**An opportune time to buy**  
**Hewson Pure Wool Textiles 7 p.c. Pref'd Stock**

It is a well established fact that the most opportune time to buy the securities of a reorganized company is at the beginning, before the purposes for which the additional capital was raised have been accomplished.

A number of new buildings are shortly to be erected and plant installed by Hewson Pure Wool Textiles. The plant which will be in operation by July 1st will increase the output of cloth by 50 per cent. Needless to state, this will advance in price as a result, very materially to the earnings of the Company. A number of important changes have been made which will add to the efficiency and earning power of the plant.

In view of the fact that the Preferred Stock has been placed upon a dividend paying basis, (the first dividend having been declared and being payable April 1st) purchasers will be securing a good yield on their investment from the start and will also have the advantage of buying before the additional plant and improvements have made themselves felt, and this stock has made any decided advance in price as a result.

We offer a block of these shares with a substantial bonus of common stock, in lots to suit purchasers. Price and other particulars upon application.

**REPORT MORSE IS NEAR DEATH**

LONDON, March 26.—An exclusive dispatch from Florence states that Charles W. Morse is at the point of death in a hospital there.

The former American financier, released from prison by order of President Taft, because of grave illness, was being rushed from Rome to Paris for special treatment, when his condition became so grave that he was taken off the train at Florence.

**Baby Terribly Scalded.**

RELIEVED BY ZAM-BUK

Doctor Agreed Zam-Buk was "Best Possible Treatment."

Mrs. Albert Sawyer, of Midland, (Ont.), says: "While living in Brantford last winter my little son spilled a vessel of boiling water over his neck. He was terribly scalded, and we immediately called in a doctor. The treatment did not seem to give the child ease or heal the terrible scalds, so after a week's trial we got some Zam-Buk and applied it. It gave the child ease almost immediately, and after a few days' use the scalds seemed to be getting along finely.

"To make quite sure that all was right, however, we called in a second doctor. He said everything was going along splendidly, the scalds were healing and the little one would soon be quite recovered. Then we told him Zam-Buk was what we were using, and he said we could use nothing better. Zam-Buk worked a complete cure."

Mrs. S. Smith and Mrs. J. H. Teakle, of 73 Brock St. Brantford, who knew of the above accident, and what followed, write: "We certify that these facts are true in every detail."

Mothers should know that for burns, cuts, scalds, bruises, eczema, piles, and all skin diseases, there is nothing to equal Zam-Buk. That was the opinion of the doctor connected with the above case, and is the opinion of hundreds of other doctors throughout the world. Zam-Buk is obtainable from all druggists and stores 50c box, or Zam-Buk Co., Toronto.

**Women's Ailments Caused by Neglect**

**Are Quickly Cured and Robust, Sound Health Restored by Dr. Hamilton's Pills.**

Women are on the whole more sickly than men. One reason is that their system is more complicated; another and more important reason is they put off measures of relief too long. At the beginning, constipation is the cause of nine-tenths of women's ailments. The blood becomes weakened and polluted—the nerves suffer and a run-down condition takes root.

Because of their mildness of action as a system regulator, because of their undoubted power to remove constipation, irregularities, no medicine for women can compare with Dr. Hamilton's Pills. The kidneys quickly respond to the remedial action of Dr. Hamilton's Pills and the result is as you would expect—pain in the back and side, shortness of breath, and bad color disappear—the functions of the body then operate naturally, congestion and pain are prevented and perfect health returns.

Thousands of happy women say Dr. Hamilton's Pills are the greatest and best blood-purifier, the finest complexion renewer, the most certain regulating medicine known. All dealers, in 25c boxes, or the Catarrhozone Co., Kingston, Canada.

**Doan's Kidney Pills**

**Are the Best Remedy in The World FOR BACKACHE.**

Many people fail to understand the significance of a lame, weak, sore or aching back.

You overtax the kidneys—give them more work than they can possibly do—then they cry out in protest through the pain in the back.

Backache is simply kidneyache and the best remedy in the world for backache and all kidney troubles is Doan's Kidney Pills.

We have thousands of testimonials from all quarters of the globe to prove this. Here is one from a party who used them in England, but who is now a resident of Canada.

Mrs. P. R. Glanville, Wycliffe, B. C., writes: "When living in the 'Old Country,' three years ago, I suffered severely from pains in the back, and had to give up work. The pain was so bad that when I stooped down to pick anything up, I felt my back must break. I tried all sorts of remedies and several doctors, but all to no purpose. One day I read of Doan's Kidney Pills, and thought I might as well try them, and to my surprise, before I was half through one box the backache had entirely disappeared, and it has not caused me any trouble since. I always keep 'Doan's' in the house and shall always recommend them to all sufferers."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

**Entire Safety in Investments with Maximum Interest Return**

Affording a most excellent opportunity for the positively safe investment of funds is the list of Nova Scotia Municipal Debentures offered in our March Circular.

These Bonds represent issues of substantial and growing communities. As the income for the protection of interest and sinking fund is based on taxation which is supported by lien on all taxable property, security is provided in these Bonds that is unquestioned.

Nova Scotia Municipal Debentures are legal investments for Trustees and Executors, and to those seeking entire safety with maximum interest they should be very attractive. They yield from 4 to 5 p. c.
