Toronto Professor Sees Close Relation Between Master Minds and Imbeciles

"All men of genius and poets are the result of degeneration on the part of some of their ancestors. If we seek by the prevention of invidious marriage to eliminate the imbecile and otherwise unfit we will also prevent the production of these."

Had Pains Around The Heart AND SMOTHERING FEELINGS.

The terrible smothering and choking up sensations and sinking turns, that come to those whose heart and nerves are deranged or disordered call for prompt relief.

There is nothing that brings with it such a fear of death as to wake up in the night with that awful feeling of smothering.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

Mrs. Wm. Lee, Uthoff, Ont., writes: "I have taken three boxes of Milburn's Heart and Nerve Pills, and am now well. I had such pains around my heart and such smothering feelings that I thought I would surely die."

Price, 60 cents per box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

AN INCH OF RAIN

How it is Measured by a Simple Little Instrument

Few people really understand how rain is measured. We often read in the newspaper that so many inches of rain have fallen during a certain period, but it is difficult to realize what an inch of it actually means.

African Drum Signals

For centuries before Marconi wire less telegraph was known the mystery of swift communication puzzled explorers of barbarian regions. In the heart of Africa a missionary discovered the method of following a large gourd, which was then dried, and round it was stretched the skin of a kid, hard and thin as parchment.

The Cork Industry

HAD A DREADFUL COUGH FOR OVER SIX MONTHS.

Thought It Would Turn Into Consumption.

Miss Jane Dousette, Point a la Garde, Que., writes:—"Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough, for over six months, and tried everything but in vain. I thought it was going to turn into consumption. A friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicine I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit."

I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me.

See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. Price, 25 and 50 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
