

Art Centre Classes Are Now Under Way

The Charlottetown Art Centre, sponsored by the Charlottetown Arts and Crafts Society and under the capable direction of Miss Frances Johnston of London, Ontario, began its first classes last Saturday morning.

At present only elementary school classes are being held, in which about 24 children from each school in the City, ranging from Grades one to eight are attending.

During these classes, which will last for about eight or ten weeks, children will be taught drawing, painting, crayon work, etc., but this is only a small part of the training.

At the present time grades seven and eight are carrying out a project on the drawing of certain places relative to the past and present activities.

Miss Johnston, who is at present carrying out these instruction classes unassisted, said that she would appreciate hearing from anyone who was sufficiently interested in this training to assist her on a voluntary basis.

Gregg Looks To New Job With High Hopes

SAINT JOHN, N. B., Jan. 19 (CP) — Veterans Affairs Minister Gregg, who received news of his cabinet appointment here tonight just a few minutes before he caught a train for his return to Ottawa, said he looked upon the new post with "high hopes."

"In the few months I have been Fisheries Minister," he said, "I have become keenly interested in the fisheries and I much regret breaking the contact, which, although short, has been a pleasant one."

"At the same time I take on the new role with willingness and in doing so I would like to express my best wishes to both the old and new veterans with whom I will be associated."

"I will carry out the new appointment to the best of my ability and would also like to pay tribute to the great progress made in the Department under my predecessor, the Hon. Ian MacKenzie."

Mr. Gregg, former president of the University of New Brunswick, succeeded Mr. MacKenzie as Fisheries Minister shortly before the York-Sunbury by-election Oct. 20 last year, which he later won. He is the only New Brunswick representative in the Federal Cabinet.

The Federal seat had been left vacant by the death of former Fisheries Minister H. F. G. Bridges.

Japs Take Dim View of Russia And Communism

TOKYO, Jan. 19 (AP) — The recent distress of the Russian ship Dvina with 780 passengers off Southern Hokkaido was the latest in a series of "mistakes" and "bad breaks" which have helped reduce Communism to "a smouldering ember" in Japan, the Nippon Times said today.

The Dvina radioed Jan. 7 that it was leaking badly in heavy seas. Its passengers later were removed to another Russian vessel and the Dvina was towed to Kushiro, Hokkaido. Kyodo, Japanese news agency, reported today the Dvina was expected to resume its journey tonight on Monday.

A special title in the English-language Nippon Times by Kimpel Sheba, executive editor, took note that the Dvina incident disclosed Russian vessels were plying northern waters with passengers. It pointed to Russian contentions the Soviets were unable to repatriate Japanese prisoners at this time of year because of adverse conditions.

Only a few days before, Sheba wrote, Hyuchi Tokuda, secretary-general and other officials of the Japanese Communist Party had called on the Russian mission to request reconsideration of Moscow's refusal to maintain the repatriation schedule during winter.

FAIRVIEW OPERATING — The ferry "Fairview" under the command of Captain Thomas Paquet, is still making her way between Charlottetown and Rocky Point despite adverse weather conditions, and made her six scheduled crossings yesterday. She will continue her service for the benefit of Rocky Point residents until such time as heavy ice forces her to discontinue the service.

SENTENCED TO YEAR IN JAIL — Harold McCaul, who elected to be tried before County Court Judge C. Gavan Duffy on a charge of breaking and entering, was found guilty and sentenced to one year in the Queen's County Jail. G. R. Holmes, K.C., appeared for the Crown and R.R. Bell, K.C., for the accused.

TRINITY MISSION CIRCLE — The annual meeting of Trinity Mission Circle met last night in the church parlour. Meeting opened with the worship period led by Ena McLeod, Rhoda Brown, and Marion Youker. The business period followed, during which reports of last year's work were heard. Mrs. Dr. Creelman, advisory president, gave an interesting talk on a new project. The report of the nominating committee was given by Edith Anderson. Miss Enid Morson installed the new officers, as follows: Advisory President, Mrs. Creelman; President, Miss Dorothy Auld; vice president, Miss Dorothy Allen; secretary, Miss Ena McLeod; treasurer, Miss Ruth Oudmore; press reporter, Mrs. Cairns; mission monthly secretary, Miss Isabel Clawson; pianist, Mrs. Kirby. "will be good enough to share my duties as well as my desk." "He has done so in the past," he added.

