Giants And Pirates Split Tennis Match Twin Bill; All Other Games Are Postponed

PITTSBURGH, May 7—(AP)—and Jim Wassell singled and after threatening repeatedly the Pirates won in the 11th when Elbe Fletcher singled, was sacrificed to second and came home on a single by Bob Elliott.

Dave Koza, a freshman left-hander of the Giants, pitched seven-inning ball in the second game, but the Pirates scored first and led 2-1 coming up to the seventh inning, when the Giants plunked four runs against the previously unbeaten Ken Heintzman.

Bill Jurges opened the rally with a single, went to second on a passed ball and Mel Ott walked, scoring Jurges and after Willard Marshall also had been retired, Maynard hit his homer.

The Giants finished their 12-inning game with a run off Lloyd Dets in the ninth.

First game:
New York 000 010 000 00—1 5 0
Pittsburgh 000 001 000—2 12 0
Carpenter and Danning; Wikkie and Helms.

Second game:
New York 001 000 001—6 12 2
Pittsburgh 010 001 000—7 7 1
Koza and Danning; Heintzman, Dets (9) and Lopez, Baker (9).

P. W. C. Retains Hoop Title Defeating S. D. U. 36 - 27

Prince of Wales College retained the intercollegiate basketball title yesterday, defeating Saint Dunstan's University 36-27. The college took the three-game series two straight winning the first game last week 31-30. The games were played at the P. W. C. Auditorium.

The victory gave Prince of Wales boys their third intercollegiate title this year. Previously they had won the football and hockey championships, held last year by the Saints.

The game yesterday was a hard-fought encounter with the Saints battling hard to stay in the series. The first half ended with the College leading by a 16-9 score. In the second half the Saints did better on the scoring, collecting 18 points but they were unable to keep their opponents from piling up a score to the end of the victory collecting another 20 points before the end of the game.

McTague on the Prince of Wales line was top scorer with 16 points. Cameron was top man for the Saints with a total of 11. Other members of the S. D. U. with the points they scored in brackets included: Smith, (6), O'Hanley, (4), O'Neill, (2), O'Shea, (2), McAdam, (2), McEntee.

In addition to McTague P. W. C. team members included: Deacon, (12), Wood, (4), Wilson, (3), Shama (1) and LePage.

Regular work Secret of Spence's Hitting spree

WASHINGTON, May 7—(AP)—Lanky Stan Spence, the usually-weak hitter who has been smacking base blows with regularity this season, today credited his current success to full-time baseball employment.

Spence, new idol of Washington's fickle sports fandom, has been playing regularly for the first time since he entered the majors. The result is a .40-plus batting pace and the American League leadership in hits.

Spence hasn't finished a season with a .300 average since he started playing professionally in 1925, but was rated a good prospect when he came up to Boston from the minors two years ago.

The Red Sox used him principally as a pinch hitter and in relief roles. Last year he hit only .232 and was traded to Washington during the winter. Manager Bucky Harris decided to give him a chance as a regular.

The pressure's not on so much when you have a regular job on the team," says Spence. "I guess that's why I've been hitting so much better than I did last season."

Spence, 27, doesn't expect to maintain his present blistering pace, but believes he can stay among the league leaders.

Frank Hansen Heads Ch'town Tennis Club

Mr. Frank Hansen was elected president of the Charlottetown Lawn Tennis Club at the annual meeting held last night in the City Building. Hansen is a Cardinal, has been assigned instead to St. Louis Cardinals. It was announced today. Recoster is a Cardinal from Moore figured in the deal in which the Reds bought pitcher Clyde Slocum from the Cardinals.

HOUSE APPLAUDS

through destroyers, corvettes, minesweepers, motor patrol boats, motor torpedo boats, and auxiliary craft, the minister said.

Largest Contribution

Every province in Canada had furnished the crews of these vessels and the necessary shore units, but Nova Scotia, Prince Edward Island and British Columbia, where the tradition of the sea is strong, had given larger numbers per capita than other provinces.

"There is no lack of recruits—indeed there is still a considerable waiting list for the navy," Mr. Macdonald said.

More than 1,100 Canadian naval personnel served on Royal Navy vessels of all classes and in all oceans and had seen much action, he continued.

Production of ships and training of personnel was proceeding "at an almost equal pace."

