**JOHNS-MANVILLE**  
**QUITE TINTY, BUT**  
**A GIANT KILLER**

Remember how Jack slew the giant with a very small stone? Well, there's another giant killer in our midst today—a material called Packing. Often quite small in comparison to the giant machines it is used on—but so vital, that without its production would stop. Almost every piece of hydraulic machinery in use today depends on this same material—Packing. For over 25 years Johns-Manville have been making long-wearing packings for use wherever a seal is needed to prevent leakage of water, gas, oil and other liquids. In addition to many standard forms of sealing materials, Johns-Manville also specializes in "tailor-made" packings for special jobs. Years of research and development enable us to supply a packing for every application. Write today, or write to Johns-Manville Co. Ltd., 1062 Sun Life Bldg., Montreal, Que.

**Diocesan Church Society Holds Annual Meeting**

The annual meeting of the Diocesan Church Society was held last evening in St. Paul's Parish Hall at 8:00 P.M. with a large attendance and was opened with prayer by Canon E.M. Malone, Rector of St. Peter's Cathedral, Canon Malone on opening the meeting spoke of the regretted absence through illness of Archdeacon Harrison of Rev. B. Pream. An address of welcome to His Lordship, the Right Reverend R.H. Waterman, Bishop Coadjutor of the Diocese was read by Major T.E. MacNutt, vice-president of the Society, to which the Bishop made a fitting reply. The annual report was received and adopted after which the officers were elected for the ensuing year together with its missionary, religious education and social service departments.

**Induction Night At Y's Men's Club**

Last night was "Induction Night" at the Charlottetown Y's Men's Club and five new members, Milton Barkhouse, Harry Edwards, Leslie Gillespie, Frank Johnson and Percy Moreside, were inducted in a very impressive ceremony under the direction of Ralph MacLean, supported by Edwin Johnstone, Jim McConnell, Ern Clawson, Jim Haslam, Bert Dick, Ralph Rupert and O. K. Presby.

Following the ceremony Past President, John A. MacNair addressed the new members, reiterating the objectives and ideals of the Y's Men's movement. Mr. MacNair said, "verily it means something to be a Y's Man. It means five things at least, to be an idealist, to be loyal to the 'Y', to be world-minded, to emphasize not rights but duties, and to be enthusiastically active."

Mr. MacNair briefly traced the growth of the Y's Men's movement from its inception in 1822, when the first club was organized in Toledo, Ohio, with Paul William Alexander as president. The movement has grown until now there are 400 Clubs with 10,000 members in 26 different countries. The present International President is a Maritimer, David Coughy of Fredericton, N. B., and he is the fifth Canadian to be so honored.

The international convention convenes at Long Beach, California this summer and comes to Halifax in 1949.

Mr. MacNair also gave an outline of the history of the local club and its accomplishments for the "Y" and the community. He paid a tribute to a member of the local Club, Mr. Ernest Bell, who is international director of philately, a department whose activities assist in financing the bringing of foreign delegates to North American conventions.

In closing the speaker urged new and old members alike to pledge themselves to the Club's objectives, which are as follows:

1. To cultivate good fellowship among Y's Men and Young Men's Christian Association members everywhere.
2. To enable Y's Men to keep better informed upon subjects of immediate civic, economic, social and international interest.
3. To support, by active service, deserving philanthropic and social movements.
4. To encourage righteousness and justice in civic and international affairs, abstaining always from party politics and sectarianism.
5. To develop by sound character-building substantial, as distinguished from formal, patriotism.
6. To serve, by diligent, active, personal and united effort, the carrying forward every phase of the program of the Young Men's Christian Association.

The Club's motto is, "to acknowledge the duty that accompanies every right."

Special guests at the meeting were Mr. W. R. Shaw, and Mr. Hector MacMillan.

Past President Bert Dick was presented a Past President's emblem by the chairman, President R. J. Rupert.

**OIL FROM EAST**

**BIRTHS, MARRIAGES, DEATHS**

**BIRTHS**  
**SHERRY**—At the Prince County Hospital on February 26th, 1948, to Mr. and Mrs. Arthur Sherry, Fernwood, a daughter, Elizabeth.

