

Do Your Feet Ache?

Men, women and girls who work in stores, offices or factories, and whose occupation requires them to be on their feet, usually suffer with foot pains, cramped toes, corns, bunions, and callouses, all caused by weak instep or weak and broken down arch.

The Scholl "Foot-Eazer"

affords immediate relief to all foot aches—is a cure and a preventative. It is a scientifically constructed device that supports the arch and instep, takes away all strain and uneven pressure, bridges the weight from heel to toe and braces the whole foot.

The "FOOT-EAZER" eases the feet and does it instantly. You will feel the restful and bracing effect in one day's time. Can be worn inside your regular size shoe, and changed from one pair to another, and outlast several pairs of shoes.

All sizes, for men, women and children. Price \$2.00 per pair at all good shoe stores and druggists everywhere. Don't take substitutes there is but one "FOOT-EAZER".