Mr. St. Laurent was mentioned as Mr. King's personal choice as his successor upon retirement.

Means Another By-Election

The Prime Minister said he had not had time to consider when a by-election will be held to fill Mr. Mackenzie's seat in the Commons as Mr. Mackenzie had left the Cabinet only an hour ago.

However, the by-election may be announced at the same time as the vote in Yale, B.C., which also is without an incumbent since the resignation of Groote Schilling, the Progressive Conservative member. The Commons seat for the riding of Ontario also has been made vacant through the death of W.E. N. Sinclair, Liberal, but Mr. King made no reference to it.

Cleaning up odds and ends of questions, he said he could say nothing about the possibility of sale of margarine being legalized in Canada and had nothing to report on a new president for Trans-Canada Air Lines.

He expressed hope Parliament would vote the money necessary for four more parliamentary assistants being planned to help Cabinet Ministers.

Dealing with the Cabinet changes, Mr. King observed that Mr. Mackenzie's appointment to the Senate leaves British Columbia without representation in the Council, but said this would be for "just a short time." However, for the moment, he was not in a position to say when a B.C. representative would be appointed.

Of Mr. Mackenzie, 57, and one of the oldest members of his Cabinet in point of service, the Prime Minister said his health has not been what he might have wished for some time past and he had asked to be relieved of some of his duties.

Mr. King said he felt it would be "unfortunate" if Mr. Mackenzie's services to Parliament and the country were not used in future so had appointed the Minister to the Senate.

"I may say," he went on, "that I don't like losing from the Cabinet more than any other Minister but the appointment to the Senate is in the nature of a promotion."

committed. Upon their return at 5:30 p.m., Court adjourned until 10:30 this morning.

Four witnesses were heard yesterday. The first, Gordon White, Deputy-Minister of Public Works, said, under direct examination by Attorney General Large, that he was a qualified engineer. Witness had made a survey of a certain area near Beech Grove Inn on August 9th last and on August 12th, had prepared to scale a plan of the area. Cst. Smith, R.C.M.P., was with witness when he made the survey. The survey shown on the plan of what is known as the Beech Grove Road is of 16 degrees which, witness said, was more than the 6 degrees which the Dept. of Public Works and Highways considered "satisfactory."

Other Witnesses Dr. Donald Campbell, in direct examination by Mr. Holmes, said he saw Shirley Biggar at the P.E. Island Hospital about 8:15 on the evening of Aug. 5th last. She appeared to be in a serious condition. Drugs and blood plasma were administered and the patient showed some response temporarily. But she did not regain consciousness, witness said, and died about 5 o'clock next morning. Her death was due to shock, fracture of the base of the skull, contusion of the brain, and multiple lacerations. Such injuries could be caused, witness said, by a violent impact. Sterling McKay, 132 Longworth Avenue, said he was the proprietor of a garage. He was called upon by the R.C.M.P. on the evening of Aug. 5th last to examine the running gear of an Oldsmobile car. The running gear was in good condition and there were no flat tires.

Cpl. Lionel Strong, R.C.M.P., said he examined a certain section of the Beech Grove Road on the morning of August 6th last in company with other R.C.M.P. officers and took pictures. There was no car on road when pictures or measurements were taken.

On the left side of curve on the Beech Grove Road, a short distance west of a by-road, there was a gouge. Forty-three feet further there was a mark going along the ditch. There was no mark on "fill" on left side of the road. The ditch was five feet wide and about two feet deep. Two feet across the "fill" and on the field side of the ditch, there was another gouge on the shoulder of the pavement and 21 feet further, there was a gouge on the other side of the ditch; 13 feet further there was a gouge which was on the shoulder of the pavement, beginning with the first gouge, the succeeding ones alternated across the ditch. All gouges from the first led in a westerly direction.

Nineteen feet further, and on the same shoulder there was the last gouge and out from it were two large grease spots. Forty feet from the grease spots and two feet in from the left side of the pavement there were reddish brown stains. Twenty-eight feet further there was a large reddish brown area about three feet long by two feet wide.