**SCRIMGEOUR**—At the Prince Edward Island Hospital, March 10, 1948, to Mr. and Mrs. J. Stewart Scrimgeour, 132 Water St., City, a son.

**GILMORE**—At Sackville Memorial Hospital, February 21st, 1948, to Mr. and Mrs. John Gilmore (Betty MacKenzie) a daughter, Sandra Elizabeth.

**KEEP BOOTH OPEN**—The Ladies of the Catholic Women's League and the I.O.D.E. will again have their booth in Holman's Store on Grafton Street to receive Friday and Saturday donations for The Canadian Appeal for Children Fund.

**BRIDGE PARTY**—Miss Lois Brady, R.N., entertained at a delightful bridge party for her friends on Thursday evening. The first and second prizes were won by Miss Barbara Bowles and Miss Myrtle Gallant, R.N., respectively. The consolation went to Mrs. W.D. Sherrin.

**POLICE COURT**—At the Stipendiary Magistrate's Court yesterday, five men charged with common assault were each fined \$2; and costs of 20 days. Three men appeared on separate charges under the Prohibition Act, one being fined \$50 and costs or 20 months, one adjourned until today, while the third case was withdrawn at the request of the prosecution. A drunk and incapable was fined \$5 and costs of 10 days.

**MEETING OF EMPIRE LODGE**—Empire Lodge No. 19 held its regular meeting on Thursday evening with a large number present. The rank of Esquire was exemplified for the benefit of John Good, Allison MacKinnon, Robert Daidziel, Archibald Gillis, Glen Colton, and Wilfred Thompson. The main attraction of the evening was the presentation of an Honor Certificate and Lapel Button from Supreme Lodge Dozen Club to Keith Johnson who sponsored twelve new members within the year. It was announced by the Chancellor Commander that the rank of Page would be conferred on eleven new candidates next Thursday evening. Meeting closed in due Pythian form.

**Induction Night At Y's Men's Club**

Last night was "Induction Night" at the Charlottetown Y's Men's Club and five new members, Milton Barkhouse, Harry Edwards, Leslie Gillespie, Frank Johnson and Percy Moreside, were inducted in a very impressive ceremony under the direction of Ralph MacLean, supported by Edwin Johnstone, Jim McConnell, Ern Clawson, Jim Haslam, Bert Dick, Ralph Rupert and O. K. Presby.

Following the ceremony Past President, John A. MacNair addressed the new members, reiterating the objectives and ideals of the Y's Men's movement. Mr. MacNair said, "verily it means something to be a Y's Man. It means five things at least, to be an idealist, to be loyal to the 'Y', to be world-minded, to emphasize not rights but duties, and to be enthusiastically active."

Mr. MacNair briefly traced the growth of the Y's Men's movement from its inception in 1822, when the first club was organized in Toledo, Ohio, with Paul William Alexander as president. The movement has grown until now there are 400 Clubs with 10,000 members in 26 different countries. The present International President is a Maritimer, David Coughy of Fredericton, N. B., and he is the fifth Canadian to be so honored.

The international convention convenes at Long Beach, California this summer and comes to Halifax in 1949.

Mr. MacNair also gave an outline of the history of the local club and its accomplishments for the "Y" and the community. He paid a tribute to a member of the local Club, Mr. Ernest Bell, who is international director of philately, a department whose activities assist in financing the bringing of foreign delegates to North American conventions.

In closing the speaker urged new and old members alike to pledge themselves to the Club's objectives, which are as follows:

1. To cultivate good fellowship among Y's Men and Young Men's Christian Association members everywhere.
2. To enable Y's Men to keep better informed upon subjects of immediate civic, economic, social and international interest.

Past President Bert Dick was presented a Past President's emblem by the chairman, President R. J. Rupert.

