SUPREME CHANCELLOR TO VISIT HERE.—Hon. Reno S. It was only last month that he was elevated to his present position by the Supreme Lodge, and his domain covers the United States and Canada. It is certainly a signal honor that he should include Prince Edward Island in his itinerary so soon after entering upon his duties. Mr. Harp has had a very distinguished career, is a pleasing speaker and of a magnetic personality. While his visit here must of necessity be short, it is intended to show him as much of our beautiful Island as possible that he may pass the word along that it is indeed "The Garden of the Gulf."

HART-WELDON.—A quiet but pretty wedding took place in Sackville Wednesday at 4 o'clock afternoon at the home of the bride's mother, Mrs. W. L. T. George Morris, minister of the United Church, officiated in the presence of immediate relatives of the contracting parties. The bride, who was given in marriage by her brother, Lorne Weldon, looked charming in a dress of blue velvet, with bandeau to match, and carried a bouquet of pink rosebuds and sweet peas. Mrs. George Muttart, Summerside sister of the bride, played the wedding march. After the ceremony, Lurchon was served. Mrs. Lorne Hart poured, and those assisting were Mrs. Thomas Myse, Besseque, P. E. I., and Mrs. Lillian Hart, Sackville, sister of the groom, and Mrs. R. J. Bell, Dartmouth, N. S., and Mrs. Olaf Hanson, Sackville, sister of the bride.—Saint John Telegraph Journal.

TEAMS BATTLE TO DRAW IN 12 INNINGS

Darkness Calls Halt to Springhill - Dominion Game With Score Knotted At 1-1.

(C. F. by Guardian's Special Wire) GLACE BAY, N. S., Aug. 31.—Springhill Dodgers and Dominion Hawks had one run each to their credit today in the third game of the Nova Scotia baseball semi-finals when Umpire Nobles stopped play after the 12th inning because of darkness. Each team had won a game and competition was keen today for supremacy in the series which settles the eastern Nova Scotia title. Springhill led with one lone run from the start. They brought home third baseman Brown after he got a free trip to first. A sacrifice stepped him up a base, and Leadbetter's single permitted him to slide in safely. Dominion got their only run in the same manner as the Dodgers. Billy Boone got a free berth to first base and was sped around the diamond by subsequent play. In the 12th Springhill made a gallant bid for the game, but their plan was upset by the southpaw, Joe Kelley, who fanned Emberley with two men on base. All the way through it was a pitching duel between Kelley and Springhill's southpaw hunter, Kelley allowed four hits, fanned 11, and gave five bases on balls. Cormier had six hits against him, fanned five and issued three passes. The teams will clash again tomorrow.

OLD TIME ATHLETE SLOWING DOWN NOW (By The Canadian Press) EDMONTON, Aug. 31.—Ambrose H. Dickins, 74 year old sportsman complained today because he's slowing down a little these days and is getting all out of practice at his erstwhile pastimes. Rugby, fencing, boxing, soccer, tennis, curling, hockey and cricket he now finds a little tiring. Even 18 holes of golf are hard to work in but in the misty '70s and '80s it was a different story he says. Ambrose at one time captained the Merchiston Castle school cricket team at Edinburgh and led England, he won the Edinburgh fencing championship in 1877 and in 1886 captured the Manitoba tennis singles championship. Ambrose kept in the top-rankers of western Canada tennis until he was 66 years old.

Shipments of livestock from Western to Eastern Canada from January 1 to August 17, 1934 included 52,368 cattle; 540 calves; 145,135 hogs; and 45,600 sheep.

St. Louis Cardinals Tied With Cubs For Second Place

(A. P. by Guardian's Special Wire) NEW YORK, Aug. 31.—Dizzy Dean conquered his season's jinx today at Chicago to win his 23rd victory of the season and pitch St. Louis Cardinals into a tie with Chicago Cubs for second place in the National League standings. Largely because of Dean's pitching the Cards won the opener of the series 3-1. Dizzy hadn't beaten the Cubs since he fanned 17 of them for a modern major league record on July 30, 1933, losing three decisions to Chicago this season and being belted out a fourth time and in Chicago. The 23rd victory put Dean on even terms with Lefty Gomez of New York Yankees, American League leader, who won no. 23 yesterday.

