell, Victoria Harbor, Ont., says: "I find great pleasure in dyeing with the wonderful Diamond Dyes. They make old clothes, dresses, silks, feathers and wool goods look as good as new."

Mrs. T. Spence, Emigrant Road, N. B., says: "I have used your Diamond Dyes for ten years for all kinds of clothing. I spin, weave cloth and dye all the clothes we wear for every day, besides making rugs and carpets."

Mrs. B. B. Tobin, Brandon, Man., says: "Diamond Dyes are used in our home every month for the coloring of dresses, ribbons, hose, etc., and they give the very best results. We save many dollars yearly by using your celebrated dyes."