**LEGISLATURE**

(Continued from Page 1)

in this Province. Producers, it is claimed, should have at least a measure of control over the sale and distribution of their products. To this end the Government is urged "to enact such legislation as may be necessary to promote constructive marketing policies on similar lines to legislation now in operation in other Provinces"; also that the Federal Government be requested to pass a National Marketing Act.

**Co-operatives**  
 Dealing with co-operatives the brief suggests that the Government give sufficient financial and moral support to development, supervision and promotion of these enterprises; that co-operative legislation be fully enforced and that a far-reaching program of education be promoted through the Department of Agriculture and its fieldmen to enhance the benefits and interests of farm people towards organizing, planning and action.

Emphasizing the importance of health standards, the brief makes the following concrete recommendations: That some financial assistance be given to doctors to take up practice in rural areas; that a dentistry clinic be established and financed to serve adequately the primary schools; that financial assistance be provided for student nurses sufficient to encourage more girls to enter the profession; that there be compulsory periodic examination of public food handlers for tuberculosis and venereal disease; and that some provision be made for psychiatric treatment of subnormal children.

**Rural Electrification**  
 "Two years ago," the brief recalls, "we stressed particularly the need of rural electrification, making special reference to both costs and time in putting this program into effect. It is important that our rural population receive this service within their power to pay. We do feel, however, that this project is lagging somewhat and we expect that before this year is out we will see a complete rural electrification program well begun in the Province. We realize it will take considerable time before all our rural people can be availed of this service. However, we urge that some definite action be taken immediately to supply rural sections within reasonable distance of existing lines, and that an overall program be implemented."

The brief condemns the present electoral system of "legalizing unequal voting privileges by providing property with two votes and franchise voters with only one, and further making it possible that one man may vote a number of times in various constituencies," and recommends that the Election Act of the Province be "brought into conformity with that of the Federal system."

**LEGISLATURE**  
 Note is taken of the importance of forestation and the depletion of forest reserves under careless management, "sometimes for domestic requirements, but more serious still for the export of small growing timber for pit props and pulpwood." Protective legislation is requested as a matter of urgency, and the services of a qualified forestry director.

Emphasis is placed on the "great need at the present time of a more qualified fieldman to care for agricultural development and provide general assistance," also of continued losses due to inadequate veterinary services.

**Standard Time**  
 The Government is commended on its action taken last year in connection with local Standard Time. "We do not wish to labor this point," the brief states, "but do wish to urge that this Standard Time be maintained under every consideration. We would like to cooperate with our city friends and allow them an extra hour in the evenings during the summer months. We know that farmers would cooperate if the stores and offices opened and closed an hour earlier, but let us by all means keep our clocks at the same time. We would not be taking such a firm stand in this regard if it were not for the distinct financial losses we suffer because of the loss of this hour in cultivating and harvesting operations."

Noting that "numerous country halls throughout the Province which were once the centre of high class social activity are bare and neglected," the brief urges Government encouragement in promoting a better social and public-minded attitude.

**Income Tax**  
 It joins with the Canadian Federation of Agriculture in protesting against the "net worth" statement on income tax returns to be made by farmers, recommending that a board of review be set up to pass upon all cases where farmers had been taxed on the basis of "net worth," asks the support of the Legislature in this matter and requests the Government to press tax assessors for more reasonable consideration in their dealings with farmers who have not kept accurate records for the years previous to 1945.

Other recommendations, briefly enumerated, deal with price and distribution of fertilizers, cheaper registration rates for trucks used only for farm requirements, amendments to the Dairy Act, services of a cheese inspector, extension of the Government's warehouse policy to provide for storage for feed grains. Several Government policies are mentioned with commendation, and support is requested for the continued ban on the sale and manufacture of oleo-

**Amounts Due For Distemper Serum Still Not Tabled**

An ambiguous nine-word answer, "All accounts are in the hands of a collector," was tabled in the Legislature yesterday by Premier Jones in reply to the following questions placed several days ago on the order paper by Mr. R. R. Bell:

1. Pursuant to answer given 1. 1947, that all amounts due for fox distemper serum supplied by the Government were to be collected, has full collection been made?
2. If not collected, why not?
3. If not collected, have the ranchers who paid, been returned their money?
4. Was the collection of the said sums due the Department handed to an attorney for collection?
5. Were the accounts so handed in for collection withdrawn by the Minister from the attorney, without any action being taken?
6. If yes, why were the accounts so withdrawn?
7. How much of said amounts is still outstanding?
8. What is the Department's or Minister's intention in reference to said amount due and owing?