Naval Losses

The navy had lost 500 men, killed in action, and its personnel had won 72 honors and decorations. Canada's navy for which the foundation was laid only 32 years ago, was playing a part in "the greatest naval undertaking of which history has any record," the minister said.

"Every continent in the world, with the exception of South America, is wholly or partly engaged in this struggle."

Magnitude of the sea transport task was obvious, considering the fact that wherever a ship might sail in circumnavigating the globe it would be liable to enemy attack. Enemy submarines had been

Newark hurler Dies in Buffalo

BUFFALO, N.Y., May 7—(AP)—Pitcher Walter Stewart, 23-year-old hurler for Newark Bears of the International League, died in hospital here today.

Dr. M. A. Hersey said Stewart, who lived in Elizabeth, N.J., entered hospital May 1 suffering from uremia poisoning. He was in Buffalo with the Newark team.

Stewart came to New Jersey from Eureka, Calif.

Wright stops Lulu Constantino

NEW YORK, May 7—(AP)—Lulu Constantino, pride of the east side, came to the end of his long victory string tonight when he lost an eight-round decision to Chalky Wright of Los Angeles, New York champion, before 6,600 boxing fans at the Waldorf Astoria.

Nicholas Arena. It was a non-title bout, each boy weighing 128.

Moore goes To Cardinals

ST. LOUIS, May 7—(AP)—Pitcher Lloyd (Whitey) Moore, sold by Cincinnati Reds to Rochester of the International League, has been assigned instead to St. Louis Cardinals. It was announced today. Recoster is a Cardinal from Moore figured in the deal in which the Reds bought pitcher Clyde Slocum from the Cardinals.

Remember When

(By The Canadian Press)

Frank Patrick was appointed bench manager of Boston Bruins National Hockey League entry eight years ago today. Brother of Lester of New York Rangers fame and a hockey great in his own right, Frank lasted only one season with the Bruins. Art Ross, who had plotted the team before Patrick took over, replaced him.

JAMAICAN INVENTOR

LONDON—(CP)—Edward G. Smith, 23-year-old Jamaican engineer, who came to Britain 16 months ago to work in a factory, invented a new serrating tool which doubled production.

At 9 P. M.—
Big Four League finals—Corvettes vs. Five Aces.

Ration changes For armed forces

OTTAWA, May 6—(CP)—Members of the Canadian army and the Royal Canadian Air Force will be on bread, meat and potatoes on a double for May. The ration scale will be increased by 100 per cent for the month of May.

The new diet goes into effect June 1. One of its chief features is an increase in the fresh milk ration. Grapefruit juice and fresh oranges have been added to the old scale.

"There are only a few changes in the old ration scale, providing more of some commodities and less of others, but it all adds up to more nutrition," Lt.-Col. C. S. Jones of the supply and transport branch told The Canadian Press.

"The increase in vitamin 'C' is the main thing," he went on. "The daily intake of calcium for each man has been increased 20 per cent."

Ham has been added as an exchange ration, or alternative, for beef.

The present standard ration now calls for 14 ounces of beef and the same quantity of bread and potatoes daily per man, the new scale calls for only 12 ounces of each of these commodities.

On the other hand the fresh milk ration has been raised from 10 ounces per man to 15. The sugar allowance has been cut from three to two ounces daily for each man, but this still leaves the service man with three ounces more each week than the civilian who has 3-4 of a pound.

The 1914-18 army scale of rations, compared with today's scale and the amended scale effective next month, shows less variety in the food, but larger allowances of meat, bread and potatoes than in either of the modern lists.

The First Great War scale called for one pound each of these three commodities, as well as three ounces of bacon, two of beans and six of fresh vegetables, against eight of vegetables in both the modern compilations.

"The ration scale is reviewed from time to time," Col. Jones explained. "This is done by a standing committee on nutrition attached to the department of national defence,

To Extend Special Fares For Soldiers

OTTAWA, May 6—(CP)—Special reduced fares available to members of the armed forces on embarkation leave are to be extended to apply also to disembarkation leave, it was reported in a return made in the House of Commons today for T. L. Church (Con. Toronto-Broadview).

Personnel of the army, navy and air force proceeding on embarkation leave now are entitled to transportation at one-third of the existing reduced rates which provide a round trip at the price of a single fare for servicemen, the defence department statement said.

Various other things have turned up from the cargo. One was a container for explosives, there were several grenades shaped like microphones and one in the warehouse was a fisherman's net.
