ALL NEWS OF LOCAL INTEREST
Reporters and Correspondents Everywhere

Contributors are reminded that all local notices of meetings etc. must be handed in before four o'clock to insure insertion the following morning.

Rev. Jas. McDougall will address the members of Lorna Lodge L. O. A. at DeSable on the 12th inst. at 3 p. m. All members of sister lodges are cordially invited to attend.

Parents and relatives of Mrs. Mary S. Needham will be glad to know that she is to spend the summer on the island. She is accompanied by her eldest daughter and two small children, also by her uncle James Munn, formerly of Lot 48. Mrs. Needham is to visit her uncle in Lot 48, her sisters Mrs. John H. Coleman of Belle River, Mrs. Dan Huan of Hopfield, and her brother John D. Munn of Wood Islands, the home of her childhood.

John Edward Monaghan, Hazel Brook has sold his two year old, draft filly, Kappel to Mr. Hammond Tombs of North Rustic for a handsome sum. This filly was sired by Young Barrister owned by Mr. Christopher MacLean, Mount Herbert and was pronounced by competent judges to be one of the finest fillies that was ever foaled in Hazel Brook. Mr. Monaghan also possesses a foal sired by the above mentioned horse that is very hard to beat. This goes as a small proof to show that Young Barrister can not be beaten on this island as a producer of draft stock.

A quiet wedding took place at their future residence 171 Grinnell Street, New Bedford, Mass., Wednesday evening July 1st. The bride was Miss Minnie Nesbitt, daughter of Mr. and Mrs. Benjamin Nesbitt of Freetown. The bridegroom was Clifford Gray De Coff of New Bedford, Mass., and an employee of the New York, New Haven Hartford railroad. The house was daintily decorated with floral garlands. The parlor where the ceremony took place being particularly handsome in its floral charm. The bride was attended by her sister Miss Jennie Nesbitt as maid of honor. The bridegroom was attended by his brother La Roy De Coff. In the large bay window of the parlor D. B. McMurdy, pastor of the First Presbyterian Church of which the bride is a member performed the ceremony. The bride's costume was of white nun's veiling trimmed with all over lace and carried a large bouquet of bridal roses. The maid of honor wore a gown of pale blue nun's veiling trimmed with all over lace and carried a bouquet of carnations. Following the wedding ceremony refreshments were served, Mr. and Mrs. De Coff received many handsome presents and be congratulations of their friends.

LITTLE SANDS—Tuesday, June 30th, Miss Sadie McLeod held her public examination. The clear and distinct manner in which the pupils recited, also the ease and alertness with which they responded to the questions asked them, from the various branches of their course, showed the visitors that diligent work was being done by both teacher and pupils. Truly the year has not been spent in vain by them and their success calls for the congratulations of those who witnessed their exercises. The school regrets that they have been neglected, somewhat, by their inspector, having received but one call from him during the whole year. The Presbyterian and Baptist churches of Murray Harbor, Murray River and Little Sands have no settled pastors. During the summer however, they are being supplied by student. At present there is considerable illness at Little Sands. It is hoped, that the afflicted ones will endure their lot with patience and that soon, they may rejoice in health and strength.

WANTED—A case of headache that KUMFORT Powders will not cure from ten to twenty minutes.

Many Nervous Breakdowns. Their Rapid Increase is Attracting the Attention of Scientists.

Late statistics show an alarming increase in diseases of the nervous system. Fortunately, many noted physicians have been carefully studying the causes of such frequent nervous collapse, and find that a poorly nourished body is responsible for most of the trouble.

The blood becomes so thin it no longer furnishes nutriment for the nerves, and the welfare of the entire system suffers in consequence.

To impart vigor to the nervous organization no remedy gives such prompt and lasting results as Ferrozone. It contains in very concentrated form all the elements needed to purify and strengthen the blood. With its blood-making properties, it so skillfully combated the best nerve nourishing principles known to science.

Stability and power is rapidly imparted to the nerves, and so much vitality is added to the system that another breakdown is impossible. Once cured by Ferrozone you stay cured. This is why it is so widely prescribed by doctors and explains its ever increasing sale.

If you tire easily and suffer from lassitude, weakness, headache, or hysteria, don't fail to try Ferrozone. Every box of Ferrozone contains thirty-three pleasant tasting chocolate coated tablets. Price 50 cents, or six for \$2.50, at all druggists or the Ferrozone Company, Kingston, Ont.

STARTLING REVELATIONS.
It frequently happens that people suffer for years from kidney derangements without knowing the cause of their backaches, aching limbs and other bodily sufferings, suddenly the truth is revealed to them that they are the victims of serious kidney disease and in imminent danger. There is no medicine which gives such prompt and lasting relief for every form of kidney disease as Dr. Chase's Kidney-Liver Pills. They are positively effective even in the most chronic cases.

The main points of a Carriage can hardly be treated in an issue or two.
Our idea is to impress upon you the necessity of examining several parts which go toward the "making" or "unmaking" of the work.
SPRINGS, Now many builders to reduce the cost of "too many styles," get their end or side springs, (as the case may be,) all in certain size and style, notwithstanding the fact, that although the **BODY** being the same spring on many styles, the springs may be used for very different purposes.
Every carriage we build has a spring to suit its use. Our "guarantee" is in effect to protect against inferior MATERIAL or WORKMANSHIP AT ANY TIME.