**CHARLOTTETOWN**

(Continued from Page 1)

of the Lieutenant-Governor in Council.

Mr. D. L. Mathieson said he understood the City is trying to obtain a site for an incinerator. All that is asked for in the bill is the exclusive right to have the refuse removed. Admittedly they could not set aside any area without permission of the owners or the Government, he said.

**Legal Matters**  
 On motion of Hon. Mr. Large committee reading was given to several bills dealing with legal matters. The first was to provide for admission to the Bar, on an honorary basis, and on recommendation of the Law Society of a barrister, attorney or solicitor of a Bar outside the Province, or a holder of a degree or degrees in law granted by a law school or university recognized by the Council of the Law Society, without compliance with the requirements of the Legal Profession Act. Provision was also made for the Society to grant exemption from payment of membership fees in case of illness, etc.

An amendment to the Judiciary Act repeals a section now fully covered in the Defamation Act.

The Magistrates' Act was amended by repealing a provision passed in 1945 making it necessary to obtain a flat in the case of a County Court magistrate exercising jurisdiction in Charlottetown or Summerside. This bill was carried on division after objections had been raised by Messrs. R. R. Bell and D. L. Mathieson.

An amendment to the Interpretation Act was made in accordance with the new legislation provided for two Deputy Ministers in the Department of Public Works. It also legalizes Boxing Day as a public holiday.

On motion of Hon. Mr. Stewart the House gave committee reading to an Act to amend an Act to incorporate the Diocesan Church Society. The bill authorizes the sale and conveyance of a plot of land in Souris upon which the church of St. Alban the Martyr had stood, but which is now vacant.

When the House opened yesterday Hon. Mr. Stewart, in reply to a question from the leader of the Opposition, said the paying of a bounty on skunks this year had been considered but no decision had been reached. It would depend upon the lateness of the season.

The following petitions were received and read: from P. N. Dawson and others for an Act to incorporate the Crapaud Rink Company; from the Roman Catholic Episcopal Corporation for authority to issue bonds; for an Act to amend the Charlottetown Hospital Incorporation Act; for an Act to amend the Prince County Hospital Incorporation Act.

The following Government bills were introduced and read a first time: An Act to amend the Trade Union Act; an Act to amend the P.E.I. Silver Fox Breeders' Association Act.

Third reading was given to an Act to amend the Insurance Act. The House adjourned until 3 p.m. Monday next.

**PARLIAMENT**  
 (Continued from Page 1)

of the Cominform, Communists Rudolf Slansky and Stefan Bastovansky, had spoken, chairman Josef David called for the vote for the government.

Every hand was raised. He called for opposing votes. Not a hand was raised. He called for a show of hands of those abstaining. Not a hand.

This was approved, in effect, the program to nationalise every industry and enterprise employing more than 50 persons, to restrict individual land holdings to about 250 acres and distribute the rest to peasants, and tax for workers, small shopkeepers and peasants.

Tomorrow, the program calls for speedy adoption of legislation legalizing the activities of the action committees which paved the way for Gottwald's rise to power by purging parties, Government departments, industries and every phase of Czechoslovak life.

There was no indication of the whereabouts of the 67 absent from Parliament. The members are guaranteed immunity from arrest except in cases where they are caught in the act of committing a crime. Attempting to leave the country could be interpreted as such an act.

In 20 days since the crisis broke, Gottwald thus demonstrated he had a Parliament ready to do his bidding. He had a Government of his own choice. The one important non-party man of the Government, Masaryk, was dead.

**Suggests Means Of Obtaining Cheaper Grains**

The individual farmer, protesting against the high costs of feed grains, could, in many instances, do more than he is doing to lower his costs of those charges, Mr. J. A. Gillespie, manager of the Livestock Marketing Board, told the Guardian yesterday.

