Good for Toothache—Mintard's Lintment

Eastern Guardian

—TO BUILD ROUND HOUSE—The engineers of the C. N. R., were engaged this week taking levels, measurements and lay-out, at Elmira, for the new round house at that place.

—SUDDEN DEATH—The somewhat sudden death of Mrs. John Gillis, Rockbarra, last week, has cast quite a gloom over the community. There is wide and general sympathy with the Gillis family in their bereavement.

—PROFITABLE SALE—Mr. Bernard McCormack, St. Georges, had a most successful clearing auction sale, last week, of all his farm moveables including live stock, etc. The fine 150 acre farm did not sell, but Mr. McCormack has a prospect, by private sale, from a neighbor.

—SOURIS STONE CHURCH—The rebuilding of the Souris Roman Catholic stone church, which has been going on all summer, is now complete. The stone masons and concrete workers finished their work about a week or so ago. The church is now finished on the outside, and only interior finish remains to be done. This inside work will go on all winter including the plastering. It is possible, if the furnace can be repaired and renewed from the effects of the fire, the midnight-mass will be said in the new church at Christmas. Rev. Mong, McLean, P. P., is to be congratulated on the speedy progress of the work.

PERSONALS

—Mr. Jno. Alfred McDonald, land surveyor, Hermanville, was a passenger to Murray Harbor, Thursday afternoon, on surveying business in that section.