The Cardinals, by winning, kept pace with the League leading Brooklyn Giants, who defeated Brooklyn. The deadlocked second-place clubs are 51-2 games behind the pace setters. Gabby Hartnett deprived Dizzy of a shutout in the six-hit six-strikeout game by clouting his 17th home run of the season on the first pitch of the fifth inning. The Cubs resumed their threats in the sixth, seventh and eighth frames, putting

(A. P. by Guardian's Special Wire) RYE, N.Y., Aug. 31.—Lester Stoecken, the Los Angeles "giant" of the tennis courts, was knocked out of the Eastern United States grass court tournament in the third round as seven other seeded players advanced to the quarter-final round of men's singles play. Stoecken, seeded second behind Frank Shields, yielded to J. Gilbert Hall of South Orange, N.J., in three stiff sets, 7-5, 7-9, 8-6.

Led by Shields, who conquered Henry Prusoff of Seattle, 6-4, 6-2, the other seven seeded stars advanced with the loss of only one set. George M. Lott of Chicago, barely escaped elimination at the hands of Eugene McCauliff of Yonkers, N.Y., who yesterday defeated Roderick Menzel of Czechoslovakia. After leading 5-1 in the final set, McCauliff was unable to hold his pace and Lott won 5-7, 6-2, 9-7.

(A. P. by Guardian's Special Wire) The largest group of spectators to witness a harness horse race in recent years in the United States attended the racing of the Hambletonian Stake for three year old trotters at Coshon, N. Y. It is estimated that fully 35,000 spectators were present. It was won by Lord Jim, a horse that sold for \$550 at the Old Glory Sale the fall of 1932. The purse was \$25,845. The first heat was won by Prin-

cess Peg in 2:06 1-2, the second heat by Lord Jim in 2:02 3-4, the third heat by Muscletone in 2:04 1-4 then Lord Jim came back to win the fourth and final heat in 2:04 1-4. He is a son of the dead sire Guy Axworthy 2:08 3-4.

A curious thing about the above race is that the winner, Lord Jim, was driven by Dr. H. M. Parshall and Muscletone 2:09 3-4, winner of second money, was driven by his brother Darryl Parshall.

Many of our horsemen friends will remember the great campaign made by Lord Jim last year as a two year old when he took a record of 2:07 3-4 over a half mile track, although badly handicapped by splints which caused him considerable agony at times. This season he trained nicely, the splints no longer bothering him, but his preparation was very slow and in his first starts he failed to display the form his admirers had expected. However, it appears that Driver Parshall was acting under instructions from the owner who said to him early in the season, "I won't see him land the Hambletonian and I will not have a single complaint if he does not win a race until the middle of August. Just so that he improves with each start and will be in top form when the big race takes place."

Pierce Chappelle, well known Maine driver, took a fling at the Grand Circuit this year and made his presence felt in no uncertain manner. At Showegan, Maine, the week prior to the Provincial Exhibition races he drove Laurel Hanover, a three year old pacer to a new record for horse and track when he went in 2:04 1-4 against time. On the same day he placed the record of that course at 2:04 1-2 with Rihneworthy, defeating among others Billy Strathmore 2:04, the first time that he had failed to head a summary since 1932.

By the way, Skowhegan track is the fastest half mile track in Maine, or probably we might say the New England States, but just the same the above two performances are wonderful.

Volonte (3) 2:03 1-4 a son of Peter Volt and Cita Frisco by San Francisco, in the stud at Walnut Hall Farm, Lexington, Ky., is being given a great deal of attention by astute breeders in the United States through the performances of his get this season. One of them Tara, took a trotting record of 2:02 3-4 for a three year old and has won six races. Four others have taken records of 2:10 or better this season on the trot including Princess Peg (3) 2:03 1-2 the fastest three year old trotting filly so far this season.

Congratulations to Dr. F. T. Bowness, Kensington, on winning the 2:24 Trot at Halifax with his good little gelding Captain Cope, and repeating on Thursday with another win in the 2:27 trot and pace.