Mr. Gillespie said the farmer, buying his round oats, barley, or wheat in small quantities had of necessity to pay the wholesaler's and the retailer's profits plus the trucking or rail charges from the wholesaler's warehouse to that of the retailer. These charges and profits often meant an additional cost to the farmer of from 50 cents to \$1.00 per bag.

Any reputable wholesale feed agency with the interests of the farmer at heart would be glad, Mr. Gillespie said, to order round grains in carloads for the farmer at the small profit of 50 cents per ton. This would mean, he said, that the farmer could secure his grains at but a few cents more a ton than the price charged for them at Fort William or Montreal.

Mr. Gillespie said there was nothing to prevent a group of 10 or 12 farmers from making up an order for a car of mixed grain and ordering it direct from either Montreal or Fort William. On the other hand, the probability of their receiving their car within a reasonable time would be slight. The reason for the delay would be that the grain brokers naturally first look after the orders of their old customers, especially the orders of those who order 10 or more cars at a time.

Under those circumstances, it would be better, Mr. Gillespie said, for a number of farmers to get together, make out their order, and give it to some organization willing to secure the grain for them at a reasonable margin of 50 cents per ton.

**Conference Will Be Attended By Local Officers**

A G.O.C. Conference of Commanding Officers of reserve units from Prince Edward Island and Nova Scotia, together with administration and training officers, will be held at Eastern Command Headquarters, Halifax, March 20th and 21st, it was learned yesterday.

Representatives from this Province, who will leave by special air transport to attend the conference, are:

Lt. Col. G.G.K. Peake, D.S.O., E.D., C.O. of the 28th Light Anti-Aircraft Regiment.

Lt. Col. F. J. Storey, E.D. C.O. No. 5 Divisional Signals.

Lt. Col. J.H. Shaw, R.C.A.M.C., O.C. 21st Field Ambulance.

Lt. Col. W.W. Reid, D.S.O., E.D., O.C. 17th P.E.I. Recce Regiment.

Administration and Training officers will include, Capt. E.G. MacLeod M.C., 17th Recce Regt., Capt. R. LeTourner, No. 5 Div. Sigs., and Lieut. C.D. Rands, 28 L.A.A.

This weekend, approximately 20 officers from Headquarters, A and B Squadrons, 17th Recce, will write examinations in connection with a conversion course from Infantry to Reconnaissance before a board of regular army officers. The officers will be of the rank of 2nd lieutenant at major.

This summer the units will train at mainland military centres.

The 17th Recce will have 120 officers and men undergo one week's training in July at Picton. The 28 L.A.A. will send 100 to 150 personnel to Picton, Ont., in August for a period of a week or 10 days.

One hundred all ranks of the 5th Divisional Signals will attend camp at Kingston the latter part of July.

A party of 15 from the 21st Field Ambulance will undergo instruction at St. John also in July.

**Heavy Fire Loss At Miminegash**

A disastrous fire which occurred on Tuesday afternoon completely destroyed the residence of Mr. Joseph Gallant at Miminegash. The fire, which was discovered by Mrs. Gallant at about two o'clock, also destroyed all furniture and house furnishings as well as twenty five hundred dollars in cash which was stored in one of the upstairs rooms.

Mr. Gallant informed the Guardian last night that the fire originated from a stove in the front room and was discovered by Mrs. Gallant, who was alone in the house at the time. So rapidly did the flames spread that it was impossible to save anything in the home although attempts were made to gain entrance to the room containing the money from the upstairs windows. It was only a matter of minutes before the entire dwelling was in flames and a two-ton truck parked near the house was almost destroyed as well, due to difficulty in moving it through the deep snow.

A lobster boat, the property of Mr. Marshall Perry of St. Louis, beached near the house was also completely destroyed.

Mr. Gallant estimated that his home, which was recently completely renovated, was worth eight thousand dollars, which had only one thousand insurance protection.

