A remarkable growth of apples occurred in the orchard of Dr. R. V. Jones, Wolfville, last season. An apple tree had been grafted in the spring with scions from a Northern spy tree, and in the fall Dr. Jones picked over a peck of fine fruit from the grafts. The story sounds rather large but its truth is vouched for.

YESTERDAY about noon while a large flock of sheep were being driven down Prince street to be put on the Manchester Trader one broke away from the flock and dashed head-long through the window level with the sidewalk into the basement-kitchen of the house occupied by John Coombs at the corner of Dorchester and Prince. The frightened animal was rescued shortly by the boys who had it in charge. No damage greater than broken glass was done.

A peculiar incident occurred at railway station the other morning. Three young men were leaving for Bangor to spend the winter. Shortly after they got aboard the train when the conductor began collecting the tickets one found that his was missing. Search proved unavailing and the party left the train at the Junction and returned by the Eastern express to the city. Continued search was made at the Station but it was without result. The travellers were about to give up in disappointment when a man who was coming along the line towards the station lost his hat in a gust of wind. It blew some distance and when he stooped to pick it up, alongside lay the missing ticket. He brought it into the depot, soon came across the unhappy owner and what was most extraordinary of all the two proved to be near relations. The trio left again yesterday for the States.

**FARMER TELLS OF A BAD TWO YEARS**

Then Dodd's Kidney Pills Drove Away All His Pains.

Was Bent Over with Pain and Hardly Able to Work Till He Used the Great Canadian Kidney Remedy.

CONSUMPTION, ONLY Nov. 30—(Special).—Mr. David Rowe, well-known and highly respected farmer, living about three miles from here, is telling his friends of his remarkable recovery from a long period of suffering by the use of Dodd's Kidney Pills. "I had very severe pains in my back more or less for upwards of two years," Mr. Rowe says. "These pains seemed to concentrate their full force in the small of my back and the pain was unbearable. It made me go bent over and I could not straighten up to save my life. "When I went to urinate it gave me great pain and you may imagine I was not able to do much work. I consulted a doctor but his prescription did me no good. "Then I started to use Dodd's Kidney Pills and I felt better by the time I had used the first box. Ten boxes cured me completely."