The petit jury comprises: William McKay, Brackley Point Road; Russell Driscoll, Mount Herbert; William Fitzpatrick, Tracadie; Russell Brown, Mount Herbert; Wilfrid Stretch, Long Green; Thomas Deveraux, New Haven; Roland Wood, Southport; James H. Mullin, Tracadie; Frederick Rowe, Donaldson; Chester Boylan, New Glasgow; Joseph Boylen, Dromore; and Heath Foster, Marshallfield.

The morning's session of the Court was adjourned at 11:30 until 2:30 p.m., because of the late arrival of the eastern train upon which several of the jurymen came to the City.

It must be with regret these jolly young people missed a second good time at the home of Mrs. Owen Baird. It was a most enjoyable evening, the limelight being held by Mr. Vernon Hughes and Mrs. Barney Coyle, as they danced their way into the hearts of all present.

Mr. Fred Cumlishy will return home shortly, after a well deserved visit to his brother, Jack, in Boston.

Misses Rita Baird and Gertrude Duffy have taken up a short course in the city.

Misses Mary Kelly, Helen and Patricia McDonald have resumed their work as teachers in Water-ville, Fort Augustus and Webster's Corner respectively.

Labrador Girl In Halifax Hospital

HALIFAX, Jan. 19 (CP) — Scene of 15-year-old Glenda Roberts' fight for her life today had shifted from Canada's Labrador outpost of Goose Bay to a Halifax hospital where her condition was described as "still serious."

The girl, who was flown from isolated Harrington harbor to Goose Bay Airport in an R. C. A. F. New Year's Day mercy flight, was flown to Halifax Saturday in an Air Force aircraft because facilities at the dreary northern plateau were not sufficient for her case.

When taken from her home on the northern shores of the St. Lawrence on New Year's Day, Miss Roberts was suffering from pneumonia and complications.

LEEDS, England (CP) — A 16-year-old boy drove a 32-seater bus through busy thoroughfares here, with his seven-year-old sister as a passenger.

FORT AUGUSTUS

Once more the festive season has come and gone — but not forgotten. Yes, residents had their share of snow, too, and the roads were never worse, but they resolved they had a good lot, they made the best of their lot.

First of all, on Christmas eve, in spite of a blinding storm and ground drift, there was a large turnout to midnight mass. This ceremony was most brilliantly conducted by the pastor, Rev. Louis P. Callaghan. In his sermon, Father Callaghan expressed the wish that the new year would be one of joy and prosperity to his parishioners.

Dance lovers of this vicinity were never in a better position to enjoy themselves, and they take at this time, the liberty of extending their thanks to all those who made their joy possible. They are Messrs. Andrew, Dennis and Steven Murnaghan, Patrick Connelley and Mrs. Owen Baird. Thank you, neighbours, for your generosity in opening your homes to the public.

Among those who have returned to take up their respective courses after a fine vacation are Charles Duffy, Anna Hughes, Doris McFadden, Eimer Murnaghan, Florence Shea, Adrian, Earl and Eimer Smith.

Red Cross Continues Heavy Shipments Of Food Overseas

TORONTO, Jan. 19 — Nearly two and a half million pounds of bulk food, bound for the hungry peoples of Great Britain and Europe, were shipped overseas by Jan. 1st, of this year by the Canadian Red Cross Society.

These shipments represent more than half of the \$1,000,000 food grant allocated from the Society's remaining war funds in October to ease this winter's food crisis abroad.

Balance of the bulk foods has been purchased and is moving steadily toward the Atlantic seaboard. The more than 80,000 cases on the way or already received overseas, represent a value of \$591,353 and contain bulk foods that have been specifically requested by the Canadian Red Cross Commissioner in London in co-operation with the British Ministry of Food.

Meat and meat preparations, corn syrup, fruit juices, dried milk powder, grain foods such as macaroni, rolled oats and corn and bran flakes, as well as large shipments of vitamin preparations, were the main foods requested.

Shipments are consigned for distribution to the Canadian Red Cross representative in Britain and, in Europe, to the Red Cross Societies of the respective countries concerned. All goods are labelled "Gift from the People of Canada through the Canadian Red Cross Society."