**Woman's Auxillary Continues Its 51st Annual Meeting**

The 51st annual meeting of the Woman's Auxillary which opened Wednesday continued yesterday morning when the president, Mrs. A. B. Cosh, opened the meeting with prayer and the singing of a hymn. Minutes of the previous meeting were read by the recording secretary, Mrs. E.V. Bell. Miss M. Cotton reported that a letter had been received from Father Cotton, who was in England, sending greetings and best wishes for a successful meeting.

Report followed from the Educational Secretary, Mrs. George DeBois. The book "One Family" had been available to all W. A. branches for study during the year, and had proved of interest to all members and should help to stimulate interest in the Church and Missionary work. 600 missionary calendars had been sold this year which was considered gratifying. The lending library was available to all branches and members were encouraged to "apply for literature." Mrs. DeBois drew attention to the literature table that had a splendid assortment of pamphlets and books concerning all the branches of church and missionary work assisting in the sale of books were Mrs. H. K. Hemming and Miss Holt. Attention was especially drawn to the W. A. Handbook that contained information pertaining to all the work of the W. A.

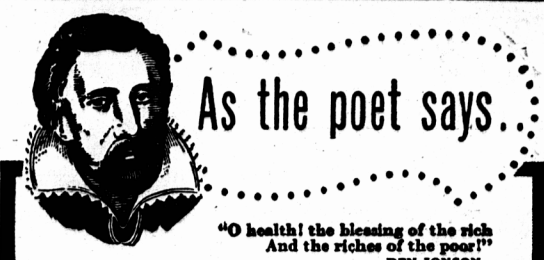

Mrs. Cosh requested approval for a "Quiz" on W. A. work that it was proposed, with the help of Mrs. E. V. Bell, to conduct during the next W. A. year. Members thought this agreeable and that it would help further knowledge of W. A. work. The G. A. Secy, Mrs. J. E. Harris reported that St. Elizabeth's branch had 100% attendance throughout the year, with St. Paul's, Charlottetown, second.

Details of money received from handicraft and other sources were given. Each branch had contributed generously to the food parcels for England, and letters of thanks had been received from the recipients, who were chiefly pensioners and children who had been bereaved of parents during the war. The G.A. Book that was to be presented to Princess Elizabeth had been inscribed with the name of Miss Audrey Coles of Milton who was voted the most popular girl of last year's G. A. camp. The G. A. camp at Crapaud was enthusiastically reported upon and details of expenditure and receipts rendered. Miss Eleanor Clapp followed with a talk on handicrafts as practiced at the camp in 1947, and gave advice on what was thought to be the most popular for further camp instruction. Leather and shell work seemed to obtain the most enthusiasm from campers, and it was suggested that plastic work could be introduced. Miss Clapp considered that the Rev. S. J. Davies gave splendid religious help to the girls and his services were much appreciated.

The Candidate Secy., Mrs. R. Hill gave information regarding a competition that was being held and further details could be had by contacting her. A general report followed. At this point, Mrs. J. Lawson gave a very clear and concise talk on the Canadian Consumers Ass'n. The whole matter was put very intelligently before the gathering and women were urged to band and unite together to help in forming this Association. It was very womanly responsibility and help towards security and stability. Mrs. Cosh requested that delegates, on their return to their branches explain the aims of the Consumers Ass'n. and so obtain memberships.

The report of the Living Message editor, Mrs. Geo. Rogers followed, giving the total number of subscribers as 254 and any increase would be welcomed. Mrs. M.W. Weeks, retiring Junior Secy. Treasurer gave her report stressing the need for more leaders in this branch of W. A. work.

The Thank Offering report was

**As the poet says.**  
 "O health! the blessing of the rich And the riches of the poor!"  
 —BEN JONSON

Yes, health is a universal blessing. Yet, how often we fail to value and treasure it in good season. Be cautioned, then, against the dangers of delay. If you've been thinking, "I should see a Doctor," do so by all means. Better make the appointment today—then bring your Doctor's prescriptions here for expert compounding with pure, potent ingredients.