Professor S. A. Rockford is filling a dual role at Halifax this week and next acting as assistant starter and judge. This is to say the least a tremendous task in the vicinity of the Professor who is stationed at the long distance flag. The great majority of scores are spoiled by the drivers trying to turn too near the wire and if the starter can succeed in getting them to go up and take a long score there is much more chance of getting them away on even terms.

One of the best trotters at the Skowhegan, Maine, Fair was Lu Hall who set a new track trotting record of 2:06 when he won the 2:18 Trot in straight heats over a good field. He was a failure as a four, five and six year old on the track and was sold for a song. For two years he drew a rural free delivery wagon. This seemed to put sense in his head and when given another trial at the track was perfect in department and now looks like the best thing in sight in the Pine Tree State.

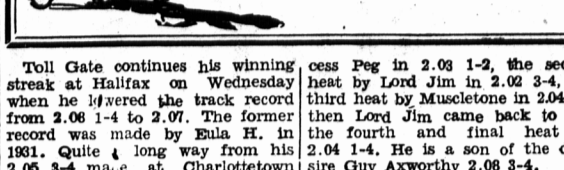

The purses at the Skowhegan, Maine, Fair, which reports say had record smashing by crowd and fine weather making it the best ever and which was characterized by a surprising series of fast performances, were not large to say the least. They ranged from \$135 for the two year old trot and pace to \$310 for the free for all trot.

W. C. Crummer, owner of Guy the Tramp 2:02, Mrs. Crummer and son, were greatly taken with our Island province. They say that nowhere in their travels this year have they seen land so fertile or farms so prosperous looking. They thought the Exhibition plant was the neatest and cleanest in appearance and one of the most attractive they had ever seen and also were greatly taken with the prizes to owners, drivers and caretakers, which they say is a feature of any other track they have visited.

The Prince Edward Island Harness Racing Club Futurity Stakes for two year old trotters and pacers and three year old trotters and pacers will be raced at Charlottetown, Wednesday afternoon, September 19th. The Charlottetown Driving Park and Provincial Exhibition Association being the highest tenders were awarded this privilege. Should the day prove unfavorable they will be held the next day, Thursday afternoon. Another race or probably two or three dash races will be added to the program.

DOWN THE BACK STRETCH

Toll Gate continues his winning streak at Halifax on Wednesday when he lowered the track record from 2:06 1-4 to 2:07. The former record was made by Bala H. in 1931. Quite a long way from his 2:05 3-4 made at Charlottetown the previous Friday, however. Evidently the track or day was not so fast.

Anent the above, Trixie Volo and Bonnie Cameron must have found the footing to suit as the day before Trixie, driven by Tyndall Semple, lowered her record from 2:13 1-2 to 2:11 flat and Bonnie Cameron lowered her trotting record from 2:12 1-4 to 2:12.

By the way, Bonnie Cameron, who had not been considered a very high class racing proposition up to this Spring, started the horse fans by several good performances at Halifax in June and July, in one of them beating out Star G. in 2:12 1-2. She was driven by young Bryson, at Charlottetown she seemed up to her old tricks, trotting fast and making breaks, but at Halifax last Tuesday she was on the trot all the time for Bryson and finished 1, 1, 1, with her record lowering mile of 2:12 one of them.

Toll Gate 2:00 1-4 is turning the tables on Guy the Tramp 2:02 this year. Last season they met in three game series. Fred Fitzsimmons won four races and Toll Gate, Guy winning four races and Toll Gate two. Guy's fastest heats were at Rochester, N. H. where he stepped in 2:02 1-2, 2:03 1-4, 2:04 3-4 with Toll Gate second.

At Springfield, Mass., Toll Gate won the first two heats in 2:05 1-4 and 2:08 and Guy the Tramp came on and won the third in 2:08 1-2.

The following new world records have been made this season: Brown Berry (4) 2:01 equalled the world's race record for four year old trotting stallions at Toledo, Ohio, July 12th and now holds this distinction jointly with Guy Fletcher 2:01, Calumet Bush 2:01 and Van Sandt 2:01.

Leon (4) 2:03 1-4 made a new world's race record for four year old pacing geldings on half mile tracks when he won a heat in 2:03 1-4 at Winfield, Kansas, recently, lowering by three quarters of a second the mark of 2:04 set in 1931 by Zombro Hanover 2:04.

Four races in ten days Aug. 21st to Aug. 30th, proved too much even for that stout pacing machine Betty S. 2:07 as we find her out-footed by Star G. 2:09 at Halifax on Thursday in slower time than usual.

Paddy Macle (3) 2:04 1-4 made a world's three year old pacing gelding record over a half mile track when he won at Winfield, Kansas, August 16th.

Reynolds (3) 2:03 1-4 established a new world's race trotting record for three year old geldings at Toledo, Ohio, driven by Marvin Childs.

American trotters continue to win frequently in Europe. The Glenner 2:06 1-2, exported a few months ago, won the championship of Holland defeating a large field and later on in July at La Rochelle, France, established a new world's trotting record for five-eighths of a mile by trotting in 1:15 1-4. He is a son of Guy Axworthy 2:08 3-4 and that great brood mare Mary Tipton (3) 2:17 1-4, dam of two 2:10 performers.

Home Run Standing

(A. P. by Guardian's Special Wire) Home Runs Yesterday: Hammett, Cubs; Lazzeri, Yankees, one each. The Leaders: Gehrig, Yankees 42; Fox, Athletics, 38; Ott, Giants 32; Collins, Cardinals, 30; Barrett, Braves, 30.

League Totals: American 5901 National 578, total 11,683.

Have an attraction in that several classes of horses can be added as the events would be one mile each. Thus there could be a dash for 2.18 trotters, a dash for 2.20 pacers and a dash for 2.20 pacers, making three races instead of one as would be the case if one class were had with three heats.

In the U. S. A. dashes are being given at varying distances such as one mile, one and one-sixth mile, one and one-eighth mile, one and one-quarter mile. In Europe they are given up to one and one-half miles.

At Halifax Exhibition races on Tuesday Captain Cope reduced his record from 2:14 3-4 to 2:14 and Guy the Tramp, from 2:16 1-4 to 2:16 1-2.

Exhibition Race Statistics At the exhibition race meeting last week excluding the 2 Year Old and 3 Year Old events, we find that there were 27 heats trotted and paced in 9 events for trotters and pacers of mixed classes, in which both could take part.

The fastest of these on the Pace, was the second heat of the Pace for All won by Toll Gate 2:00 1-4, in 2:05 3-4, owned by H. M. Sweeney, Bridgewater, N. S., and driven by Sweeney.

The honor of having trotted the fastest heat during the meeting, is divided between Miss MacTye, 2:15, owned by L. B. Brimley, Middleton, N. S., and driven by Inson, who trotted the third and winning heat of the 2:15 Trot on Friday, in 2:12; and Alan Harvester, 2:07, owned and driven by E. B. Avery, Woodstock, N. B., who won the third heat of the 2:15 Trot on Tuesday, in 2:12.

The average of the 27 heats trotted and paced in the 9 events, is 2:11 3-4—a new speed average for the Charlottetown track.

The average of the 16 heats paced during the meeting is 2:10 1-2.

The average of 12 heats trotted during the meeting is 2:13 1-4.

Examining the figures for 1933, we find there were 11 heats trotted, a shade better than 2:14. There were 16 heats paced during the meeting of 1933, the fastest being the 2:07 3-4 of Calumet Brownie. The average then of the 16 heats was 2:12 1-2. The average time of the heats in 1933 was faster than 1932, setting up a new record; and now we find 1934 still faster, where will the speed average stop, or when?

The following horses reduced their records at the meeting: Silver Doctor from 2:16 1-4 to 2:14 1-2. Signal Senator from 2:24 1-4 to 2:18 1-2. Miss MacTye from 2:15 to 2:12.

Of the \$4100 in prize money, the Nova Scotia horses won the largest amount,—\$1448. The New Brunswick horse won \$1250. The Prince Edward Island horses won \$1199, and the Ontario horses won \$204.