**THE JENKINS PHARMACY**  
 Dispensing Chemists  
 1062 Sun Life Bldg., Charlottetown, P.E.I.

**RELIABLE**  
**PRESCRIPTIONS**

given by Mrs. W. J. Paynter showing a total of \$439.24 monies received. Thanks for this splendid amount was rendered to all branches. Mrs. S. Bryant, Dorcas Secy., presented her report. The cost of the many sales of goods sent to the missionary centres totalled \$872.83 as compared against last year's figure of \$738. This was considered a commendable increase.

The election of officers followed, with two new appointments, that of Miss Ada Harris, to Diocesan Treasurer, retiring officer Miss E. Lowe, and Mrs. F.S. Jenkins, Diocesan Junior Secy's. Treasurer, retiring officer Mrs. M. W. Weeks.

Mrs. J. Horne gave the report of the Little Helpers showing a total membership of 236, an increase of 29. Thanks were tendered to the rural branches for their co-operation during the year. The report of Prayer Partners was given by Miss Maude Haslam, who also read interesting excerpts from Prayer Partners in remote corners of Canada. Mrs. T. E. MacNutt for the Extra-Cent-a-Week reported an increase in donations, which was used to provide bursaries for the children of missionaries. The custodian of the beautifully inscribed Book of Remembrance, Mrs. R. L. Colton, reported that 61 names had been inserted. Mrs. C. Bentley was to be highly congratulated for the work involved in the new inscriptions.

**Interesting Address**  
 The Rev. S. J. Davies, so well known to all the members, gave a most interesting devotional address. He referred to what were once called pagan lands where we had sent missionaries, and what a fine contribution that they are making in the propagation of the Gospel. Adjournment was made after the conclusion of the Rev. Davies' address, to St. Peter's Hall for lunch. This was served by the W. A. members of St. Peter's. The tables were delightfully decorated with daffodils from the estate of Mr. J. Williams. The blessing was given by the Rev. J. T. Ibbot, Rector of St. Paul's, Charlottetown. The luncheon was considerably enjoyed and much appreciation was expressed at the delicious and well served meal. Regrets were expressed by Canon E. M. Malone, of St. Peter's Cathedral, who was chairman, at the absence of Archdeacon Harrison, the Rev. B. Pream, and Rev. Nowe. The Right Rev. R. H. Waterman.

D.D., Coadjutor Bishop of Nova Scotia was the guest of honour and spoke in a very humorous vein and expressed considerable appreciation of the hospitality he had received since his arrival. Mrs. Cosh said a few words in reply to the Bishop and Canon Malone.

The Rev. D. E. Noel was called upon by the Bishop to speak. He is shortly leaving for St. John's, Newfoundland, to take up the work of curate in St. Thomas's Church, and Rev. Noel said how much he regretted leaving his parish of New London.

The W. A. meeting was resumed after the conclusion of lunch and unfinished business was discussed. Mrs. J. T. Rodd, Social Service Secy., gave some very informative details regarding her work which had its inception in 1947; a very full year's work had been completed.

Resolutions followed including greetings to the Primate and very sincere thanks for his past help and co-operation. Letters were also to be sent to the Dominion president, Mrs. Woodhouse; to the Diocesan hon. president, Mrs. Baymond; to Miss Audrey DeBois, retired missionary of Kangra, and the following: Father Cotton, Rev. Palmer, Miss Margaret Haslam, and Dr. Florence Haslam.

The meeting closed with a general discussion and review of all reports and matters appertaining to W. A. work.

**Film Tax Dispute Settled In Britain**

LONDON, March 11 — (AP) — The British Government and Hollywood settled their film tax dispute today. A compromise agreement will end the seven-month Hollywood ban on export of new movies to Britain.

Harold Wilson, president of the Board of Trade, announced in the House of Commons that Britain will withdraw the 75 per cent tax on foreign films that was imposed last August to save dollars.

Eric Johnston, president of the Motion Picture Association of America, said the agreement makes concessions to Britain's needs to economize and will be signed formally tomorrow. He said that the United States film industry has approved the compromise.
